Exhibit A, attached hereto and incorporated herein by reference, provides a detailed description of the range of services that may be provided under this Contract.

Section 2. Services Must Be Authorized in Writing. This Contract, in and of itself, does not require the CONSULTANT to perform any services or provide payment for services rendered by the CONSULTANT. No services will be provided under this Contract, and no payment obligation will arise for performance of services, except when specifically authorized by CITY purchase order issued in accordance with the CITY's procurement policies. No purchase order issued may alter the terms and conditions of this Contract. In case of a conflict with a purchase order this Contract will govern. The purchase order may provide more detailed parameters for the services to be provided, such as deliverables, deadlines, etc, consistent with the provisions of this Contract.

No claim for services furnished by the CONSULTANT not specifically provided for herein will be honored by the CITY.

If CONSULTANT is providing services under an open purchase order at the time that this Contract expires or terminates for any reason other than CONSULTANT's material breach, CONSULTANT will continue to provide such services unless and until the CITY provides CONSULTANT a notice suspending or terminating such services. If CONSULTANT is providing services under an open purchase order at the time that the CITY terminates this Contract due to CONSULTANT's material breach, CONSULTANT will immediately cease performing all services unless the notice of termination specifically provides otherwise.

Section 3. Fees and Other Payments; Limitations.

(a) Each purchase order will set forth the Fee to be paid to CONSULTANT. The Fee will be established as either a not-to-exceed or fixed fee. In either instance the purchase order will include sufficient documentation to describe the basis on which the fee has been calculated.

(1) Except as provided below, the Fees for a purchase order will be based on the Fee Schedule. The initial Fee Schedule is attached hereto and incorporated herein as Exhibit B. The parties may agree to amend the then current Fee Schedule only through formal amendment to this Agreement.

(2) A fixed Fee will be construed to be based on the Fee Schedule only where documentation is included that sets forth a good-faith estimate of the time required by CONSULTANT to complete the work, at commercially reasonable hourly rates; provided, however, that in such instances neither CONSULTANT's obligation to perform the work nor the fixed Fee will be altered merely based on the need to spend more or less time than shown on the estimate to complete the work.

(b) In addition to the Fee, the purchase order may provide for reimbursement of certain types of expenditures that CONSULTANT may incur in providing the service required, such as:

(1) *Copying and travel-related expenses.* As to travel-related expenses, mileage will be paid in accordance with then-current IRS business related mileage rate and in such cases, only for travel in excess of 50 miles round trip.

(b) For purchase orders providing for fixed fees: if the purchase order specifically provides for payment to be made in stages based upon completion of phases, tasks, or other discrete increment of the service to be provided, CONSULTANT will invoice the CITY as these increments of service are completed, and in any event no more frequently than monthly. If the purchase order so provides, or is silent as to the method for payment, payments will be made on the basis of the percentage of work completed and accepted.

(c) For purchase orders providing for Fees based on the hours worked, payment will be made based on the hours worked and billed during the monthly billing interval.

(d) In order to be considered proper, the invoice must include all information and documentation that the CITY may need to verify the accuracy of the invoice and the amount of payment due based on the specific requirements of this Contract. Where payment is for the cost incurred for certain reimbursables (such as for sub consultants or air travel), the invoice must include proof that CONSULTANT has paid such costs.

(e) The CITY will within 30 days after receipt of an invoice notify the CONSULTANT that the invoice is improper, or pay CONSULTANT the amount due.

(b) CONSULTANT understands and agrees that CITY will have the right to reuse any plans and specifications, including construction drawings, that CONSULTANT is required to provide to CITY pursuant to this Contract without having to obtain further approvals from or providing additional compensation to CONSULTANT.
