EXHIBIT B
CONTRACT PRICING

- \$2.00 per transaction fee (charged to fees before funds transferred to County)
- 2.9% processing fee on credit card transactions only (charged and paid directly by the registrant)
- The Contractor and the County will make a note of the credit card interchange rates charged by the major credit card brands on the date on which this Agreement is signed, which will set the processing fee for registrants. The processing fee charged to registrants may be periodically subject to change, by an amount equal to the average rate of change in the interchange rate, only if the rate is changed by one or more of the major third-party credit card brands (e.g., Mastercard, Visa, Discover, Amex). The Contractor will provide the County at least 30 days' notice in advance of any change in the processing fee. The County will then be responsible for informing registrants of the new processing fee as soon as possible and before the fee change takes effect.
