Subject: C22-3255-WS-Notice to Proceed-Mapping-Kennedy Lakes Well Outfall

Joey,

Please consider this email as a Notice to Proceed (NTP) with the necessary work to find and map the Kennedy Lakes Well outfall line for a **Not-To-Exceed** amount of \$4362.00. The work can begin now and is expected to be completed by 10/28/2022.

Please note that any work that may be charged in excess of the quoted amount will require prior written approval from Okaloosa County Water and Sewer (OCWS). Please send an invoice for payment upon completion of the work.

The County has the right to inspect all work.

If you have any questions or need further information contact me.

Subject: RE: C22-3255-WS-Mapping Request-Kennedy Lakes outfall

Jeb,

We can work on this next week and will provide two-man SUE crew to locate and visibly verify the pipe from the well tie-in to the termination point. Below is a breakdown of our estimated level of effort and **Not-To-Exceed** amount for performing this work.

WORK BREAKDOWN DESCRIPTION	ESTIMATED HOURS	FY 2023 BILLING RATE	COMPENSATION
2- Man Locate Crew	15.0	\$236.00	\$ 3,540.00
Sr. GIS Analyst	6.0	\$137.00	\$822.00

NOT-TO-EXCEED BUDGET CEILING			\$4,362.00
-------------------------------------	--	--	-------------------

Please let me know if you have changes that need to be made or questions concerning our scope of work. If acceptable, please rely back with approval and we will consider it to be our Notice to Proceed with the work. We should be able to get this work completed NLT 10/28/22.

Joey

We need to find and map an outfall line for our Kennedy Lakes Well overflow pond. I've attached above the only drawing I could find on it for your reference. Please send me a not-to-exceed cost, based our contracted rates, to find and map this outfall line. Once I have the cost, I'll issue a notice to proceed via email for the work. If you have any questions call me.

Thanks,
