Re: Renewal of 9917-0120 – HVAC CHEMICAL WATER TREATMENT

Dear Geoffry Cotter:

Nalco Company, LLC is currently providing HVAC CHEMICAL WATER TREATMENT to the City of Daytona Beach under an agreement entered into by the two parties by the above referenced bid. The agreement allows the City the option to renew for up to 4 additional one year terms with written notice by the City. The estimated cost of this quote is \$845.00 monthly and \$ 10,140.00 annually.

As part of this third renewal Daytona Beach City Hall will be added at the same unit price as stated in the quote equaling \$83 per month / \$996 annually.

The City of Daytona Beach desires to exercise the third of four annual renewal options to have this service continued by Nalco Company, LLC for the period effective January 12, 2019 through January 11, 2020 under the same terms and conditions.
