Re: Renewal of 19531
Temporary Traffic Control Services Annual Term Contract

Dear Tami Grube:

Roadsafe Traffic Systems, Inc. is currently providing Temporary Traffic Control Services Annual Term Contract to the City of Daytona Beach under an agreement entered into by the two parties by the above referenced bid. Article II of the contract allows the City the option to renew for up to 2 additional one-year terms by providing the Contractor written notice at least 60 days before the end of the current term.

The City of Daytona Beach desires to exercise the first of two renewal options to have this service continued by Roadsafe Traffic Systems, Inc. for the period effective 10/09/2020 through 10/08/2021 under the same terms and conditions.
