Notes:
1. Discounts proposed above are for the software publisher's products only and are considered minimum discounts.
2. Discounts for manufacturer's professional services vary widely. At this time, Daly can only propose a minimum 1% discount for manufacturer's services.
3. Discounts for manufacturer's license renewals, upgrades, and maintenance vary widely also. At this time, Daly can offer a minimum of a 1% discount for these items.
4. Volume discounts for all of the above may be available with known set quantities, and requirements.
5. Products proposed are based on software manufacturer's government and education price structure. Some manufacturer's government and education programs have minimum purchase requirements at the initial point of sale.
6. Many software publishers/manufacturers are offering cloud subscription models in addition to their traditional software licensing discount models. Many of these cloud based pricing models offer very low to no discounts. For this reason, overall discounts offered by Daly is lower than traditionally offered. Volume discounts may be obtained and provided once the quantities and scaled of the requirements are better understood by Daly and the software publishers/manufacturers.
7. Availble list prices can be found at the manufacturer's website or at www.daly.com
8. Learning Suite from SMART Technologies is only available for "Education" accounts. Therefore, Daly cannot offer any type of discounts off of list price at this time.
9. FourWinds Interactive does not offer any type of MSRP/LIST pricing. Therefore, Daly cannot offer any type of discounts off of list price at this time.
