MEMORANDUM OF UNDERSTANDING

NORTH FLORIDA AND WEST COAST BUS COALITION FUNDING DISBURSEMENT AGREEMENT

This Memorandum of Understanding is entered into to establish a formal process between the Coalition Partners for the distribution of funding from the Coalition's request for Federal funding within the FY 2006-2007 Federal Appropriation Bill.

As a participating partner in the North Florida and West Coast Bus Coalition submitting a FY-07 Appropriations Request for funding, we hereby do agree, as indicated by the appropriate signatures below, to the disbursement process agreed to by consensus of those participating in the conference held on February 21, 2006.

Any final amount of funding received by the Coalition will be disbursed based on the following: 1). All participating partners that submitted a request for funding will receive an equal amount of 50% of the total amount; 2). Each partner that submitted a request for funds will receive a share of 50% of the final total Federal funding based on the amount of their individual request as a percentage of the total submitted Coalition amount.

The total amount each participating Coalition Partner will receive is the sum of the two amounts above described.

I hereby agree and accept the above process for determining the amount of funding to be applied for by Okaloosa County Board of County Commissioners from any Federal funding appropriated to the North Florida and West Coast Bus Coalition.
