

**GENERAL SERVICES TERM CONTRACT
CONTRACT NO. 0117-3540**

THE PARTIES TO THIS CONTRACT are the City of Daytona Beach, a Florida municipal corporation (the "CITY"), and CMG Pro Security, Inc., a Florida Corporation ("CONTRACTOR").

In consideration of the mutual covenants herein contained, the Parties agree as follows:

Section 1. Scope of Services. CONTRACTOR will security guard services to the CITY from time to time at the request of the CITY during the Term of this Contract.

Exhibit A, attached hereto and incorporated herein by reference, provides a detailed description of the range of services that may be provided under this Contract.

Section 2. Scheduling Service. This Contract, in and of itself, does not require the CONTRACTOR to perform any services or obligate the CITY to pay for any services rendered. A schedule will be issued to the Contractor on a monthly basis for the events of the next month. That schedule will include the number of events, the number of guards required per event, and the estimated duration of each event. The schedule may provide more detailed parameters for the services to be provided, such as deadlines, etc, consistent with the provisions of this Contract. Upon reasonable notice, the City may issue a revised schedule if event parameters change.

No claim for services furnished by the CONTRACTOR not specifically provided for herein will be honored by the CITY.

If CONTRACTOR is providing services under an open schedule at the time that this Contract expires or terminates for any reason other than CONTRACTOR's material breach, CONTRACTOR will continue to provide such services unless and until the CITY provides CONTRACTOR a notice suspending or terminating such services. If CONTRACTOR is providing services under an open schedule at the time that the CITY terminates this Contract due to CONTRACTOR's material breach, CONTRACTOR will immediately cease performing all services unless the notice of termination specifically provides otherwise.

Section 3. Fees

(a) Fees will be paid based on the number of hours worked (as set forth in the schedule, the revised schedule, or as approved in advance by the City), at the rates set forth in Exhibit B.

(b) No additional compensation will be due CONTRACTOR for any reason.

Section 4. Billing and Payment Procedure. In addition to requirements for payment established by applicable federal, state, or local law including the City Code, or the Exhibits, payment terms and conditions are as follows:

(a) No payment will be due for services performed until CONTRACTOR submits a proper invoice. CONTRACTOR must separately invoice the CITY for each event. CONTRACTOR may invoice the CITY no more frequently than monthly beginning no sooner than 30 days after the Effective Date.

(b) In order to be considered proper, the invoice must include all information and documentation that the CITY may need to verify the accuracy of the invoice and the amount of payment due based on the specific requirements of this Contract.

(c) The CITY will within 30 days after receipt of an invoice notify the CONTRACTOR that the invoice is improper, or pay CONTRACTOR the amount due.

Section 5. Standard of Performance. CONTRACTOR's services will at a minimum meet the level care and skill ordinarily used by members of CONTRACTOR's profession performing the type of services provided herein within the State of Florida.

Section 6. Relationship between Parties. This Contract does not create an employee-employer relationship between the CITY and CONTRACTOR. CONTRACTOR is an independent contractor of the CITY and will be in control of the means and the method in which the requested work is performed. As an independent contractor, CONTRACTOR will be solely responsible for payment of all federal, state and local income tax, and self-employment taxes, arising from this Contract; and CONTRACTOR agrees to indemnify and hold harmless the CITY from any obligations relating to such taxes. The CITY will not make deductions from payments due, for such taxes, or for social security, unemployment insurance, worker's compensation, or other employment or payroll taxes. CONTRACTOR will also be responsible for the performance of CONTRACTOR's personnel.

Section 7. Documents. All reports, estimates, logs, original drawings, and other materials furnished, prepared or executed by CONTRACTOR during the term of and in accordance with the provisions of this Contract will be the property of the CITY and delivered to the CITY upon demand or, if no demand has previously been made, upon completion of the particular task for which such materials were prepared, executed, or otherwise required.

Section 8. Public Records. The following provisions apply concerning public records:

(1) Keeping and maintaining public records that the CITY requires for performance of the service provided herein.

(2) Upon the request of the City Clerk of the CITY, (i) providing the City Clerk with a copy of requested public records or (ii) allowing inspection or copying of the records, within a reasonable time after receipt of the City Clerk's request, at a cost that does not exceed the cost provided in Ch. 119, Florida Statutes, or as otherwise provided by law.

(3) Ensuring that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law until completion or termination of the contract, and following such completion if CONTRACTOR fails to transfer such records to the CITY.

(4) Upon completion of the Contract, keep and maintain public records required by the CITY to perform the service. CONTRACTOR will meet all applicable requirements for retaining public records. All records stored electronically must be provided to the CITY upon request from the City Clerk, in a format that is compatible with the CITY's information technology systems.

Section 9. Effective Date and Term.

The Effective Date of this Contract is the date on which the last Party signs it. The Term of this Contract is 1 year, commencing on the Effective Date. The CITY will have the option to renew this Contract for up to 4 Terms of 1 year each, by providing CONTRACTOR written notice at least 60 days before the end of the current Term.

If this Contract specifically provides that some or all of CONTRACTOR's services will be required only after issuance of a CITY work authorization, any work authorizations previously issued by the CITY will remain in effect after the expiration of this Contract unless the CITY terminates this Contract due to CONTRACTOR's material breach after notifying CONTRACTOR to suspend such services as provided below.

Section 10. Termination of Agreement.

(a) The CITY may by written notice to CONTRACTOR terminate this Contract, in whole or in part, at any time, either for the CITY's convenience or because of the failure of the CONTRACTOR to fulfill its contractual obligations.

(1) Before terminating for convenience, CITY must provide CONTRACTOR at least 30 day's advance notice of termination. This Contract will terminate automatically and without need for further notice upon the expiration of the notice period.

(2) Before terminating due to CONTRACTOR's material breach of its contractual obligations, CITY must provide CONTRACTOR prior written notice, specifying the breach and demanding CONTRACTOR remedy the breach within 10 days of the notice, or within such longer period as may be reasonably required if the nature of the breach is that it cannot be remedied within 10 days of notice. This Contract will terminate automatically and without need for further notice if CONTRACTOR fails to remedy the material breach within the period described in the CITY's notice of breach.

In either instance described above, upon termination CONTRACTOR will immediately discontinue all services affected, unless the notice directs otherwise, and deliver to the CITY all data, drawings, specifications, reports, estimates, summaries, and any and all such other information and services of whatever type or nature as may have been accumulated by CONTRACTOR in performing this Contract, whether completed or in process.

(b) If the termination is for convenience, CONTRACTOR will be paid compensation for authorized services performed to the date of termination. If termination is due to CONTRACTOR's material breach, the CITY reserves all rights and remedies it may have under law due to such breach. Among other things, the CITY may take over the work and prosecute the same to completion by other agreements or otherwise; and in such case, the CONTRACTOR will be liable to the CITY for all reasonable additional costs occasioned to the CITY thereby.

(c) If after notice of termination for the CONTRACTOR's failure to fulfill contractual obligations it is judicially determined by a court of law that the CONTRACTOR had not so failed, the termination will be conclusively deemed to have been effected for the CITY's convenience. In such event, adjustment in payment to CONTRACTOR will be made as provided in subsection (b) of this Section for a termination for convenience.

(d) The rights and remedies of CITY provided for in this Section are in addition and supplemental to any and all other rights and remedies provided by law or under this Contract.

Section 11. Suspension of Services. If the notice of material breach issued by the CITY pursuant to the preceding Section so directs, CONTRACTOR will suspend services immediately upon receipt thereof, other than the work required to remedy the material breach.
