AGREEMENT NO. 19-112-ITB-2 AMENDMENT NUMBER 02

This Amendment Number 2 is made on the date of execution by the County and amends Agreement Number 19-112-ITB-2 ("Main Agreement") dated March 21, 2019 between **A&M Concrete Corporation** ("Contractor") and the **County Board of Arlington County, Virginia** ("County").

The County and the Contractor agree to amend the Main Agreement as follows:

- 1. **Contract Renewal:** Pursuant to CLAUSE 4: CONTRACT TERM, this agreement is hereby renewed for its first subsequent contract term beginning March 20, 2022 through March 19, 2023.
- Contract Price Adjustment is hereby deleted in its entirety and changed to read:

The Contract Amount/unit price(s) will remain firm until twelve (12) consecutive calendar months from the day of execution of the contract by the County ("Price Adjustment Date"). To request a price adjustment, the Contractor or the County must submit a written request to the other party not less than 90 days before the Price Adjustment Date. Adjustments to the Contract Amount/unit price(s) will not exceed the percentage of escalation/de-escalation in the Engineering News Record (ENR) Construction Cost Index (CCI), 20-city average, ending in December of each year of the Contract.

Any Contract Amount/unit price(s) that result from this provision will become effective the day after the Price Adjustment Date and will be binding for 12 months. The new Price Adjustment Date will be 12 months after the price adjustment.

If the Contractor and the County have not agreed on a requested adjustment by 30 days before the Price Adjustment Date, the County may not renew the Contract, whether or not the County has previously elected to renew the Contract's term.

3. **Contract Price Increase:** Pursuant to CLAUSE 7: Contract Price Adjustment (as amended above), the agreement is hereby increased by 8% per the most recent available data of Engineering News Record (ENR) Construction Cost Index (CCI), 20-city average. **Such increase will commence on March 20, 2022.**

Exhibit C – Price Bid of Contractor is hereby replaced in its entirety with the attached Exhibit C – Price Bid of Contractor, which is incorporated into and made a part of this Amendment.

4. Force Majeure: CLAUSE 32. IS REPLACED IN ITS ENTIRETY WITH THE FOLLOWING LANGUAGE:

Neither party will be held responsible for failure to perform the duties and responsibilities imposed by this Contract if such failure is due to a fire, riot, rebellion, natural disaster, war, act of terrorism or act of God that is beyond the control of the party and that makes performance impossible or illegal, unless otherwise specified in the Contract, provided that the affected party gives notice to the other party as soon as practicable after the force majeure event, including reasonable detail and the expected duration of the event's effect on the party.
