**INTERLOCAL AGREEMENT FOR
HERITAGE PARK & CULTURAL CENTER PROJECTS**

THIS INTERLOCAL AGREEMENT (the “Agreement”) is made and entered into on the effective date below by and between OKALOOSA COUNTY, FLORIDA, a political subdivision of the State of Florida (hereinafter referred to as “the County”) and CITY OF FORT WALTON BEACH, a Florida municipal corporation (hereinafter referred to as “the City”).

WHEREAS, the County finds that educating and entertaining the public is an essential component of promoting the sub-county taxing district as a tourist destination; and

WHEREAS, museum exhibits meaningfully engage the needs and interests of our visitors; and

WHEREAS, the City of Fort Walton Beach Heritage Park and Cultural Center has the qualifications, experience and resources to provide such services; and

WHEREAS, the County determines it would be in the best interest of its visitors to support the City for the purposes set forth herein.

NOW, THEREFORE, acting pursuant to their statutory authority and in consideration of the mutual covenants and agreements of the parties, the County and the City agree as follows:

Section 1. Recitals. The above recitals are true and accurate and are incorporated herein as essential terms of the Agreement.

Section 2. City’s Responsibilities. The City shall undertake the Projects as set forth in EXHIBIT A attached hereto and incorporated by reference.

The City shall acknowledge funding provided by Okaloosa County tourist development taxes alongside exhibits and prominently place the Okaloosa County tourist development logo (“Logo”) on marketing and advertising materials used to provide services under this Agreement. Additionally, the City agrees to work with the County to enhance marketing efforts of the sub-county taxing district. Such marketing efforts may include, but not be limited to, social media development and interaction, public relations and publicity initiatives, webpage links and landing pages, and photograph and video.

Statistical information, including but not limited to, visitor demographics, gift shop sales, website traffic and social media engagement shall be provided to the County within 15 calendar days of each quarter end (i.e. January 15, April 15, July 15, October 15).

Section 3. County’s Responsibilities. The County agrees to reimburse the City an amount not to exceed SIX THOUSAND FIVE HUNDRED DOLLARS (\$6,500.00) for actual costs and expenses incurred pursuant to the Scope of Services set forth in EXHIBIT A.

Invoicing detail shall be in sufficient detail for pre- and post-audit review to insure the services were performed and that the correct amount has been invoiced. Invoices shall include backup documentation detailing expenditure transactions, including but not limited to transaction date, vendor name, and purpose of transaction. Invoices shall be itemized such that the description of services performed is consistent with the descriptions set forth in EXHIBIT A.

The City is authorized to shift expenses between line items so long as the total annual amount is not exceeded. Failure to provide the requisite documentation for payment by September 30, 2021 shall result in forfeiture of County funds.

Reimbursement may be reduced as necessary in the event of a storm or other occurrence that results in decreased visitation and consequently a significant decrease in tourist development tax revenue.

In the event a portion of an invoice submitted to the County for payment to the City, as specified above, is disputed, payment for the disputed amount may be withheld pending resolution of the dispute, and the remainder of the invoice will be processed for payment without regard to that portion which is in dispute.

This Agreement is for one-time projects and there is no continuing obligation by the County to provide such funds in the future.

If County funds are provided for reimbursement of the purchase of a capital item – “capital item” means property of a non-consumable nature with a value of \$1,000 or more and normal expected life of one (1) year or more – then the proceeds from subsequent disposal of such capital item (e.g. sale, trade-in, auction) shall be refunded to the County. The County shall retain the right of first refusal prior to the City’s disposal of any capital item funded by tourist development tax dollars.

Section 4. Non-Appropriation of Funds. Notwithstanding anything contained in this Agreement to the contrary, in the event the funds appropriated by the County through the Tourist Development Department are insufficient to pay the costs of this Agreement, the Agreement shall terminate on the last fiscal quarter period for which appropriations were received, without penalty or expense to the County of any kind whatsoever. The County will immediately notify the City of such occurrence. Notwithstanding the foregoing, the restrictive covenants of this paragraph are limited to the Okaloosa County Tourist Development Council Trust Fund and nothing herein shall be applied to the General Fund or any other special fund controlled by the County.

Section 5. Effective Date and Term of Agreement. This Agreement shall be effective on October 1, 2020 and shall remain in effect until final payment is made.

Section 6. Termination. Either party may terminate this Agreement by giving thirty (30) days’ written notice to the other party of its intent to terminate this Agreement.

Section 7. Records & Audit. For the services performed under this Agreement, the City shall maintain books, records, documents, and other evidence according to generally accepted governmental accounting principles, procedures, and practices which sufficiently and properly reflect all costs and expenditures of any nature, incurred by the City in connection with the services performed under this Agreement.

Operational & Capital Funding Request (Annual Deadline: April 10)**

This form is to be used for all operational and capital requests for tourist development tax funding to facilitate the review and approval process. This form must be completed in its entirety in order for the funding request to be presented to the Tourist Development Council for consideration. Supplemental information may be provided, but summary information must be provided in each section of this form.

ORGANIZATION INFORMATION:

Name: City of Fort Walton Beach Heritage Park & Cultural Center
Tax I.D.: 50-0000123
Contact Person: Paul Lynn Meyer Title: Museum Manager
Phone: (850) 331-0305 Email: pmeyer@fwbc.org
Street Address: 130 Miracle Strip Parkway SE City/ST/Zip: Fort Walton Beach, Florida 32548
Briefly describe the organization: Heritage Park is a dynamic learning museum attraction which includes an archaeological museum, a National Historic Landmark, published maps, and two historic movie theaters. It is an educational and cultural experience for visitors in the downtown Fort Walton Beach. We are owned and operated by the City of Fort Walton Beach.

FUNDING REQUEST INFORMATION:

Describe the funding request in detail. Attach pictures or any other supporting documentation.

For the past two years Heritage Park has requested funding to fund one phase in the heritage tourism master plan and move forward with advertising and marketing our unique experience. Now it is time to help visiting guests and locals understand that experience and be a complete part of it. This time we are asking for wayfinding signs.
Wayfinding is the process of communicating one's position to plan, and then follow a route. It is an information system used to guide people through a physical environment and enhance their understanding and experience of the space.
Heritage Park & Cultural Center is a tourist destination campus. We are a complex consisting four buildings, indoor and outdoor exhibits, the prehistoric mound itself, and the sidewalk, paths, and boardwalk that connects the buildings, public recreation and public parking areas. Signage that directs people where to go, wayfinding, is critical to us. Wayfinding is more than pretty signs...Wayfinding is a journey. Signage is the element that makes that journey not only possible but enjoyable.
The purpose of good signage is something we rely on every day and would be unnoticeable by its absence. Most of us are unaware to the impact it makes on our day-to-day lives. That is because a good wayfinding strategy is about delivering a better experience by aiding navigation and orientation for all users in a seamless, simple and effective manner.
The needs of your audience should play an integral part in the thought process of your wayfinding scheme. This wayfinding strategy has to deliver its primary function of supporting people in their movement around our site. There are three essential environments for visitors; efficient wayfinding systems contribute to a sense of direction, safety and security.
* Our wayfinding signage will show visitors where to begin, where to pay admission, where to shop, and where to go to see as they explore everything on the museum grounds and the nearby downtown area.
* Our wayfinding signage will help direct large student groups on field trips (up to 120 students in a single day). Transportation and chaperones in their cars will be aided in parking and gathering by signage.

Describe how the funding request promotes tourism within the sub-county taxing district.

A unified set of wayfinding signs makes the museum campus in downtown Fort Walton Beach more attractive and professional looking. Up-to-date signage that is modern and matching adds to the appeal of the grounds and facility. This appeals to visitors coming to see us and to visitors just passing through downtown who will be attracted by the clear and unified presentation. Heritage Park sees about 4,000-5,000 students on field trips each year. In addition, the museum sees about 12,000 regular visitors during the year. Events like annual events, meetings, and guest speakers at the museum. In addition, Heritage Park grounds are open and accessible 367. Signage will allow guests who never knew the museum to experience Fort Walton Beach history in digestible bites.

Describe other funding methods pursued and why Tourist Development Tax funding is necessary.

Heritage Park is able to fund part of the signage project. We are adding handicap signs, near area parking signs and repainting and opening the attached parking lot as part of this project.

Additional funding will take the project to the next level and allow the project to be accomplished in one year (rather than budgeted in small pieces over several years).

Dates during which expenses will be incurred: Start Month/Year: 10/1/2020

End Month/Year: 9/30/2021

Itemize expenses requested for reimbursement. Denote what portion of the expense, if any, is funded by another source. Attach quotes or any other supporting documentation.
