Amber,

Since the department has approved, the majority of the requested changes are fine. However, see my comments to some of them:

Requested changes to Draft Contract

1. Section 4.b. - change their requested language to "made to Contractor within thirty (30) days of the date their invoice is received by the County."
2. Section 5 - delete the following sentence at the end of the second to last paragraph, "The County shall not disclose such information to any third party without Contractor's express prior consent." The County is subject to the public records law and must comply with those requirements.
3. Section 5 - also delete the last sentence, "Unless a different time period is agreed to in an order under these Terms, Contractor agrees to retain all records for five (5) years." The State's retention schedule dictates how long these records must be retained by the Contractor.
4. Section 7.a. - reject proposed change.

Thanks,
Lynn
