INTERLOCAL AGREEMENT FOR BEACH SAFETY AND LIFEGUARD SERVICES

THIS INTERLOCAL AGREEMENT (the "Agreement") is made and entered into on the Effective Date defined below by and between OKALOOSA COUNTY, FLORIDA, a political subdivision of the State of Florida (hereinafter referred to as "the County") and DESTIN FIRE CONTROL DISTRICT, an independent special district (hereinafter referred to as "the District").

- WHEREAS, pursuant to Section 125.0104(5)(c), Florida Statutes, the County is authorized to reimburse expenses incurred in providing public safety services which are needed to address impacts related to increased tourism and visitors to an area; and
- WHEREAS, the County finds that providing public safety services is an essential component of promoting the sub-county taxing district as a tourist destination; and
- WHEREAS, the County finds the presence of lifeguards will promote safety and encourage enjoyment of its beaches; and
 - WHEREAS, the County desires beach safety and lifeguard services; and
- WHEREAS, the District has the experience, qualifications and resources to provide public safety services, which include beach safety and lifeguard services, which are needed to address impacts related to increased tourism and visitors to the area; and
- WHEREAS, the County determines it would be in the best interest of the health, safety, and welfare of its citizens and visitors to enter into this Agreement to provide financial support to the District for the purposes set forth herein.
- NOW, THEREFORE, acting pursuant to their statutory authority and in consideration of the mutual covenants and agreements of the parties, the County and the District agree as follows:
- Section 1. Recitals. The above recitals are true and accurate and are incorporated herein as essential terms of the Agreement.

Section 2. <u>District's Responsibilities</u>.

- A. The District shall provide beach safety and lifeguard services as more fully described in the scope of services as set forth in **Exhibit** "A" attached hereto and incorporated by reference.
- B. The District shall work in coordination with the Okaloosa County Sheriff's Office and Okaloosa County Public Safety Department to provide public safety services to Crab Island.
- C. The District shall provide a point-of-contact for the services provided under this Agreement. The point of contact shall be available to the County at all times as necessary for the proper performance of this Agreement by the District.
 - D. The District shall place the Okaloosa County tourist development logo ("Logo")

on equipment and vehicles used to provide services under this Agreement. Said Logo shall be provided by the County and shall not be permanent. Additionally, the District agrees to work with the County to enhance marketing efforts of the sub-county taxing district. Such marketing efforts may include, but not be limited to, social media development and interaction, public relations and publicity initiatives, webpage links and landing pages, and photograph and video.

E. The District shall invoice the County for September services no later than November 12, 2022 in order to close out this Agreement. Failure to remit a timely final invoice shall result in forfeiture of County funds.

Section 3. County's Responsibilities.

A. Payment and Invoicing

- (1) Pursuant to the authority set forth in Section 125.0104(5)(c), Fla. Stat., the County agrees to pay the District NINE HUNDRED FIFTEEN THOUSAND DOLLARS (\$915,000.00) for services rendered for the fiscal year October 1, 2021 to September 30, 2022 ("Effective Term") as set forth in Exhibit "A". Payment shall be made on a reimbursement basis upon receipt of an invoice, recommendation from the Tourist Development Council and approval from the Board of County Commissioners.
- (2) Invoicing detail shall be in sufficient detail for pre- and post-audit review to insure the services were performed and that the correct amount has been invoiced. Invoices shall include backup documentation detailing expenditure transactions, including but not limited to transaction date, vendor name, and purpose of transaction. Invoices shall be itemized such that the description of services performed is consistent with the description of expenses as set forth in Exhibit "A". The District is authorized to shift expenses between line items so long as the total annual amount is not exceeded.
- (3) Payment may be reduced as necessary in the event of a storm or other occurrence that results in decreased visitation and consequently a significant decrease in tourist development tax revenue to prevent payments for public safety from exceeding the statutory cap amount of 10 percent of the tourist development tax revenue received.
- (4) In the event a portion of an invoice submitted to the County for payment to the District, as specified above, is disputed, payment for the disputed amount may be withheld pending resolution of the dispute, and the remainder of the invoice will be processed for payment without regard to that portion which is in dispute.

If County funds are provided for reimbursement of the purchase of a capital item — "capital item" means property of a non-consumable nature with a value of \$1,000 or more and normal expected life of one (1) year or more—then the proceeds from subsequent disposal of such capital item (e.g. sale, trade-in, auction) shall be used to meet budgetary needs of the District related

to the provision of services under this Agreement. Upon the sale of any capital items, the District shall provide documentation to the County of such sale and reinvestment of the proceeds to provide the Scope of Services attached as **Exhibit "A"**. However, if there are excess funds available to the District at the end of the Effective Term and the parties do not enter into a subsequent agreement for the provision of the services as set forth herein, any excess funds shall be remitted to the County.

B. Vehicles and Vessels

- (1) The County shall procure, issue and deliver to the District: one (1) ATV, one (1) UTV, and one (1) PWC ("Vehicles/Vessels"), which said Vehicles/Vessels will be the equivalent or of greater value than ATVs, UTV and PWC in the District's possession for the 2020/2021 fiscal year.
- (2) The Vehicles/Vessels shall be ordered on or before October 15, 2021, at no charge to the District.
- (3) The Vehicles/Vessels shall be delivered to the District at Destin Fire Station 10, 117 Crystal Beach Drive, Destin, Florida 32541, at no charge to the District.
- (4) Customization of the Vehicles/Vessels will be at the sole discretion and responsibility of the District. Maintenance of the Vehicles/Vessels will be at the sole discretion and responsibility of the District. The County shall reimburse the District for all customizations and all maintenance expenses to the Vehicles/Vessels.
- (5) The Vehicles/Vessels are the property of the County and shall remain in the name of the County. The County shall lease as part of this Agreement the Vehicles/Vessels procured to the District for the season as outlined in Exhibit "A". The duration of the lease for the Vehicles/Vessels shall extend until such time as it is mutually agreed between the parties that the Vehicles/Vessels need to be replaced. The County shall not charge the District for the lease of the Vehicles/Vessels. The County agrees to reimburse the District for any costs incurred by the District for the lease of the Vehicles/Vessels.
- (6) The Vehicles/Vessels shall stay in the sole possession, authority and control of the District during the season as outlined in Exhibit "A".
- (7) The County will not transfer or encumber the Vehicles/Vessels without the prior written consent of the District.

Section 4. Use of County Funds. The funds set forth in Section 3 above shall be used to pay for costs and expenses as set forth in Exhibit "A". The parties acknowledge that these services are being funded exclusively through proceeds of the Tourist Development Taxes levied by the Okaloosa County Board of County Commissioners. In the event that it is legally determined that such Tax proceeds may not be used for these purposes, then this Agreement shall terminate immediately with services previously rendered by the District being payable as described under Section 5 below.

- Section 5. Non-Appropriation of Funds. The District hereby acknowledges that this Agreement is completely dependent on the appropriation of legally available funds by the County and agrees that in the event such funds are not appropriated for any reason this Agreement shall terminate and be considered void. If the Agreement is terminated by the County as provided herein, the District will be paid the prorated amount for services actually performed up to the date of termination.
- Section 6. Effective Date and Term of Agreement. This Agreement shall be effective on October 1, 2021 ("Effective Date") and terminate on September 30, 2022, unless terminated earlier in accordance with the provision contained in this Agreement.
