RIDER AGREEMENT NO. 23-DES-R-209

THIS AGREEMENT (hereinafter "Agreement") is made, on the date of its execution by the County, between WGL Energy Services, Inc. ("Contractor"), a Delaware corporation with a place of business at 8614 Westwood Center Drive, Vienna, Virginia 22182, authorized to transact business in the Commonwealth of Virginia, and the County Board of Arlington County, Virginia ("County"). The County and the Contractor, for the consideration specified herein or specified in a County Purchase Order referencing this Agreement, agree as follows:

1. CONTRACT DOCUMENTS

The Contract Documents consist of this Agreement, Exhibit A Frederick County Public Schools Contract RFP 18MISC4, & Exhibit B – Contract Pricing, together with any exhibits and amendments issued or applicable thereto (collectively, "Contract Documents" or "Contract"). This Agreement rides a contract awarded to the Contractor by Frederick County Public Schools and extended by the Contractor to the County on the same terms and conditions as the Contractor's agreement with Frederick County Public Schools. Where the terms of this Agreement vary from the terms and conditions of the other Contract Documents, the terms and conditions of this Agreement shall prevail.

The Contract Documents set forth the entire agreement between the County and the Contractor. The County and the Contractor agree that no representative or agent of either of them has made any representation or promise with respect to the parties' agreement which is not contained in the Contract Documents.

2. CONTRACT TERM

The Contractor's provision of goods and services for the County ("Work") shall commence upon the execution of the Agreement by the County", and shall be completed no later than 5/31/2023 ("Contract Term"), subject to any modifications as provided for in the Contract Documents regarding the Contract Term. No aspect of the Work shall be deemed complete until it is accepted by the County's Project Officer.

Upon satisfactory performance by the Contractor, if Frederick County Public Schools renews their agreement identified in Exhibit A, the County may elect to renew this Agreement under the same contract terms for three (3) one-year renewal periods from June 1, 2023 until May 31, 2026 ("Subsequent Contract Term"). However, if Frederick County Public Schools does NOT renew their agreement identified in Exhibit A, this Agreement shall automatically expire on the contract expiration date.

3. PAYMENT

Payment will be made by the County to the Contractor within forty-five (45) days after receipt by the County Project Officer of an invoice detailing the Work provided by the Contractor and accepted by the County. Each invoice must certify that the invoice submitted is a true and accurate accounting of the work performed and goods and/or services provided and must be signed and attested to by the Contractor or authorized designee. The Project Officer will either approve the invoice or require corrections. The number of the County Purchase Order pursuant to which authority goods or services have been performed or delivered shall appear on all invoices.

4. SCOPE OF WORK

The Contractor agrees to perform the goods and/or services described in the Contract Documents (hereinafter “the Work”). The primary purpose of the Work is to furnish natural gas supply.

The Contract Documents set forth the minimum Work estimated by the County and the Contractor to be necessary to complete the Work. It shall be the Contractor’s responsibility, at the Contractor’s sole cost, to provide the specific Work set forth in the Contract Documents sufficient to fulfill the purposes of the Work. Nothing in the Contract Documents shall be construed to limit the Contractor’s responsibility to manage the details and execution of the Work.

5. PROJECT OFFICER

The performance of the Contractor is subject to the review and approval of the County Project Officer (“Project Officer”) who shall be appointed by the Director of the Arlington County department or agency which seeks to obtain the Work pursuant to this Contract. However, it shall be the responsibility of the Contractor to manage the details of the execution and performance of its Work pursuant to the Contract Documents.

6. COUNTY PURCHASE ORDER REQUIREMENT

County purchases are authorized only if a County Purchase Order is issued in advance of the transaction. A Purchase Order must indicate that the ordering agency has sufficient funds available to pay for the purchase. Such a Purchase Order is to be provided to the Contractor by the ordering agency. The County will not be liable for payment for any purchases made by its employees without appropriate purchase authorization issued by the County Purchasing Agent. If the Contractor provides goods or services without a signed County Purchase Order, it does so at its own risk and expense.

7. NON-APPROPRIATION

All funds for payments by the County to the Contractor pursuant to this Contract are subject to the availability of an annual appropriation for this purpose by the County Board of Arlington County, Virginia. In the event of non-appropriation of funds by the County Board of Arlington County, Virginia for the goods or services provided under this Contract or substitutes for such goods or services which are as advanced or more advanced in their technology, the County will terminate the Contract, without termination charge or other liability to the County, on the last day of the then current fiscal year or when the appropriation made for the then current year for the services covered by this Contract is spent, whichever event occurs first. If funds are not appropriated at any time for the continuation of this Contract, cancellation will be accepted by the Contractor on thirty (30) days prior written notice, but failure to give such notice shall be of no effect and the County shall not be obligated under this Contract beyond the date of termination specified in the County’s written notice.

8. COVID-19 VACCINATION POLICY FOR CONTRACTORS

Due to the ongoing COVID-19 pandemic, the County has taken various steps to protect the welfare, health, safety, and comfort of the workforce and public at large. As part of these steps, the County has implemented various requirements with respect to health and safety including policies with respect to social distancing, the use of face-coverings and vaccine mandates. To protect the County's workforce and the public at large, all employees and subcontractors of the Contractor who are assigned to this Contract, should be fully vaccinated against COVID-19. Any contractor employee or subcontractor who is not fully vaccinated should be following a weekly testing protocol as established by the Contractor, unless exempt pursuant to a valid reasonable accommodation under state or federal law.

9. APPLICABLE LAW, FORUM, VENUE AND JURISDICTION

This Contract and the work performed hereunder shall be governed in all respects by the laws of the Commonwealth of Virginia, and the jurisdiction, forum, and venue for any litigation with respect thereto shall be in the Circuit Court for Arlington County, Virginia, and in no other court. In performing its Work pursuant to this Contract, the Contractor shall comply with applicable federal, state, and local laws, ordinances and regulations.

EXHIBIT B - CONTRACT PRICING

THIS FIRM GAS CONFIRMATION is effective 6/14/2022 by and between WGL Energy Services, Inc. ("Seller") and Arlington County ("Buyer") for the sale and delivery of Buyer's full requirements for all accounts listed on Attachment A, and is subject to the terms and conditions of the Frederick County Public Schools RFP 18MISC4, Natural Gas Supply executed by both parties. It is understood that Buyer has a Firm Delivery service Agreement with its LDC. Buyer agrees that Seller's delivery obligations hereunder are subject to, and depend upon, verification by Buyer's Utility that the accounts herein meet the requisite Utility load profile and rate classification.

Buyer's Utility: Washington Gas **Transportation Rate Schedule(s):** Firm Burner Tip + Storage + Balancing

All prices quoted are to the "Burner Tip", and include balancing charges, as provided on the website; <http://www.wglholdings.com/>, an adjustment for lost and unaccounted for gas and wet to dry conversion, and storage charges. All accounts will be billed based on Buyer's consumption. Prices are subject to change prior to written confirmation by Seller.

Billing: Utility Billing

If during the effectiveness of this Confirmation, Buyer's utility adopts purchase of receivables discount rates applicable to one or more of Buyer's accounts covered by this Confirmation that in Seller's sole discretion would increase Seller's costs, Seller shall have the right to notify and bill Buyer directly for deliveries to such accounts at no additional cost or change in payment terms to Buyer.

Tax:

Buyer must provide to Seller a tax exempt certificate or other documented evidence of Buyer's tax exempt status for accounts covered under this Confirmation prior to the effective account enrollment date. If Buyer fails to provide Seller such documentation, Seller shall be obligated to bill Buyer for the applicable sales tax.

If after this Confirmation is executed, any of Seller's Pipeline Costs or Utility Costs significantly increase from the costs that underlie the Price because (1) FERC issues an order or a FERC regulated pipeline revises its tariff, (2) a change in law is enacted, or (3) the applicable Public Service Commission issues an order, or Buyer's utility revises its tariff (together "Regulatory Changes"), then Seller may pass through such cost increases to Buyer by separate monthly charge and Seller shall provide Buyer with supporting documentation and calculation of any cost increase upon request.

Quoted rates do not include any cost increases related to Columbia Gas Transmission Rate Case RP20-1060. Any cost changes as a result of this rate case will be passed through to Buyer as a separate monthly amount. Seller shall provide Buyer with supporting documentation and calculation upon request.

IMPORTANT - SALES TAX INFORMATION

WGL Energy Services is required to collect the applicable transaction taxes in certain jurisdictions.

It is very important that we correctly identify the tax status of each customer to complete the contracting process. If tax status is not clearly documented, each customer is treated as taxable. In most jurisdictions, any claim for a refund of taxes paid must be directed to the taxing entity. (NOTE: Whether exempt from tax or not, each commercial customer in Washington, DC, must provide written affirmation of tax status so we may complete the contracting process.)

Please confirm the information on this form; please make any edits on the document or advise us of required changes so we can update the form. Should there be any questions or corrections, please contact our Contract Administration team, via email, WGL_contracts@wglenergy.com OR contact your Business Development Manager (BDM).

If your organization is exempt from sales tax, please submit your current, valid exemption certificate with this completed form along with the list of accounts covered by the certificate, indicating the applicable exemption rate for each account on the list. NOTE: If your property is 100% residential or you are exempt from sales tax by federal statute, no exemption certificate is required, but you must provide a written statement attesting to your status for each applicable account.

Incomplete tax exemption certificates and statements will result in taxes being charged.

IMPORTANT - SALES TAX INFORMATION

WGL Energy Services is required to collect the applicable transaction taxes in certain jurisdictions.

It is very important that we correctly identify the tax status of each customer to complete the contracting process. If tax status is not clearly documented, each customer is treated as taxable. In most jurisdictions, any claim for a refund of taxes paid must be directed to the taxing entity. (NOTE: Whether exempt from tax or not, each commercial customer in Washington, DC, must provide written affirmation of tax status so we may complete the contracting process.)

Please confirm the information on this form; please make any edits on the document or advise us of required changes so we can update the form. Should there be any questions or corrections, please contact our Contract Administration team, via email, WGL_contracts@wglenergy.com OR contact your Business Development Manager (BDM).

If your organization is exempt from sales tax, please submit your current, valid exemption certificate with this completed form along with the list of accounts covered by the certificate, indicating the applicable exemption rate for each account on the list. NOTE: If your property is 100% residential or you are exempt from sales tax by federal statute, no exemption certificate is required, but you must provide a written statement attesting to your status for each applicable account.

Incomplete tax exemption certificates and statements will result in taxes being charged.
