AGREEMENT NO. 21-DHS-EP-405

THIS AGREEMENT is made, on October 30, 2020, between Sashi Putchakayala, MD, 2615 N. Nottingham Street, Arlington, VA 22207 ("Contractor") licensed to practice medicine in the Commonwealth of Virginia, and the County Board of Arlington County, Virginia. The County and the Contractor, for the consideration, hereinafter specified, agree as follows:

1. CONTRACT DOCUMENTS

The "Contract Documents" consist of:

- This Agreement
- Exhibit A – Scope of Work
- Exhibit B – Contract Pricing
- Exhibit C – Business Associate Agreement
- Exhibit D – County Nondisclosure and Data Security Agreement (Individual)
- Exhibit E – Hold Harmless Agreement

Where the terms and provisions of this Agreement vary from the terms and provisions of the other Contract Documents, the terms and provisions of this Agreement will prevail over the other Contract Documents, and the remaining Contract Documents will be complementary to each other. If there are any conflicts, the most stringent terms or provisions will prevail.

The Contract Documents set forth the entire agreement between the County and the Contractor. The County and the Contractor agree that no representative or agent of either party has made any representation or promise with respect to the parties' agreement that is not contained in the Contract Documents. The Contract Documents may be referred to below as the "Contract" or the "Agreement".

2. SCOPE OF WORK

The Contractor agrees to perform the services described in the Contract Documents (the "Work"). As detailed in the "Scope of Work" (Exhibit A), the primary purpose of the Work is to provide psychiatric services to individuals served through Arlington County Community Services Board programs and consultation services for County staff. It will be the Contractor's responsibility, at its sole cost, to provide the specific services set forth in the Contract Documents and sufficient services to fulfill the purposes of the Work. Nothing in the Contract Documents limits the Contractor's responsibility to manage the details and execution of the Work.

3. PROJECT OFFICER

The performance of the Contractor is subject to the review and approval of the County Project Officer, who will be appointed by the Director of the Arlington County department or agency requesting the Work under this Contract.

4. CONTRACT TERM

Time is of the essence. The Work will commence on October 30, 2020 and must be completed no later than September 30, 2021 ("Initial Contract Term"), subject to any modifications provided in the Contract Documents. Upon satisfactory performance by the Contractor, the County may authorize the continuation of the Agreement under the same contract prices for not more than four (4) additional 12-month periods, from October 1, 2021, to September 30, 2025 (each a "Subsequent Contract Term"). The Initial Contract Term and any Subsequent Contract Term(s) are together the "Contract Term".

5. CONTRACT AMOUNT

The County will pay the Contractor in accordance with the terms of the Payment section below and of Exhibit B, up to a total contract amount of \$143,034.00 for the Contractor's completion of the Work as required by the Contract Documents. The Contractor will complete the Work for the total amount specified in this section ("Contract Amount").

The County will not compensate the Contractor for any services beyond those included in Exhibit A unless those additional goods or services are covered by a fully executed amendment to this Contract.

6. CONTRACT PRICE ADJUSTMENTS

The Contract Amount/unit price(s) will remain firm until September 30, 2021 ("Price Adjustment Date"). To request a price adjustment, the Contractor or the County must submit a written request to the other party not less than 90 days before the Price Adjustment Date. Adjustments to the Contract Amount/unit price(s) will not exceed the percentage of change in the U.S. Department of Labor Consumer Price Index, All Items, Unadjusted, Urban Areas ("CPI-U") for the 12 months ending in June of each year of the Contract.

Any Contract Amount/unit price(s) that result from this provision will become effective the day after the Price Adjustment Date and will be binding for 12 months. The new Price Adjustment Date will be 12 months after the price adjustment.

If the Contractor and the County have not agreed on a requested adjustment by 30 days before the Price Adjustment Date, the County may terminate the Contract, whether or not the County has previously elected to extend the Contract's term.

7. PAYMENT

The County will pay the Contractor monthly according to the provisions of this section. By the first and fifteenth day of each month, the Contractor will submit to the Project Officer an invoice describing the total work done during the preceding month, to include a timesheet for the time invoiced and a separate list of clients seen per each workday during the billing period. The list must have the client's initials, client's ID, services rendered, documentation completed. The Project Officer will either approve the invoice or require corrections. Each invoice must certify that the invoice submitted is a true and accurate accounting of the work performed and goods and/or services provided and must be signed and attested to by the Contractor or authorized designee. The County will pay the Contractor within 45 days after receipt of an approved invoice. The number of the County Purchase Order pursuant to which services have been performed must appear on all invoices.

8. REIMBURSABLE EXPENSES

The County will not reimburse the Contractor for any expenses under this Contract. The amount in Exhibit B includes all costs and expenses of providing the services described in this Contract.

9. NO WAIVER OF RIGHTS

The County's approval or acceptance of or payment for any goods or services under this Contract will not waive any rights or causes of action arising out of the Contract.

10. NON-APPROPRIATION

All payments by the County to the Contractor pursuant to this Contract are subject to the availability of an annual appropriation for this purpose by the County Board of Arlington County, Virginia ("Board"). In the event that the Board does not appropriate funds for the goods or services provided under this Contract, the County will terminate the Contract, without termination charge or other liability to the County, on the last day of the fiscal year or when the previous appropriation has been spent, whichever event occurs first.

11. ESTIMATED QUANTITIES/NON-EXCLUSIVITY OF CONTRACTOR

This Contract does not obligate the County to purchase a specific quantity of services during the Contract Term. The County does not guarantee that the Contractor will be the exclusive provider of the services covered by this Contract. The items or services covered by this Contract may be or become available under other County contract(s), and the County may determine that it is in its best interest to procure the items or services through those contract(s).

12. COUNTY PURCHASE ORDER REQUIREMENT

County purchases are authorized only if the County issues a Purchase Order in advance of the transaction, indicating that the ordering County agency has sufficient funds available to pay for the purchase. If the Contractor provides goods or services without a signed County Purchase Order, it does so at its own risk and expense. The County will not be liable for payment for any purchases made by its employees that are not authorized by the County Purchasing Agent.

13. BACKGROUND CHECK

All employees or subcontractors whom the Contractor assigns to work on this Contract must pass the County's standard background check. The background check will include fingerprinting by the County Sheriff's Office, a credit check, medical malpractice reporting and Virginia Central Registry Background Check.

14. EMPLOYMENT DISCRIMINATION BY CONTRACTOR PROHIBITED

During the performance of its work pursuant to this Contract:

- A. The Contractor will not discriminate against any employee or applicant for employment because of race, religion, color, sex, national origin, age, or disability or on any other basis prohibited by state law. The Contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices setting forth the provisions of this nondiscrimination clause.
- B. Notices, advertisements, and solicitations placed in accordance with federal law, rule, or regulation will be deemed sufficient for meeting the requirements of this section.
- C. The Contractor will state in all solicitations or advertisements for employees that it places or causes to be placed that such Contractor is an Equal Opportunity Employer.

- D. The Contractor will comply with the provisions of the Americans with Disabilities Act of 1990 ("ADA"), which prohibits discrimination against individuals with disabilities in employment and mandates that disabled individuals be provided access to publicly and privately provided services and activities.
- E. The Contractor must include the provisions of the foregoing paragraphs in every subcontract or purchase order of more than \$10,000.00 relating to this Contract so that the provisions will be binding upon each subcontractor or vendor.

15. EMPLOYMENT OF UNAUTHORIZED ALIENS PROHIBITED

In accordance with §2.2-4311.1 of the Code of Virginia, as amended, the Contractor must not during the performance of this Contract knowingly employ an unauthorized alien, as that term is defined in the federal Immigration Reform and Control Act of 1986.

16. DRUG-FREE WORKPLACE TO BE MAINTAINED BY CONTRACTOR

During the performance of this Contract, the Contractor must: (i) provide a drug-free workplace for its employees; (ii) post in conspicuous places, available to employees and applicants for employment, a statement notifying employees that the unlawful manufacture, sale, distribution, dispensation, possession, or use of a controlled substance or marijuana is prohibited in the Contractor's workplace and specifying the actions that will be taken against employees for violating such prohibition; (iii) state in all solicitations or advertisements for employees placed by or on behalf of the Contractor that the Contractor maintains a drug-free workplace; and (iv) include the provisions of the foregoing clauses in every subcontract or purchase order of more than \$10,000.00 relating to this Contract so that the provisions will be binding upon each subcontractor or vendor.

For the purposes of this section, "workplace" means the site(s) for the performance of the work required by this Contract.

17. SEXUAL HARASSMENT POLICY

If the Contractor employs more than five employees, the Contractor shall (i) provide annual training on the Contractor's sexual harassment policy to all supervisors and employees providing services in the Commonwealth, except such supervisors or employees that are required to complete sexual harassment training provided by the Department of Human Resource Management, and (ii) post the Contractor's sexual harassment policy in (a) a conspicuous public place in each building located in the Commonwealth that the Contractor owns or leases for business purposes and (b) the Contractor's employee handbook.

18. SAFETY

The Contractor must ensure that it comply with all applicable local, state, and federal policies, regulations, and standards relating to safety and health.

19. TERMINATION

The County may terminate this Contract at any time as follows: (1) for cause, if, as determined by the County, the Contractor is in breach or default or has failed to perform the Work satisfactorily; or (2) for the convenience of the County.

Upon receipt of a notice of termination, the Contractor must not place any further orders or subcontracts for materials, services, or facilities; must terminate all vendors and subcontracts, except as are necessary

for the completion of any portion of the Work that the County did not terminate; and must immediately deliver all documents related to the terminated Work to the County.

Any purchases that the Contractor makes after the notice of termination will be the sole responsibility of the Contractor unless the County has approved the purchases in writing as necessary for the completion of any portion of the Work that the County did not terminate.

If any court of competent jurisdiction finds a termination for cause by the County to be improper, then the termination will be deemed a termination for convenience.

A. TERMINATION FOR CAUSE, INCLUDING BREACH AND DEFAULT; CURE

1. Termination for Unsatisfactory Performance. If the County determines that the Contractor has failed to perform satisfactorily, then the County will give the Contractor written notice of such failure(s) and the opportunity to cure them within 15 days or any other period specified by the County ("Cure Period"). If the Contractor fails to cure within the Cure Period, the County may terminate the Contract for failure to provide satisfactory performance by providing written notice with a termination date. The Contractor must submit any request for termination costs, with all supporting documentation, to the County Project Officer within 30 days after the expiration of the Cure Period. The County may accept or reject the request for termination costs, in whole or in part, and may notify the Contractor of its decision within a reasonable time.

In the event of termination by the County for failure to perform satisfactorily, the Contractor must continue to provide its services as previously scheduled through the termination date, and the County must continue to pay all fees and charges incurred through the termination date.

2. Termination for Breach or Default. If the County terminates the Contract for default or breach of any Contract provision or condition, then the termination will be immediately after notice of termination to the Contractor (unless the County provides for an opportunity to cure), and the Contractor will not be permitted to seek termination costs.

Upon any termination pursuant to this section, the Contractor will be liable to the County for costs that the County must expend to complete the Work, including costs resulting from any related delays and unsatisfactory or non-compliant work performed by the Contractor or its subcontractors. The County will deduct such costs from any amount due to the Contractor; or if the County does not owe the Contractor, the Contractor must promptly pay the costs within 15 days of a demand by the County. This section does not limit the County's recovery of any other damages to which it is entitled by law.

Except as otherwise directed by the County, the Contractor must stop work on the date of receipt of the notice of the termination.

B. TERMINATION FOR THE CONVENIENCE OF THE COUNTY

The County may terminate this Contract in whole or in part whenever the Purchasing Agent determines that termination is in the County's best interest. The County will give the Contractor at least 15 days' notice in writing. The notice must specify the extent to which the Contract is terminated and the effective termination date. The Contractor will be entitled to

termination costs, plus any other reasonable amounts that the parties might negotiate, but no amount will be allowed for anticipatory profits.

Except as otherwise directed by the County, the Contractor must stop work on the date of receipt of the notice of the termination.

20. INDEMNIFICATION

The Contractor covenants for itself, its employees, and its subcontractors to save, defend, hold harmless and indemnify the County and all of its elected and appointed officials, officers, current and former employees, agents, departments, agencies, boards, and commissions (collectively the "County Indemnitees") from and against any and all claims made by third parties for any and all losses, damages, injuries, fines, penalties, costs (including court costs and attorneys' fees), charges, liability, demands or exposure resulting from, arising out of or in any way connected with the Contractor's acts or omissions, including the acts or omissions of its employees and/or subcontractors, in performance or nonperformance of the Contract. This duty to save, defend, hold harmless, and indemnify will survive the termination of this Contract. If the Contractor fails or refuses to fulfill its obligations contained in this section, the Contractor must reimburse the County for any and all resulting payments and expenses, including reasonable attorneys' fees. The Contractor must pay such expenses upon demand by the County, and failure to do so may result in the County withholding such amounts from any payments to the Contractor under this Contract.

21. OWNERSHIP OF WORK PRODUCT

This Contract does not confer on the Contractor any ownership rights or rights to use or disclose the County's data or inputs.

All work product, in any form, that results from this Contract is the property of the County and must be provided or returned to the County upon completion, termination, or cancellation of this Contract. The Contractor will not use or allow others to use the work product for any purpose other than the performance of this Contract without the written consent of the County.

The work product is confidential, and the Contractor may neither release the work product nor share its contents. The Contractor will refer all inquiries regarding the status of any work product to the Project Officer or his or her designee. At the County's request, the Contractor will deliver all work products, including hard copies of electronic files, to the Project Officer and will destroy all electronic files.

The Contractor must include the provisions of this section as part of any contract or agreement related to this Contract into which it enters with subcontractors or other third parties. The provisions of this section will survive any termination or cancellation of this Contract.

- f) Nothing in this Business Associate Agreement shall be construed to create a partnership, joint venture, or other joint business relationship between the parties or any of their affiliates, or a relationship of employer and employee between the parties. Rather, it is the intention of the parties that Business Associate shall be an independent contractor.
- g) Nothing in this Business Associate Agreement provides or is intended to provide any benefit to any third party.
- h) The Business Associate will indemnify and hold harmless Arlington County, its elected officials, officers, directors, employees and/or agents from and against any employee, federal administrative action, or third party claim or liability, including attorneys' fees and costs, arising out of or in connection with the Business Associate's violation (or alleged violation) and/or any violation and/or alleged violation by Business Associate's workforce, agent/s, or subcontractor/s of the terms of this Business Associate Agreement, federal law, HIPAA, the HITECH Act, and/or other implementing regulations or guidance or any associated audit or investigation.

The obligation to provide indemnification under this Business Associate Agreement shall be contingent upon the party seeking indemnification providing the indemnifying party with written notice of any claim for which indemnification is sought. Any limitation of liability provisions contained in the Underlying Agreement does not supersede, pre-empt, or nullify this provision or the Business Associate Agreement generally.

This indemnification shall survive the expiration or termination of this Business Associate Agreement or the Underlying Agreement.

- i) Any ambiguity in this Business Associate Agreement shall be resolved to permit the parties to comply with HIPAA, its implementing regulations, and associated guidance. The sections, paragraphs, sentences, clauses, and phrases of this Business Associate Agreement are severable. If any phrase, clause, sentence, paragraph, or section of this Business Associate Agreement is declared invalid by a court of competent jurisdiction, such invalidity shall not affect any of the remaining phrases, clauses, sentences, and sections of this Business Associate Agreement.
- j) If any dispute or claim arises between the parties with respect to this Business Associate Agreement, the parties will make a good faith effort to resolve such matters informally, it being the intention of the parties to reasonably cooperate with each other in the performance of the obligations set forth in this Business Associate Agreement. The Dispute Resolution clause of the Underlying Agreement ultimately governs if good faith efforts are unsuccessful.
- k) A waiver with respect to one event shall not be construed as continuing or as a bar to or waiver of any other right or remedy as to any subsequent events.
- l) Neither party may assign any of its rights or obligations under this Business Associate Agreement without the prior written consent of the other party.
- m) This Business Associate Agreement and the rights and obligations of the parties hereunder shall be construed, interpreted, and enforced with, and shall be governed by, the laws of the Commonwealth of Virginia and the United States of America.

- n) This Business Associate Agreement shall remain in effect for the duration of the Underlying Agreement between the parties, any renewals, extension or continuations thereof, and until such time as all PHI in the possession or control of the Business Associate has been returned to the Covered Entity and/or destroyed. If such return or destruction is not feasible, the Business Associate shall use such PHI only for such limited purposes that make such return or destruction not feasible and the provision of this Business Associate Agreement shall survive with respect to such PHI.
- o) The Business Associate shall be deemed to be in violation of this Business Associate Agreement if it knew of, or with the exercise of reasonable diligence or oversight should have known of, a pattern of activity or practice of any subcontractor, subsidiary, affiliate, agent or workforce member that constitutes a material violation of that entity's obligations in regard to PHI unless the Business Associate took prompt and reasonable steps to cure the breach or end the violation, as applicable, and if such steps were unsuccessful, terminated the contract or arrangement with such entity, if feasible.
- p) Upon the enactment of any law or regulation affecting the use or disclosure of PHI, or any change in applicable federal law including revisions to HIPAA; upon publication of any decision of a court of the United States or the Commonwealth of Virginia, relating to PHI or applicable federal law; upon the publication of any interpretive policy or opinion of any governmental agency charged with the enforcement of PHI disclosures or applicable federal law, the County reserves the right, upon written notice to the Business Associate, to amend this Business Associate Agreement as the County determines is necessary to comply with such change, law or regulation. If the Business Associate disagrees with any such amendment, it shall so notify the County in writing within thirty (30) days of the County's notice. In case of disagreement, the parties agree to negotiate in good faith the appropriate amendment(s) to give effect to such a revised obligation. At the County's discretion, the failure to enter into an amendment shall be deemed to be a default and good cause for termination of the Underlying Agreement.
- q) The County makes no warranty or representation that compliance by the Business Associate with this Business Associate Agreement, HIPAA, the HITECH Act, federal law, or the regulations promulgated thereunder will be adequate or satisfactory for the Business Associate's own purposes or to ensure its compliance with the above. The Business Associate is solely responsible for all decisions made by it, its workforce members, agents, employees, subsidiaries, and subcontractors regarding the safeguarding of PHI and compliance with federal law.
- r) The Business Associate agrees that its workforce members, agents, employees, subsidiaries, and subcontractors shall be bound by the confidentiality requirements herein and the provisions of this Business Associate Agreement shall be incorporated into any training or contracts with the same.
- s) This Business Associate Agreement may be executed in one or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same document.
- t) This Business Associate Agreement shall replace and supersede any prior Business Associate Agreement entered between the parties.

IN WITNESS WHEREOF, each party hereto has executed this Business Associate Agreement in duplicate originals on the date below written:

(INDIVIDUAL)

I, the undersigned, agree that I will hold County provided information, documents, data, images, records, and the like confidential and secure and protect it against loss, misuse, alteration, destruction, or disclosure. This includes, but is not limited to, the information of the County, its employees, contractors, residents, clients, patients, taxpayers, and property as well as information that the County shares with my employer or prime contractor for testing, support, conversion or the provision of other services under Arlington County Agreement No. 21-DHS-EP-405 (the "Project" or "Main Agreement") or which may be accessed through County-owned or -controlled databases (all of the above collectively referred to as "County Information" or "Information").

I agree that I will maintain the privacy and security of County Information and will not divulge or allow or facilitate access to County Information for any purpose or by anyone unless expressly authorized to do so by the County Project Officer. This includes, but is not limited to, any County Information that in any manner describes, locates or indexes anything about an individual including, but not limited to, his/her ("his") Personal Health Information, treatment, disability, services eligibility, services provided, investigations, real or personal property holdings, education, financial transactions, medical history, ancestry, religion, political ideology, criminal or employment record, social security number, tax status or payments, date of birth, or that otherwise affords a basis for inferring personal characteristics, such as finger and voice prints, photographs, or things done by or to such individual, or the record of his presence, registration, or membership in an organization or activity, or admission to an institution.

I agree that I will not directly or indirectly use or facilitate the use or dissemination of information (whether intentionally or by inadvertence, negligence or omission and whether verbally, electronically, through paper transmission or otherwise) for any purpose other than that directly authorized and associated with my designated duties on the Project. I understand and agree that any unauthorized use, dissemination, or disclosure of County Information is prohibited and may also constitute a violation of Virginia or federal law/s, subjecting me and/or my employer to civil and/or criminal penalties.

I also agree that I will not divulge or otherwise facilitate the disclosure, dissemination, or access to or by any unauthorized person for any purpose of the information obtained directly, or indirectly, as a result of my work on the Project. I agree to view, retrieve or access County Information only to the extent concomitant with my assigned duties on the Project and only in accordance with the County's and my employer's access and security policies or protocols.

I agree that I will take strict security measures to ensure that County Information is kept secure; is properly stored in accordance with industry best practices, and if stored is encrypted as appropriate, and is otherwise protected from retrieval or access by unauthorized persons or for unauthorized purposes. I will also ensure that any device or media on which County Information is stored, even temporarily, will have strict security and access control and that I will not remove, facilitate the removal of or cause any information to be removed from my employer's worksite or the County's physical facility without the written authorization of the County Project Officer. If so authorized, I understand that I am responsible for the security of the electronic equipment or paper files on which the information is stored and agree to promptly return such information upon request.

I will not use any devices, laptops, PDAs, netbooks, tablets, thumb drives, or other media storage devices ("Device") during my work on the Project without pre-approval. I will ensure that any Device connected to the County network is free of all computer viruses or running the latest version of an industry-standard virus protection program. I will also ensure that my password, if any, is robust, protected, and not shared. I will not download any County Information except as authorized by the County Project Officer and then only onto a County-approved Device. I understand that downloading onto a personally owned Device or service, such as personal e-mail, Dropbox, etc., is prohibited.

I agree that I will notify the County Project Officer immediately upon discovery or becoming aware or suspicious of any unauthorized disclosure of County Information, security breach, hacking or other breaches of this agreement, the County's or Contractor's security policies, or any other breach of Project protocols concerning data security or County Information. I will fully cooperate with the County to help regain possession of any County Information and to prevent its further disclosure, use, or dissemination.

It is the intent of this *NonDisclosure and Data Security Agreement* to ensure that the highest level of administrative safeguards and best practices are in place to ensure confidentiality, protection, privacy, and security of County Information and County-networked resources and to ensure compliance with all applicable local, state and federal laws or regulatory requirements. Therefore, to the extent that this *NonDisclosure and Data Security Agreement* conflicts with the underlying Main Agreement or any local, state, or federal law, regulation, or provision, the more stringent requirement, law, regulation, or provision controls.

Upon completion or termination of my work on the Project, I agree to return all County Information to the County Project Officer. I understand that this agreement remains in full force and effect throughout my work on the Project and shall survive my reassignment from the Project, termination of the above referenced Project, or my departure from my current employer.

EXHIBIT E

HOLD HARMLESS AGREEMENT

The Contractor, **Dr. Sashi Putchakayala**, understands and acknowledges that the County normally requires all Contractors with the County to secure certain insurance coverage evidenced by a Certificate of Insurance.

The Contractor certifies that, after diligent effort, the Contractor has been unable to secure insurance coverage of the types and in the amounts that the County requires for the parties' Agreement.

Therefore, the Contractor, for himself, his heirs, representatives, successors and assigns, in consideration of the award to the Contractor by the County, and in consideration of the County's agreement not to require the Contractor to secure the insurance coverage customarily required of contractors with the County, covenants with the County and the County's successors, representatives and assigns, as follows:

1. The Contractor covenants to save, defend, hold harmless and indemnify the County, and all of its elected and appointed officials, officers, current and former employees, agents, departments, agencies, boards, and commissions (collectively the "County" for purposes of this section) from and against any and all claims made by third parties or by the County for any and all losses, damages, injuries, fines, penalties, costs (including court costs and attorney's fees), charges, liability, demands or exposure, however caused, resulting from, arising out of, or in any way connected with the Contractor's acts or omissions in performance or nonperformance of its work called for by the Contract Documents. This duty to save, defend, hold harmless and indemnify shall survive the termination of this Contract. If, after Notice by the County, the Contractor fails or refuses to save, defend, hold harmless and/or indemnify the County, the Contractor shall be liable for and reimburse the County for any and all expenses, including but not limited to, reasonable attorney's fees incurred and settlements or payments made. The Contractor shall pay such expenses upon demand by the County and failure to do so may result in such amounts being withheld from any amounts due to Contractor under this Contract.
2. The terms of this Hold Harmless Agreement shall continue in full force and effect until such time as the County in its sole discretion determines that the covenants described in paragraph 1, above, shall no longer be necessary.
3. In executing this Hold Harmless Agreement, the Contractor represents and warrants that the Contractor has completely read, fully understood, and voluntarily accepted its terms and has executed it expressly to make the covenants in favor of the County described in paragraph 1, above. In executing this Hold Harmless Agreement, the Contractor expressly reserves any and all rights that the Contractor may have against any person, firm or corporation other than the County, its successors, representatives and assigns.
