Subject: Notice of Market Rate Adjustment

Dear OKALOOSA COUNTY CLERK OF COURTS DBA OKALOOSA COUNTY CLERK,

We would like to thank you for your business and continued partnership.

After careful consideration, we are writing to inform you of a market adjustment rate increase of 42% for Brink's US services that will take effect on August 1, 2023.

We have determined that Brink's can no longer continue to service you at your current rates due to local market impacts of continued inflation, the rising cost of labor, and increased costs associated with maintaining the highest level of security protocols.

Separate from the market adjustment, an industry-standard security surcharge of 5% will be applied to all Brink's US invoices effective July 1, 2023.

Brink's remains committed to providing the highest quality products, services, and solutions in the marketplace. If you have any questions about this market rate adjustment, please click the link or paste it into your browser <https://brinks.my.salesforce-sites.com/RateAdjustmentInquiry2023> and a Brink's team member will contact you.

We appreciate your understanding and look forward to continuing to serve you.

Sincerely,
