Hey Victoria:

Good job on this contract. The only revision I have is in the insurance portion under the Limits of Liability instead of putting "1M" we need to revise it to spell out "1,000,000.00" – 1M as a Roman numeral could mean thousand so we are now starting to spell it out so that people know it is one million.

Otherwise, this is approved for legal and risk purpose. I do not need to see it again.
