Two Deputy Sheriff/Marine Units and two Deputy Sheriff/Beach Patrol/Beach Safety Units provide public safety, crime prevention, water rescue and recovery, evacuation from all hazards, as any other activities that require enforcement. Areas of coverage include all beaches and waterways. Deputy Sheriff's are the only enforcement entity for county ordinances. Overtime coverage is for the White Point Road, Spring Break details, park safety, and necessary public safety needs surrounding the beaches and waterways as needed to provide additional enforcement in the tourist districts. When required the personnel assigned to these details will conduct physical arrests for violations of Florida Statutes and prisoner transports. We will endeavor to build a coalition with Destin Fire Control District and Beach Safety to co-locate resources on each vessel to enable an all-hazards response to emergencies around Crab Island.
