- 1 person at 18th street North (group home) with housing assistance
- 4 persons at 5409 S. 3rd Street (County owned group home, no housing assistance)
- 11 persons in apartments throughout Arlington (no housing assistance)

Included is \$1,295.00 per month per client for up to **sixteen (16)** residents to cover costs not reimbursed by Medicaid Waiver funding (up to a maximum of **\$252,645.00** per year), as well as up to **\$600.00** per month per client for **one (1)** residents for housing assistance (up to a maximum of **\$7,200.00** per year).

The County will stop the monthly payments for discharged or attritioned County clients.

Clients are to pay no more than 30% of their income on housing and this must be reflected in their residential fee agreement. The current residential fee agreement must be received by Arlington County ID services in order for the contractor to bill for housing assistance.

An exception to this is made for individuals who receive Housing Grants and are responsible for paying 40% of their income on housing directly to the apartment complex.

Arlington County funds must be used in adherence to all Federal and Commonwealth of Virginia, Department of Medical Assistance Services regulations governing Home and Community-Based ID Medicaid Waiver Services.
