Good morning Amber,

This is a lease between the County and one of its former transit providers, Okaloosa County Transit (OCT). OCT no longer provides transit services for the County and has not been on the premises for years, so this lease can go into storage until such time as the public records laws allow us to dispose of it.

Please note that anything involving Transit needs to be routed to Tyrone Parker as he is the Transit Department Director. I have copied Mr. Parker on this email so he is in the loop.

Thanks,

Elliot

Good morning Elliot,

Can you look into above referenced lease?
It looks like the last amendment expired on 1-31-2020.
Please advise.
