Among other things, the CITY may take over the work and prosecute the same to completion by other agreements or otherwise; and in such case, the CONTRACTOR will be liable to the CITY for all reasonable additional costs occasioned to the CITY thereby.

(d) The rights and remedies of CITY provided for in this Section are in addition and supplemental to any and all other rights and remedies provided by law or under this Agreement.

The CITY expressly reserves the right to replace the canceled policy at CONTRACTOR's expense if CONTRACTOR fails to do so.

(d) *Termination of Insurance.* CONTRACTOR may not cancel the insurance required by this Agreement until the work is completed, accepted by the CITY and CONTRACTOR has received written notification from the Risk Management Division of the CITY that CONTRACTOR may cancel the insurance required by this Agreement and the date upon which the insurance may be canceled. offering prompt payment discounts, for example 1% - net 10, the discount shall be taken if the check issue date is within specified time period from date of invoice.

By submitting a Bid (offer) to the County of Volusia, Florida, the Contractor expressly agrees that, if awarded an Agreement, the County may withhold from any payment monies owed by the Contractor to the County for any legal obligation between the Bidder and the County including, but not limited to, real property taxes, personal property taxes, fees, and commissions.

2.11 Award Term

The County is looking to promote partnership relationships within the policies and procedures of public procurement. Pursuant toward that end, the successful Contractor(s) shall be awarded an Agreement for an initial three (3) year term with the option for two (2) subsequent one (1) year renewals. All renewals will be contingent upon mutual written agreement and, when applicable, approval of County Council.

2.12 Price Redeterminations

Once each year during the term of the Contract, including any extension or renewal periods thereof, the Contractor may, but is not obligated to, petition the Director of Purchasing and Contracts for one or more price redeterminations where such price redetermination(s) is/are necessitated by documented increases in the cost of wages, fuel, or materials. Petitions for price redeterminations shall be made within thirty (30) days of the anniversary date of the Contract (i.e., the calendar day and month when the Contract became effective) and only after the Contract has been in effect for at least one year. Any such petition shall be made pursuant to the provisions of this Section 2.12 and only for those price redetermination categories specified herein. Unless otherwise expressly set forth in this Agreement, no other price redeterminations shall be allowed. All price redeterminations, once issued, shall be prospective from the date of approval unless otherwise approved by a duly executed amendment to this Agreement.

- A. *Basis for Price Redeterminations.* The Contractor may petition the Director of Purchasing and Contracts for price redetermination based on the increased costs of wages, fuel, or materials. Price redeterminations will be based solely upon changes in pricing or costs documented by either the Employment Cost Index (ECI) or Producer Price Index (PPI), whichever is applicable, as published by the Bureau of Labor Statistics. The base index number for the ECI will be for the quarter in which the ITB opens. The base index number for the PPI will be for the month the ITB opens. Any subsequent price redeterminations will use the last price redetermination approved for that price redetermination category as the "base index number." The County shall have the right to audit the Contractor's records, including, but not limited to, payroll, materials, and fuel cost records, to verify or otherwise investigate the validity of any price redetermination request.
- B. *Wage Price Redetermination.* When requesting a price redetermination based upon an increase in wage costs, the Contractor shall refer to and utilize the Employment Cost Index, Total Compensation, Private Industry, Index Number and Occupational Group at as prepared by the Bureau of Labor Statistics in the U.S. Department of Labor <https://stats.bls.gov/data/>. The base figure will be tied to Installation, maintenance and repair occupations under the heading natural

resources, construction and maintenance occupations. Wage price redetermination increases shall be granted only by reason of wage increases associated with the Contractor's employees or subcontractors performing work or services pursuant to the Agreement.

- C. *Minimum Wage Price Redetermination.* If the minimum wage increases during the term of the Agreement, including any renewal or extension period thereunder, the Contractor may petition the Director of Purchasing and Contracts for price redetermination for those job categories where the pay to the Contractor's employee(s) is the current minimum wage. Upon verification of the information provided, the County will grant an increase of exactly the amount of the minimum wage increase (not the percentage increase). The Contractor must increase the pay to the employee(s) by the amount the Contractor has requested, which shall not exceed the amount of the minimum wage increase. The amount paid to the Contractor will be the increase plus any written and documented increase in FICA, Medicare, and Workers' Compensation insurance. The Contractor must supply written documentation of any other increase that is beyond the scope and control of the Contractor. All written documentation must satisfy the reasonable expectations of the Director of Purchasing and Contracts and Internal Auditor.
1. *Example:* Minimum wage increases from \$7.31 to \$7.56 per hour. The Contractor may petition for an increase of \$0.25 per hour to be paid to the affected employee(s) and shall provide written and documented cost increases for FICA, Medicare and Workers' Compensation. The resulting increase in costs shall be incorporated into fees/rates billed to the County.

If the Contractor bills the County at a higher price according to any price redetermination granted by the County, and the Contractor fails to increase the hourly rate paid to the employee for the same period, the Contractor will be considered in Agreement default and the Agreement will be immediately terminated.

- D. *Fuel Price Redetermination.* If/when the price of fuel increases by a minimum of ten (10%) percent, the Contractor may petition the Director of Purchasing and Contracts for a fuel price redetermination. As a condition of petitioning for a fuel price increase, the Contractor shall be required to petition for a fuel price redetermination decrease if/when the price of fuel decreases by a minimum of ten (10%) percent. Failure to make such petition may be grounds for Agreement termination and shall entitle the County to a refund of the cumulative increase in pay to the Contractor due to any prior fuel price redetermination increase(s). Fuel price redetermination must be based solely upon changes as documented by the Producer Price Index (PPI) for the commodities "Unleaded Gasoline - WPU057104" or "#2 diesel fuel - WPU057303," as such may be applicable to the Contractor's operations in connection with the Contractor's performance of the Agreement.

Example: Contractor indicated on the Submittal Form that thirty percent (30%) of the cost to provide the product/service is directly attributed to the redetermination category (wages, fuel, or materials).

| | | | |
|------------------------|---|-------|------------|
| Current applicable PPI | = | | \$200.50 |
| Base index PPI | = | | - \$179.20 |
| PPI increase dollars | = | | \$21.30 |

PPI increase percentage ($\$21.30 \div \$179.20 = .1189$).....11.9%

| | | | |
|--|---|-------|----------|
| Unit cost of the service is | | | \$100.00 |
| 30% of \$100.00 is directly attributed to the redetermination category.... | | | \$30.00 |
| \$30.00 × 11.9% | = | | \$3.57 |
| New unit price for the product/service is (\$100 + \$3.57)..... | | | \$103.57 |

- G. *Expiration Upon Failure to Agree to Price Redetermination.* If the County and the Contractor cannot agree to a price redetermination pursuant to the terms and conditions of this Section 2.12, then the Agreement will automatically expire without penalty or further expense to either party after a period of six (6) months following the Contractor's initial request for such price redetermination. Requests for price redeterminations not made in accordance with the provisions of this Section 2.12 shall be deemed null and void and shall not be a valid reason or pretext for expiration or termination of the Agreement. If the Agreement expires pursuant to the terms and conditions of this Section 2.12, the County reserves the right, at no expense, penalty, or consequence to the County, to award any remaining tasks thereunder to the next available most responsive and responsible Contractor.

In the event that a prime contractor qualifies for a preference and subcontractor qualifies for a preference, the preference shall not exceed a total of five percent (5%). Preference shall not be given to Bids where the difference of the total Bid price or quote exceeds twenty-five thousand dollars (\$25,000.00) from the nearest competing Bid price or quote for that solicitation or if a county listed in 2-269.5 does not reciprocate, as stated in 2-269.5, the County will not offer a preference to this County.

The Contractor's request shall contain substantial proof and justification to support the need for the rate adjustment. The County may request from the Contractor, and the Contractor shall provide, such further information as may be reasonably necessary in making its determination. The County shall approve or deny the request, in whole or in part, within sixty (60) days of receipt of the request and all other additional information required by the County. If Contractor desires to assign or otherwise convey its rights and/or obligations under this Agreement, Contractor shall no less than thirty (30) days prior to the assignment's proposed effective date, provide County with a written request for County's consent. Failure to provide such notice may result in the County assessing a processing fee of Five Hundred Dollars (US \$500.00); however, payment of such fee shall not entitle the Contractor to the County's acceptance or approval of its request for assignment.

- In all claims against County, no indemnification obligation shall be limited in any way by any limitation on the amount or type of damages, compensation or any benefits payable by or for Contractor, or its employees, agents, contractors, or subcontractors.

To further this policy, the county asserts its authority to debar certain vendors and contractors from participating in solicitations pursuant to the policies and procedures herein. The serious nature of debarment requires that this sanction be imposed only when it is in the public interest for the county's protection and not for purposes of punishment. Debarment is intended as a remedy in addition to, and not in substitution of, the evaluation of the responsibility of county vendors and contractors, and this policy and the procedures provided for herein shall not supplant or supersede county's authority to reject or otherwise terminate vendors or contractors based on findings of non-responsibility on a case-by-case basis. The word "shall" is always mandatory and not merely directory.

The Contractor and County Project Manager shall use reasonable efforts to arrange personal meetings and/or telephone conferences as needed, at mutually convenient times and places, to address and work toward resolution of issues that arise in performance of this Agreement and any applicable statement of Work or Services. Issues shall be escalated to successive management levels as needed.

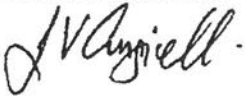

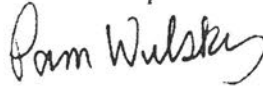

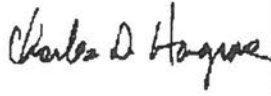

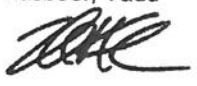

Informal Dispute Resolution. If a dispute develops between the parties concerning any provision of this Agreement, or the interpretation thereof, or any conduct by the other party under these agreements, and the parties are unable to resolve such dispute within five (5) business days or longer, that party, known as the Invoking Party, through its applicable Project Manager, shall promptly bring the disputed matter to the attention of the non-Invoking Party's Project Manager or designated representative, as the case may be, of the other party in writing ("Dispute Notice") in order to resolve such dispute.

Discovery and Negotiation / Recommended Procedures. Upon issuance of a Dispute Notice, the Project Managers or designated representative shall furnish to each other all non-privileged information with respect to the dispute believed by them to be appropriate and germane. The Project Managers shall negotiate in an effort to resolve the dispute without the necessity of any formal proceeding. If such dispute is not resolved by the Project Managers or designated representative within five (5) County Work Days of issuance of the Dispute Notice, or such other time as may be mutually allowed by the Project Managers as being necessary given the scope and complexity of the dispute, the Project Managers may, depending upon the nature, scope, and severity of the dispute, escalate the dispute as indicated below:

Formal Dispute Resolution. At any point after issuance of a Dispute Notice under this section, either party may request and initiate formal non-binding mediation before a single mediator, which mediation shall be completed within thirty (30) days of initiation or such longer time as may be agreed upon by both parties as being necessary for the mutual selection of a mediator and scheduling of such mediation. Any such mediation shall be convened and conducted in accordance with the rules of practice and procedure adopted by the Supreme Court of Florida for court-ordered mediation, Rule 1.700 et seq. of the Florida Rules of Civil Procedure, and Chapter 44, Florida Statutes. If the dispute remains unresolved after conducting such mediation, then either party may proceed to finalize any pending termination remedies and commence litigation in a court of competent jurisdiction. Each party shall bear its own costs and attorney's fees for mediation or arbitration of an issue arising under this Agreement.

Right to Terminate Reserved. Regardless of the dispute resolution procedures provided for in this Section 54, Dispute Resolution, nothing herein shall affect, delay, or otherwise preclude a party from terminating this Agreement in accordance with the provisions of Special Conditions, Termination, it being understood that these dispute resolution procedures are intended as a means of resolving disputes both during the term of this Agreement and after termination or expiration thereof.

The County reserves the right to require the "County of Volusia" be named as additional insured for projects when deemed necessary. For services performed off County premises and goods delivered by third party carriers, the Provider shall use such carriers that maintain such insurance coverage as set forth above.

Intellectual Property. Provider agrees to protect, defend, indemnify, and save the County, its agents, officials, including elected officials, and employees of the County harmless from and against any and all claims, demands, actions, and causes of action which may arise asserting that a copyright, trademark, trade secret, or patent ("Intellectual Property"), as provided under this PO or MA, infringes or misappropriates any third party's Intellectual Property. If Provider must pay a third party any license, royalty, or other such usage fee in order to deliver the item(s) under this PO or MA, such third party and usage fee must be specified in the Provider's offer to sell to the County.

Indemnification. The Contractor shall indemnify, defend and hold harmless the County and its employees, officers, elected and appointed officials, agents, attorneys, representatives, volunteers, divisions, departments, districts, and associated entities from and against all claims, damages, losses, and expenses, including, but not limited to attorney's fees, arising out of or resulting from the performance of this Agreement to the extent that any such claim, damage, loss and expense is caused by any negligent act or omission of the Contractor, anyone directly or indirectly employed by Contractor.
