Attachments: SQ2654.pdf; backup.pdf; motor info.pdf

Mr. McNeil,

Please consider this Okaloosa County's Notice to Proceed (NTP) for the replacement motor for our Okaloosa Island Booster Station Pump #3. Per your attached quote and the attached backup email, the total price will be \$4,715, which is the cost of the motor (\$4,100), plus 15% markup (per the contract).

It's possible this is the first NTP on this new contract. With that in mind, below is a list of our various points of contacts:

- Jeb Chessher – 850-978-8313 – Construction & Maintenance Manager
- Jody Harvey – 850-737-6404 – Lift Stations/Electronics Supervisor
- Mike Jackson – 850-461-9459 – Electronics Foreman
- Chris Pelfrey – 850-978-1674 – Water Operations Supervisor
- Clay Bass – 850-533-4976 – Water Operations Lead

In general, for motors related to lift station, it will be Jody or Mike coordinating with Sheppard, and for motors related to wells or booster stations, it will be Chris, Clay, or Mike coordinating with Sheppard. For contract oversight, it will be Jeb.

When work is completed, to ensure that the County makes payment as quickly as possible, please send invoices w/ backup (i.e. documentation on the catalog price or what you paid for the material/equipment) to wsinvoice@myokaloosa.com.

Chris & Mike – Please save the attached “motor info” document in your records, for future reference.

Much Thanks,
Mark

Mark Wise, P.E.
