- 3.05 Allocation and Reallocation of Ready/Return Space
  - a. The initial allocation of Ready/Return Spaces from June 1, 2021 through September 30, 2023 will be allocated based on the percentage of Operators first year MAG included in the ITB compared to the MAG of other Operators executing a Rental Car Concession Agreement and Lease with the County. Each Operator will be allocated a minimum of forty (40) Ready/Return Spaces. If an Operator Bid was for dual brand, a Minimum of twenty (20) Ready/Return Spaces must be allocated for each brand included in the Bid.
  - a. No later than sixty (60) days after September 30, 2023 and every two years of the Agreement Year thereafter through the Term of the Agreement and the Option Term, if executed, County shall reallocate Ready/Return Spaces within the Ready/Return Parking Areas if there is a market share change of ten percent (10%) or more for any Operator. Upon any reallocation pursuant to this Section 3.04, County shall provide to Operator and the other rental car operators a revised Exhibit B to this Agreement re-designating Operator's and the other rental car operators' Ready/Return Spaces. Rental payments will be adjusted for the revised number of Ready/Return Spaces effective on the date of such reallocation.

## ARTICLE 4

Operator may use the Leased Premises under this Agreement for the following purposes and for no other purpose or purposes whatsoever, unless agreed to in writing and fully executed by the parties:

- 4.01 Counter/Office Space/Counter Queue Space - Operator's Counter Space and Queue Space may be used for processing customer rental and return transactions, including the processing of rental agreements. Operator's office space may be used for general office and administrative purposes related to the operation of the rental car concession granted by County. Operator's Counter/Office Space/Counter Queue Space must be in the boundaries designated in Exhibit A.
- 4.02 Ready/Return Space - Operator's Ready/Return Space will be used for the short-term parking of Operator's authorized automobiles awaiting rental and delivery to customers and the short-term parking of said automobiles after their return and prior to their being washed, fueled and again made ready for rental.
- 4.03 Service Area - Operator's assigned space within the Service Area will be used to wash, clean and fuel Operator's authorized automobiles prior to their delivery to a Ready/Return Space for rental. In addition, each Operator may lease 112 parking spaces (56 parking spaces per brand, if co-branded) adjacent to the Service Area to store automobiles to be put in service as needed. These Service Area parking spaces may not be used for customer service rental, delivery, or return, parking. Employee parking in the Service Area will be limited to employees assigned to perform their duties in the Service Area during their active shifts only. - 4.04 Overflow Parking – Unpaved parking space may be made available for the temporary storage of excess vehicles on-site due increased inventory associated with peak demand seasonal requirements or fleet transition periods. Rental of spaces will be allowed on a month to month basis and the rate per parking position will be set at fifty percent (50%) of the applicable Ready/Return Space rate. The County reserves the right, at its sole discretion, to pave the Overflow Parking area with CFCs and make such parking spaces available for rental to all Operators.
- 4.05 No Sale or Servicing of Automobiles - Without in any way limiting the foregoing provisions, it is expressly agreed and understood by Operator that none of the above Leased Premises, or any part thereof, may be used for any purpose other than that authorized herein and that none of the Leased Premises, or any part thereof, may be used at any time to sell or offer for sale any automobile, or, except for the Service Area, for the fueling or servicing of any automobile of Operator or any other person.
- 4.06 Condition of Leased Premises
- a. Except as otherwise specified in Article 10 hereof, Operator shall be delivered the Leased Premises in an "as is" condition and without representation or warranty by

County of the condition of the same. Operator acknowledges and agrees that it has inspected the Leased Premises and agrees to accept delivery of possession as heretofore specified. Operator also acknowledges that if delivery of its Counter/Office Space/Counter Queue Space is made from that of a departing rental car operator that the condition of said space will require improvements by Operator prior to its fit-up, furnishing and installations, and Operator will be responsible for the same at its expense.

- b. County may delay delivery of possession of the Leased Premises up to thirty (30) calendar days after the Commencement Date if Operator is succeeding to the rights and Leased Premises of an unsuccessful existing rental car Operator.

## ARTICLE 5

### TERM

- 5.01 Base Term - The Base Term of this Agreement shall begin on the Commencement Date and shall expire on September 30, 2026.
- 5.02 Option Term – Upon mutual Agreement of the parties, the Agreement may be extended under the same terms and conditions an additional five (5) years provided all Operators who hold contracts with the County request in writing that the Agreement be extended an additional five (5) year period. The written request must be received within thirty (30) calendar days of September 30, 2025. The County has the option of accepting or rejecting the request at its sole discretion. The County shall provide a written response within thirty (30) calendar days of receipt of the written request to exercise the Option Term. If a written request to extend is not received by the County within the timeframe outlined, the offer will be considered rescinded, and the Agreement will expire on the termination date as detailed in Article 14. If the County rejects the written request to exercise the Option Term, the contract will expire as identified in Article 14.
- 5.03 Holding Over - If Operator remains in possession of all or any portion of its Leased Premises after the expiration or termination of this Agreement, by lapse of time or otherwise, without specific written notice from County indicating its intention to have Operator quit and vacate the Leased Premises as of that date, such holding over shall constitute the creation of a month to month tenancy, terminable by County at any time upon thirty (30) calendar days written notice to Operator. During such holdover tenancy at sufferance, Operator shall pay a Concession Fee, which is the greater of the Percentage Fee or a prorated share of the MAG applicable to its period of occupancy, plus an amount equal to twenty-five percent (25%) of the Concession Fee as a surcharge to the County.
- 5.04 Concession Transition - In the event that upon expiration or earlier termination of this Agreement Operator is not awarded a new or successor rental car concession at the Airport, it will fully cooperate with County and any successor operator in the transition of the Leased Premises to said successor operator.

## ARTICLE 6

### **CONCESSION PRIVILEGES AND OBLIGATIONS OF OPERATOR**

- 6.01 Concession Privileges Granted - County grants to Operator the following rights and privileges and Operator assumes all of the following as part of its obligation to operate a high quality, well-managed and efficiently run rental car concession from the Leased Premises and the Airport:
- a. The privilege to rent passenger-type vehicles to the public on the Airport; the privilege to offer for sale related loss and collision damage waiver protection, personal injury and accident insurance, supplemental liability, uninsured motorist, and personal effects insurance; and the privilege to offer customer services, including but not limited to, refueling services, baby car seats, cellular/digital phones, and other related rental equipment. All additional rights shall be approved in writing, fully executed by County from time to time.
  - b. Operator's rental car concession shall be operated under the following brand name(s): Alamo Rent A Car and National Car Rental, for the Term of this Agreement and the payment of the MAG shall be required throughout the Term for and dual branded Bids regardless of whether the second brand is maintained. Operator cannot change or operate additional brands at the Leased Premises or from the Airport during the term of this Agreement. Operator may substitute a brand that is under the control of the Operator during the Term of the Agreement provided the Operator provides written notice to the Airports Director with the corresponding documentation that the Operator has a controlling interest in the substitute brand and identifies the brand being replaced and the Airports Director provides written approval prior to any such substitution. If Operator shall, at any time, cease to operate the concession under the Operator's brand name(s) specified in this Section 6.01(b), then this Agreement and Operator's concession privileges at the Airport shall be subject to termination upon thirty (30) calendar days advance written notice to Operator from the County. If the Operator has designated two brands in the ITB response and reduces to one brand during the Term of the Agreement, the counter/office/queue rental rate will be adjusted accordingly to account for only one brand, provided that the Operator continues to pay the full MAG amount required, as may be adjusted from time to time in accordance with this Agreement.
  - c. Operator shall have ingress and egress to and from the Leased Premises over public roadways and such other roadways as the Airports Director may approve from time to time.
  - d. Employees may not park in Operator's assigned space in the Ready/Return

Parking Areas or Service Area. The County reserves the right to reduce the allocation of Ready/Return Parking Spaces from Operator if the spaces are used for employee parking.

- e. All rights and privileges not specifically granted to Operator in this Agreement shall be reserved to County.

6.02 Non-Exclusive Privileges - The privileges granted under this Agreement are non-exclusive. By entering into this Agreement, Operator acknowledges that County has entered into similar agreements with other rental car concession operators for similar services from on-Airport locations under similar terms. County reserves the right to enter into agreements with other companies providing rental car services from off Airport locations, if County determines that it is in its best interest to do so. County intends that any off-Airport location operators serving the Airport will have to execute an agreement with the County and to pay fees at a competitive rate that includes a premium surcharge to the County.

6.03 Operator's Obligations with Respect to the Use of the Premises

- a. In the conduct of its business, Operator covenants and agrees to restrict its activities on the Leased Premises to only those authorized by this Agreement for vehicles used in the operation Operators on airport concession and shall not use or permit the use of the Leased Premises for any other purpose, nor shall it vacate the Leased Premises prior to the termination or expiration of this Agreement unless authorized in writing in advance by County.
- b. Operator shall use the Leased Premises solely for the rental of passenger automobiles to Airport customers and the public and for the provision of services and equipment reasonably and directly associated with the rental of automobiles, as specifically authorized in this Agreement. Operator shall use the Leased Premises as efficiently as possible to maximize its rental car business on the Airport. Operator shall not use the Service Area portion of the Leased Premises for customer service activities or to service vehicles that are not based at the Airport.
- c. Except for its corporate signs approved in advance by County and except as otherwise authorized by County in writing, Operator shall not display nor shall it permit others to display any signs, brochures, racks, promotional materials or similar items on or about the Leased Premises or elsewhere within the Terminal Building or the Airport.

- e. Operator shall not conduct any activity not specifically authorized by this Article 6, or any activity which, in the sole judgment of County, conflicts with the rights granted by County to other non-rental car concessionaires or would not relate to an Airport purpose or product or service related to the conduct of the rental car concession granted.

- f. Operator shall promptly remove all damaged, destroyed or inoperable vehicles from the Leased Premises and the Airport.

#### 6.04 Standards of Service

- a. Operator shall offer for rental to the public only popular-make passenger automobiles of recent manufacture (not more than two (2) model years old). It is Operator's obligation to maintain all the vehicles offered for rental in good and safe operating order, free from known mechanical defects, and to keep the vehicles in a clean, neat, and attractive condition inside and out. Operator shall at all times maintain a sufficient number of automobiles to meet reasonably foreseeable demands of the traveling public at the Airport.
- b. Operator shall accept at least three (3) nationally recognized credit cards for payment of automobile rentals; and provide or have access to a national reservation system for its rental services at the Airport.

All personnel of Operator, while on or about the Leased Premises or elsewhere at the Airport, shall be polite, clean and neat in appearance, and appropriately attired.
- d. Operator shall not misrepresent to the public its prices or the terms and provisions of its rental agreements or those of its competitors. Operator shall comply with all applicable rules and regulations of the Federal Trade Commission and all other governmental agencies having jurisdiction over Operator's business operations. Operator shall fully inform each customer, prior to the execution of such customer's rental agreement, of all fees and charges applicable to such customer's rental. County will give advance notice to Operator that County considers a certain practice to be unlawful, deceptive or discriminatory and Operator shall have an opportunity to respond to the allegation. If County determines, after notice and opportunity for Operator to comment, that any of Operator's business practices are unlawful, deceptive, or discriminatory, Operator shall immediately cease such practices upon receipt of a written order to do so from County.
- e. Except as otherwise specifically provided for herein, and then only at such locations as may be specifically provided therefor, this Agreement and the rights herein granted do not authorize Operator or any person on its behalf to fuel, wash or service Operator's rental or lease vehicles on the Leased Premises or elsewhere at the Airport. The following level of cleaning and sanitation must be provided by operator unless agreed to in writing by the Airports Director.

Each vehicle must be thoroughly cleaned between every rental. This includes disinfecting the vehicle at return area to allow for the driving of the vehicle to the Service Area where washing, vacuuming, general wipe down, and sanitizing with a disinfectant that meets leading health authority requirements is conducted, with particular attention to more than 20-plus high-touch points including:

- f. Operator shall at all times maintain the Leased Premises and its improvements and other personal property located on the Leased Premises in a safe, clean, orderly, attractive and first-class condition satisfactory to County. Any sign or other item on the Premises which County deems to be offensive to the public shall, upon notice from County, be promptly and permanently removed from the Leased Premises by Operator. Operator shall not permit any nuisance, waste or damage to be committed on the Leased Premises or elsewhere at the Airport.
- g. In the event Operator receives (or County receives and forwards to Operator) any written complaint concerning Operator's operation of the concession, Operator shall promptly respond to such complaint in writing (but in no event later than thirty (30) calendar days of its receipt) and make a good-faith attempt to explain, resolve or rectify the cause of such complaint. Without further notice or demand, Operator shall keep a copy of each such complaint and Operator's written response for a period of one year from the date of the complaint and shall make the complaint and the written response available to County upon its request.
- h. Rental car counters shall be staffed from one hour prior to the first departure until thirty minutes after the last arrival. Counter staffing hours must be extended if there are delays in late arriving flights. In lieu of staffing the counters one hour prior to the first departure, this requirement may be waived if the Operator has an after-hours drop box readily available and clearly visible at the counter for customers to drop keys upon arrival.

- i. The management, maintenance, and operation of the concession shall at all times be under the supervision and direction of a qualified experienced full-time manager who is assigned only to VPS and who shall at all times be subject to the direction and control of Operator. Operator shall assign the manager an office on the Leased Premises and the manager shall be available during regular business hours. Operator shall at all times during the absence of the manager assign or cause to be assigned a qualified subordinate to manage the operation and to assume and be directly responsible and authorized to carry out the duties in lieu of the manager.
- 6.05 Non-Diversion of Rental Car Concession Business - Operator covenants, warrants and agrees that it will not divert business and/or Gross Receipts from Operator's rental car concession at the Airport. Diversion shall include, but not be limited to, Operator advising or suggesting to a customer or potential customer arriving at the Airport or pre-arranging a car rental prior to or upon arrival at the Airport that such customer or potential customer rent a vehicle or take delivery of a vehicle at any off-Airport location, regardless of the reason. Operator also covenants and agrees that it shall not establish, franchise, license or permit a car rental facility within a five (5) mile radius of the Airport Terminal. Any rental made by Operator or vehicle delivered by Operator, its franchisor, or any other affiliated person or entity, within said five (5) mile radius, to a customer who has deplaned from the Airport within the last forty-eight (48) hours, from whatever location, shall be deemed to be a rental transaction under this Agreement.
- 6.06 Concession Recovery Fee - Any surcharge or any amount that Operator separately states and charges its customers to recover the amount of Operator's Percentage Fee that is payable under this Agreement. Operator acknowledges that its payment to County under this Agreement is for Operator's use of facilities and grant of concession rights at the Airport, and that those payments do not reflect a fee that is imposed by County upon customers renting automobiles from Operator. Operator understands that County does not encourage nor support the practice of transferring Operator's obligation for payment of Operator's Percentage Fee due under this Agreement to its customers. Operator is prohibited from stating or implying, in writing or verbally, that the County or the Airport imposes or approves of any direct charge to its customers, including any surcharge that Operator passes on to its customers to recoup Operator's Percentage Fee. Operator is prohibited from misrepresenting to the public its prices or the terms and provisions of its rental agreement or those of its competitors, either verbally or in writing. If Operator recovers from or charges its customers the Percentage Fee, that charge shall be clearly and separately stated in writing immediately adjacent to Operator's time and mileage and other charges on the customer's rental agreement and invoice, shall not be described as a tax, and shall be no greater than twelve and 36/100<sup>th</sup> percent (12.36%) of the Gross Receipts resulting from that rental contract. Said Concession Recovery Fee shall also be included within Gross Receipts subject to the Percentage Fee under this Agreement.

7.02 Rentals - For and in consideration of the Leased Premises leased to and occupied by Operator under this Agreement, Operator shall pay County the following sums as annual Rentals:

- a. For its Counter/Office Space depicted on Exhibit A, Operator shall pay County an annual rental which is the sum that is the product of the square footage of said space and the annual rental rate. The annual rental rate is one hundred twenty five percent (125%) of the airline signatory terminal rental rate per square foot per annum. In the event Operator has co-branded space, the annual rental rate under this Agreement is one hundred fifty percent (150%) of the airline signatory terminal rate per square foot per annum.
- b. For the Ready/Return Spaces allocated to Operator pursuant to the provisions of Section 3.02 of Article 3 hereof, Operator shall pay County an annual rental which is the amount that is the product of the spaces so allocated to Operator during the Agreement Year and the rental rate for said space. The rental rate for the initial Agreement Year is \$48.1458 per space per month or \$577.75 per space per year for space in Ready/Return Area. Ready/Return Space allocated to Operator and the other rental car operators pursuant to Section 3.04 of this Agreement shall be charged at the then-applicable rate for spaces in Ready/Return Area.
- a. For the space designated as the Service Area allocated to Operator pursuant to the provisions of Section 3.03 of Article 3 hereof, and the area used to store and dispense fuel, Operator shall pay County an annual rental which is the amount that is the product of the annual rental for said Service Area and the fraction, the numerator of which is the square footage of space within said Service Area allocated to Operator during said Agreement Year and the denominator of which is the total square footage of said Service Area for said Agreement Year. The annual rental for the Service Area for the initial Agreement Year is the sum of twenty thousand four hundred forty dollars and thirty-two cents (\$20,440.32) dollars. In addition to rent for facilities, this annual amount includes the estimated cost of electric service, lighting, and sump pump service for the Service Area. Operator and the other rental car operators shall pay for water and sewerage service for the Service Area. Monthly charges for water and sewerage shall be prorated equally to Operator and the other rental car operators. The monthly charge for water and sewerage shall be the cost of said service billed to the County plus an administrative charge of fifteen percent (15%).
- b. For the space designated as Overflow Parking, the rate will be fifty percent (50%) of the applicable Ready/Return Space rate per month.

7.03 Rental Adjustments - The rental rates for Counter/Office Space/Counter Queue Space shall be adjusted annually based on one hundred twenty-five percent (125%) of the annual signatory terminal rental rate per square foot per annum.

Ready/Return Space and the Rental for the Service Area for each subsequent Agreement Year shall be the greater of the change in the CPI over the prior Agreement Year or three

and one half of one percent (3.5%) applied to the prior Agreement Year's applicable rental rates.

- 7.04 Security Charge - Operator and the other car rental operators operating from Leased Premises on the Airport shall pay the County an annual Security Charge of three hundred thousand dollars (\$300,000), one twelfth, twenty five thousand dollars (\$25,000), of which is due and payable each month based on the percentage of Ready/Return Spaces allocated to each Operator compared to the total number of Ready/Return Spaces. This rate shall be increased in an annual basis by three percent (3%). In the event that County incurs any additional cost or expense to provide security services to Operator's Leased Premises or to Operator's vehicles or customers, including but not limited to those security services directed by the Transportation Security Administration (TSA) or the FAA, Operator shall reimburse County for said additional costs upon County's invoice.
- 7.05 Customer Facility Charge (CFC) - The following provisions have been included in this Agreement to delineate Operator's obligations to collect, deposit, safeguard, account for and remit Customer Facility Charges (CFCs) collected from Operator's customers pursuant to County Ordinance No. 10-16 adopted on November 16, 2010 (the "Ordinance"). In the event of a conflict between the following provisions and the provisions of the subject Ordinance, the provisions of the Ordinance shall control.
- a. County adopted Ordinance No. 10-16 on November 16, 2010, imposing a uniform CFC of \$3.75 per rental transaction day on rental car customers at the Airport. The CFC and the Ordinance may be changed or modified by County at any time by subsequent ordinance of the County. In the event that the CFC amount is changed by the County, any such change shall be sent to Operator and substituted as an Amendment to this Agreement not requiring execution by the Operator and County.
  - b. Operator shall charge, collect, deposit, safekeep, remit and account for the CFCs required to be collected by the Ordinance at the times required therein (regardless of whether such amounts are actually collected). Operator shall not be entitled to any right of offset or otherwise to reduce CFC payments required herein. Operator shall remit all CFCs imposed regardless of any amounts that may be owed or due to the Operator by County.
  - c. All CFCs collected by Operator shall be held in trust for the benefit of County and remitted to the County on a monthly basis along with detailed breakdown of the calculation of the amount due. Operator shall have only a possessory interest and not an equitable interest in CFC collections and revenue.
- 7.07 Agreement Security - In order to secure its performance under this Agreement, Operator shall comply with the following Agreement Security requirements:
- a. In order to guarantee the timely payment of all payments due by Operator under this Agreement, and to guarantee Operator's performance under this Agreement, Operator shall provide County, an Agreement Security in the form of an irrevocable standby letter of credit or performance bond in an amount equal to one hundred percent (100%) of Operator's Agreement Year Minimum Annual Guarantee to be remitted to County during the first Agreement Year. For the period from June 1,

2021 through September 30, 2021, the amount shall be the pro ration of the first Agreement Year projected amount. This Agreement Security shall be updated, based on the foregoing requirements, as to amount and renewed at least thirty (30) days prior to each Agreement Year. This Agreement Security shall be extended, or a new Agreement Security provided, to remain in effect for the twelve (12) months immediately following expiration or termination of this Agreement. Said Agreement Security shall be with a bank or financial institution approved by County's legal counsel and authorized to do business in the State of Florida.

- b. If Operator shall fail to make any payment due County or shall commit an event of default under this Agreement, County shall have the unqualified right to use such Agreement Security to pay any amount owed to County by Operator then due and payable or to apply the proceeds thereof to any cost or expense or damages incurred by County as result of Operator's default. In the event that any such Agreement Security or portion thereof is utilized, Operator shall replenish or provide a renewal or replacement Agreement Security within ten (10) calendar days of being notified so to do by County. County's rights under this Section 7.07 shall be in addition to all other rights and remedies provided to County under this Agreement.

7.08 Abatement of Minimum Annual Guarantee - If for any month during the term of this Agreement the number of Deplaned Passengers at the Airport is less than sixty percent (60%) of the Deplaned Passengers for the same month during the prior year, the Minimum Annual Guarantee payment for said month shall be suspended and Operator shall pay the Percentage Fee as its Concession Fee for said month. In the event that Operator's possession of the Leased Premises and rights to operate under this Agreement commence other than on the Commencement Date or expire or terminate, other than for a termination for Operator's default hereunder, at any time other than at the end of an Agreement Year, the Minimum Annual Guarantee shall be adjusted pro rata for the actual number of days Operator was in possession of the Leased Premises during said Agreement Year. Notwithstanding this paragraph or any other provision of this Agreement, County shall have the right to reimburse itself from the CFCs, when and if CFCs are available for such reimbursement, for any abatement of Minimum Annual Guarantee.

7.09 Minimum Annual Guarantee Annual Adjustments – Operator shall pay the Minimum Annual Guarantee submitted from October 1, 2021 through September 30, 2022. During each subsequent Agreement Year of Term of the Agreement, Operator shall pay the greater of the previous year's Minimum Annual Guarantee payment or eighty five percent (85%) of the Percentage Fee due the County in the previous Agreement Year. In no case during the Term of the Agreement, shall the annual payment to the County during any Agreement Year be less than the Minimum Annual Guarantee for the initial Agreement Year of this Agreement.

7.10 Additional Rent - If County has paid any sum or sums or has incurred any obligation or expense for which Operator has agreed to pay or reimburse County, or if County is required or elects to pay any sum or sums or insure any obligations or expense by reason of the failure, neglect, or refusal of Operator to perform or fulfill any one or more of the conditions, covenants and undertakings contained in this Agreement, Operator agrees to pay such sums or expenses, including all interest, costs, damages, and penalties, and agrees that the same shall be added to the next installment of rents due hereunder, and

each and every part of the same shall be and become additional rents, recoverable by County in the same manner and with like remedies as if originally a part of the Rentals, Fees and Charges set forth in Sections 7.02 through 7.06 hereof. Notwithstanding this paragraph or any other provision of this Agreement, County shall have the right to reimburse itself from the CFCs, when and if CFCs are available for such reimbursement, for any additional rents not otherwise paid to County.

- 7.11 Taxes and Assessments - Operator shall pay all taxes, including any possessory interest tax, sales tax on payments made to the County subject to sales tax, any applicable payment in lieu of taxes, assessments, and charges of a like nature, which at any time during the term of this Agreement may be levied or become a lien by virtue of any levy, assessment, or charge by the Federal Government, the State of Florida, Okaloosa County, or any other municipal corporation or other local government entity having jurisdiction over the Airport, any government successor in authority to the foregoing, or any other tax or assessment levying bodies, in whole or in part, upon or in respect to any of Operator's Leased Premises, Concession Fees, Rentals, Security Charges, CFCs, and any other amount payable under this Agreement, or upon or in respect to any personal property belonging to Operator situated on the Leased Premises. Payment of such taxes, assessments and charges, when and if levied or assessed, shall be made by Operator directly to the taxing or assessing authority charged with collection thereof. County shall timely forward to Operator any assessment or tax notice received by County and payable by Operator.
- 7.12 License and Permit Fees - Operator shall also pay all fees associated with any and all licenses, permit, certificates and other authorizations required by any governmental authority in connection with the operations or activities performed by Operator under this Agreement.
- 7.13 Operator's Rights to Contest - Operator may, at its own expense, contest the amount or validity of any tax or assessment, or the inclusion of the Leased Premises, this Agreement or the Concession Fees, Rentals, Security Charges, CFCs, or any other payment under this Agreement as taxable or assessable property, directly against the taxing or assessing authority and Operator shall not be deemed to be in default under this Agreement for failure to pay any such tax or assessment pending the outcome of any such contest proceedings. County reserves the right to require Operator to provide such security as County's legal counsel determines necessary to assure that the tax and any costs related to the tax contest are promptly discharged upon final determination of said tax contest adverse to Operator.
- 7.14 Payments and Terminations - Upon the termination or expiration of this Agreement, all lawful taxes then levied or a lien upon any such property or any taxable interest under this Agreement, including the Leased Premises, this Agreement, or any Concession Fees, Rentals, Security Charges, CFCs, or any other payments hereunder shall be paid in full by Operator forthwith, or as soon as a statement thereof has been issued by the tax collector if termination occurs during the interval between attachment of the lien and issuance of a statement.

Said statement shall set forth the Gross Receipts, by component thereof as presented in the Certified Statement attached as Exhibit E, and the calculation of the Concession Fee for the Agreement Year as defined under this Agreement. If any such statement discloses that additional sums are due County, Operator shall pay to County such additional sums with the submission of said statement to the Airports Director.

At the time of submission of said statement, County shall also recalculate Operator's Concession Fee for the Agreement Year. If Operator has paid more than the greater of eleven percent (11%) of Gross Receipts and the Minimum Annual Guarantee for the Agreement Year, the excess amount shall be refunded to Operator by County.

County shall have the right to rely on said certified reports in determining Operator's Concession Fees due hereunder. Operator shall have full responsibility for the accuracy of said reports. Late payments and payment deficiencies due to incomplete or inaccurate reports to County shall be subject to the late payment and late penalty charges as set forth in Section 8.03 hereof. The acceptance by County of any Operator payment shall not preclude County from verifying the accuracy of Operator's reports or computations, or from recovering any additional payment actually due from Operator. 8.07 Operator's Records

If an audit conducted by County or at County's direction discloses an under reporting of Gross Receipts by two percent (2%) or more for any twelve (12) month period, Operator shall reimburse County for the full cost of the audit, interest calculated in accordance with Section 8.03, any applicable legal fees and expenses and shall pay a penalty of ten percent (10%) of the under reported Concession Fee.

Within ten (10) calendar days of said notice, Operator shall provide such security, in such form and amount as is reasonably satisfactory to County's legal counsel. The acceptance by County of payment for any period or periods after a default or violation of any of the terms, conditions, and covenants of this Agreement shall not constitute a waiver or diminution of, nor create any limitation upon any right of County pursuant to this Agreement to terminate this Agreement for subsequent violation or default, or for continuation or repetition of the original violation or default.
- 14.11 Agreement to Pay Attorneys' Fees and Expenses - When an event of default by Operator has occurred and County retains attorneys (or uses the services of County counsel) or incurs other costs and expenses for the collection of Concession Fees, Rentals, Security Charges, CFCs or other payments due hereunder, or for the enforcement or performance or observance of any covenant or obligation or agreement on the part of Operator herein contained, and if County is successful in obtaining judgment against Operator, or in obtaining a settlement with Operator, Operator shall pay to County the fees and expenses of such attorneys and such other costs and expenses incurred by County in taking such action.

If any transfer prohibited by Section 15.01 or Section 15.05 shall occur without authorization of County and County collects Concession Fees, Rentals, Security Charges, CFCs and any other payments due County under this Agreement from any purported assignee, sublessee or transferee of Operator and applies the net amount collected in the manner described in the preceding sentence, such actions by County shall not be deemed to be a waiver of the covenant contained in Section 15.01 or Section 15.05 or constitute acceptance of such assignee, sublessee or transferee by County or release Operator from this Agreement or any of its obligations hereunder.
- 15.05 Change of Control - Any other provision of this Article 15 or any other provision of this Agreement notwithstanding, any transfer in control of Operator's entity structure, whether by action of Operator or by operation of law, shall likewise require approval and consent of County pursuant to Section 15.01 hereof. Without limiting the generality of the foregoing, for purposes of this Agreement, the transfer of forty percent (40%) or more of Operator's stock (if a corporation) during any 12-month period shall constitute a change in control. Any transfer of control not so authorized shall be a violation of the covenants of Section 15.01 enabling County to exercise any and all rights of County under Section 15.04.

This reservation of air navigation rights is with respect to County's operations authorized under its joint use agreement with the United States of America.

16.04 Nondiscrimination - To the extent that the following provisions are applicable to Operator's Leased Premises or activities at the Airport and the inclusion of such provisions is required by law, grant agreement or contract, Operator agrees to observe and comply with said provisions:

- a. Operator agrees that in the operation of its rental car concession at the Airport, it shall not discriminate against any person by reason of sex, race, color, religion, national origin, disability or handicap in the use of any of the facilities provided for the public at the Airport.
- b. Operator, for itself, its successors in interest and assigns, as a part of the consideration therefor, does hereby covenant and agree, as a covenant running with the land, that in the event facilities are constructed, maintained or otherwise operated on the property described in this Agreement for a purpose for which a Department of Transportation program or activity is extended or for another purpose involving the provision of similar services or benefits, Operator shall maintain and operate such facilities and services in compliance with all other requirements imposed pursuant to Title 49, Code of Federal Regulations, Department of Transportation

Effectuation of Title VI of the Civil Rights Act of 1964, and as said Regulations may be amended.

In the event of the breach of any of the above nondiscrimination covenants, County shall have the right to terminate this Agreement and to reenter and repossess the Leased Premises and the facilities thereon, and hold the same as if said Agreement had never been made or issued. Unless precluded by the provisions of the above assurance or regulation, County shall follow the notice and termination provisions contained in Article 14 of this Agreement.

- c. Operator, for itself, its successors in interest and assigns, as a part of the consideration therefor, does hereby covenant and agree, as a covenant running with the land, that:
  1. No person on the grounds of sex, race, color, religion, national origin or handicap shall be excluded from participation in, denied the benefits of, or be otherwise subjected to discrimination in the use of said facilities;
  2. In the construction of any improvements on, over, or under such land and the furnishings of services thereon, no person on the grounds of sex, race, color, religion, national origin or handicap shall be excluded from participation in, denied the benefits of, or otherwise be subjected to discrimination
  3. Operator (whether a grantee, licensee, lessee, permittee, etc.) shall use the Leased Premises in compliance with all other requirements imposed by or pursuant to Title 49, Code of Federal Regulations, Department of Transportation, Subtitle A, Office of the Secretary, Part 21, Nondiscrimination in federally-assisted programs of the Department of Transportation-Effectuation of Title VI of the Civil Rights Act of 1964, and as said Regulations may be amended.

In the event of the breach of any of the above nondiscrimination covenants, County shall have the right to terminate this Agreement and to reenter and repossess the Leased Premises and the facilities thereon, and hold the same as if said Agreement had never been made or issued. Unless precluded by the provisions of the above assurance or regulation, County shall follow the notice and termination provisions contained in Section 14 of this Agreement.

- d. Operator assures County that it shall undertake an affirmative action program if required by Title 14, Code of Federal Regulations, Part 152, Subpart E, to ensure that no person shall, on the grounds of sex, race, color, religion, national origin, or handicap, be excluded from participating in any employment activities covered in Title 14, Code of Federal Regulations, Part 152, Subpart E. Operator assures that no person shall be excluded on these grounds from participating in or receiving the services of any program or activity covered by said Subpart E. Operator assures that it will require that its covered suborganizations to provide assurances to Operator that they similarly shall undertake an affirmative action program and that they shall require assurances from their suborganizations, if and as required by Title 14, Code of Federal Regulations, Subpart E, to the same effect. Operator assures that it shall

furnish to the United States government or County, if and as required by law, any and all documents, reports, and records, including, but not limited to, an affirmative action plan, Form EEO-1, the submission of which are required by Title 14, Code of Federal Regulations, Part 152, Subpart E.

- 16.05 Accessibility of Physically Handicapped - To the extent the requirements of Section 504 of the Rehabilitation Act of 1973, 49 CFR Part 27, and Titles II and III of the Americans with Disabilities Act of 1990 apply to the Leased Premises and Operator's facilities thereon or the operation and/or construction or acquisition of any improvement, equipment or facilities by Operator on the Leased Premises or the Airport or any part thereof, such improvement and equipment shall be provided and improvement and facilities shall be designed, constructed, and operated, so that the improvement, equipment or facility is accessible to and usable by handicapped persons. To assure such design, construction and use, Operator will design and construct the improvement, equipment or facility in accordance with the Uniform Federal Accessibility Standards ("UFAS") and/or the American National Standards Institute "Standard Specifications for Making Buildings and Facilities Accessible to, and Usable by, the Physically Handicapped" (ANSI A 117.1 1961 [R-1971]), as applicable, which standards are incorporated herein and made a part of this Agreement.
- 16.06 Disadvantaged Business Enterprise Program - In the event that Operator is not certified by County as a Disadvantaged Business Enterprise, Operator shall, to the extent possible, use or obtain the services, goods and products, including its vehicle fleet, from Disadvantaged Business Enterprises (DBEs) as defined in 40 CFR Part 23, and as certified by County or by the Florida Department of Transportation acting on behalf of County, in the conduct of its business and operations at the Airport; in order to enable it to achieve the DBE goal included within its bid to County. Operator agrees that for each year during this Agreement, Operator will make a good faith effort to purchase services, goods and products from DBEs in aggregate which will equal or exceed Operator's goal for each Agreement Year under this Agreement as set forth on Exhibit F attached hereto. In order to ensure compliance with the foregoing DBE requirement, Operator agrees to the following:
- a. Within sixty (60) calendar days after award of this Agreement by County, and by October 1 of each succeeding Agreement Year of the term, Operator will furnish to County's DBE Officer at the Airport the final program it will be utilizing during the next twelve-month period to achieve its DBE goal, including the names and certifications of the DBEs it plans to utilize. Only those firms which have been certified as DBEs under the County's or FDOT's program may be counted toward the DBE goal. If a DBE must be replaced for any reason, Operator agrees that it will be replaced with another DBE or, if not replaced with a DBE, Operator shall demonstrate to County it made a good faith effort to do so.
  - b. Within ninety (90) calendar days after the end of each Agreement Year and by November 20th of each succeeding Agreement Year of the term, Operator will furnish County with a report certified by an officer of Operator's corporation, showing Operator's total Gross Receipts at the Airport for said Agreement Year and Operator's total purchase of services, goods and products for business at the Airport during that twelve (12) month period, and the percentage of such purchases made from DBEs, and the exact amount paid to each DBE, by name. Additional

information to be provided to the Airport includes: DBE contact information (name, address, phone number, etc.) as well as race/gender information as denoted in 49 CFR Part 23. Each DBE's certification shall also be referenced in said report.

- c. Should the report show that Operator did not meet its goal, then Operator shall also furnish with the report a detailed description as to why it was not met, along with documentation of its good faith efforts.
  - d. If Operator fails to meet the established goal for any Agreement Year and fails to demonstrate good faith efforts to meet the goal, then Operator shall be in default under this Agreement.
- 16.07 DBE Assurance - Operator shall comply with the following assurances required by Title 49, Part 23 of the Department of Transportation Regulations ("49 CFR Part 23"):
- a. This Agreement is subject to the requirements of the U.S. Department of Transportation's regulations, 49 CFR Part 23. The Operator, concessionaire or contractor, agrees that it will not discriminate against any business owner because of the owner's race, color, national origin, or sex in connection with the award or performance of any concession agreement, management contract, or subcontract, purchase or lease agreement, or other agreement covered by 49 CFR Part 23.
  - b. The Operator, concessionaire or contractor agrees to include the above statements in any subsequent concession agreement or contract covered by 40 CFR Part 23 that it enters and cause those businesses to similarly include the statements in further agreements.
- 16.08 Passenger Facility Charge Regulation - To the extent that the provisions of 14 CFR Part 158 (the "Passenger Facility Charge Regulation") or any assurance issued pursuant thereto is or becomes applicable to the Leased Premises or Operator's activities under this Agreement, Operator agrees to comply with the requirements of said Passenger Facility Charge Regulation and any applicable assurance issued pursuant thereto.
- 16.09 Prohibition Against Exclusive Rights - It is hereby specifically understood and agreed that nothing herein contained shall be construed to grant or authorize the granting of an exclusive right to provide rental car services to the public, and County reserves the right to grant to others the privileges and right of conducting any or all activities related to the operations of a rental car concession.
- 16.10 Government Inclusion - Operator covenants and agrees that this Agreement shall be subordinated to the provisions of any existing or future agreement between County and the United States Government, including the County's agreements with the United States Air Force relative to the operation and maintenance of the Airport, the execution of which has been or will be required as a condition precedent to the granting of federal funds for the development of the Airport or the continued operation or certification of the Airport.
- 16.11 Compliance with Environmental Laws - Operator covenants, represents, and warrants that in conducting any activity or business on the Leased Premises or at the Airport, or in conducting any operation or performing any work pursuant to this Agreement, Operator

shall comply with all applicable Environmental Laws. Operator further covenants, represents and warrants that:

- a. Operator shall obtain and maintain all Environmental Permits required for it to conduct its activities and business on the Leased Premises and at the Airport.
- b. At County's request, Operator shall make available to County for inspection and copying, upon reasonable notice and at reasonable times, any and all documents and materials which Operator prepared or had prepared with respect to or pursuant to any Environmental Law or Environmental Permit, or which Operator submitted or had submitted to any governmental agency, which documents or materials relate to environmental issues, Environmental Laws or Environmental Permits, pertain to the Airport or the Leased Premises, and would be discoverable in litigation.
- c. County and its representatives shall have access to the Leased Premises upon prior notice to inspect the same in order to determine if Operator is using the Leased Premises in accordance with all Environmental Laws and Environmental Permits. Operator agrees to fully cooperate with any such inspections, provided that such inspections shall not unreasonably interfere with Operator's operations. Upon receipt of written notification of noncompliance or upon assertion of a claim by a third party, and at the request of County, Operator shall conduct such testing and analysis as County deems reasonable to ascertain whether Operator is using the Leased Premises in compliance with all Environmental Laws and Environmental Permits. Any such tests shall be conducted by qualified independent experts chosen by Operator, but who shall be subject to County's approval, which shall not be unreasonably withheld. Operator shall provide to County copies of all reports prepared by such experts within a reasonable time after Operator receives each such report.
- d. If Operator fails to comply with any Environmental Law or Environmental Permit or if Operator fails to commence immediate corrective action or required remediation, County may, in addition to the rights and remedies described elsewhere in this Agreement and any other rights and remedies otherwise available to County, enter the Leased Premises and take all reasonable and necessary actions, at Operator's expense, to ensure such compliance with the Environmental Law or Environmental Permit.
- e. In the event of any release or threatened release of Hazardous Materials caused by Operator or any of its agents, employees, invitees, licensees, contractors, or subcontractors, and which is required by an applicable Environmental Law or County Rule or Regulation to be reported by Operator, whether as a result of negligent conduct or otherwise, at, on, under or about the Leased Premises or the Airport, or in the event any claim, demand, complaint, or action is made or taken against Operator that pertains to the environment at the Leased Premises or the Airport, or if Operator receives any notice pertaining to Operator's failure or alleged failure to comply with any Environmental Law or Environmental Permit, Operator shall promptly notify County of all known facts pertinent to such release, threatened release, claim, demand, complaint, action, or notice, and shall provide County with a copy of each such claim, demand, complaint, notice, and action. If Operator is required by any Environmental Law, Environmental Permit, or governmental

agency to file any notice or report of a release or threatened release of Hazardous Materials at, on, under or about the Leased Premises or the Airport, Operator shall simultaneously provide a copy of such notice or report to County.

- f. Operator shall undertake all necessary steps to remedy and remove any environmental pollution, contamination, condition, or damage to the extent caused by or resulting from the activities, conduct or presence of Operator or any of its agents, employees, invitees, licensees, contractors, or subcontractors on the Leased Premises or at the Airport, whether resulting from negligent conduct or otherwise, as determined by the appropriate governmental agency to be necessary to reasonably protect the public health or safety to the extent required by applicable law, or to bring the Leased Premises or the Airport into compliance with all Environmental Laws and Environmental Permits. Such work shall be performed at Operator's expense. Except in the event of an emergency, such work shall be after Operator submits to County a written plan for completing such work and receives the prior approval of County, which shall not be unreasonably withheld. County shall have the right to review and inspect all such work at any time using consultants and representatives of its choice. The actual cost of such review and inspection shall be paid by Operator. Specific cleanup levels for any environmental remediation work Operator performs shall be designed to meet and satisfy the requirements of all applicable Environmental Laws and Environmental Permits. Operator warrants that all work performed pursuant to this Agreement shall be performed in accordance with all Environmental Laws and Environmental Permits, specifically including without limiting the generality of the foregoing any applicable National Emission Standards for Hazardous Air Pollutants (NESHAP), 40 C.F.R. 61.145.
- g. Notwithstanding the obligations imposed on Operator in Paragraph (f) of this Section of the Agreement, County and other Federal, state, and local agencies having jurisdiction shall at all times have the right, should Operator fail to respond to a notification, after a specified cure period, if any, or immediately if necessary to mediate further contamination, to take any and all actions as they may individually or collectively deem appropriate to cease, contain, investigate, remediate, and otherwise respond to a condition which results from, causes, or threatens to cause environmental pollution, contamination, or damage at, under or about the Leased Premises or the Airport. Operator agrees to cooperate with any and all such actions.
- h. County shall not be responsible to Operator or any of its agents, employees, invitees, licensees, contractors, or subcontractors for any environmental condition in existence on the Leased Premises or at the Airport, which condition may interfere with Operator's business or other operations or activities, or which might otherwise cause damage to Operator through loss of business, destruction of property, or injury to Operator, its owners, directors, officers, agents, employees, customers, clients, vendees, invitees, concessionaires, or licensees, except to the extent that any such condition is directly caused by County or its employees.

16.12 Operator's Environmental Indemnity -With respect to Environmental Laws and Environment Permits, Operator agrees as follows:

- a. Without in any way limiting Operator's obligations under Article 13 hereof, Operator shall assume the risk of, be responsible for, protect, defend, indemnify and hold harmless County and its past, present and future officers, the members of the Board of County Commissioners, the employees and agents of County, and each of them, including without limitation the Airports Directors of County, and shall hold each and all of them harmless at all times from and against any and all losses, claims, liabilities, damages, costs, and expenses, including reasonable attorney's fees, which may be incurred in connection with any actual, threatened, or potential environmental pollution, contamination, condition, or damage to the extent caused by or resulting from any activity, conduct, or presence of Operator or any of Operator's directors, officers, agents, contractors, subcontractors, or employees at the Airport or from Operator's failure to comply with any Environmental Law or Environmental Permit.
- b. All rights and remedies of County as provided in this Agreement with regard to environmental pollution, contamination, damage, or any actual or threatened violations of any Environmental Law or Environmental Permit shall be deemed cumulative in nature; and County's right to indemnification as provided under this Section shall survive the termination of this Agreement."

16.13 Stormwater - Operator shall comply with the following provisions with respect to stormwater management at or from the Airport:

- a. Notwithstanding any other provisions or terms of this Agreement, Operator acknowledges that certain properties within the Airport, or on County-leased land, are subject to stormwater rules and regulations. Operator agrees to observe and abide by such stormwater rules and regulations as may be applicable to the Airport property and uses thereof.
- b. County and Operator will cooperate to ensure compliance with any stormwater discharge permit terms and conditions, as well as to ensure safety and to minimize cost of compliance. Operator acknowledges further that it may be necessary to undertake such actions to minimize the exposure of stormwater to "significant materials" generated, stored, handled, or otherwise used by Operator, as such term may be defined by applicable stormwater rules and regulations, by implementing and maintaining appropriate and relevant "best management practices" as that term may be defined in applicable stormwater rules and regulations.
- c. County will invite Operator to participate in discussions with the Florida EPA, the United States of America EPA, or the United States Air Force regarding discharge permit requirements and shall provide Operator with written notice of any stormwater discharge permit requirements applicable to Operator and with which Operator will be obligated to comply from time to time, including certification of non-stormwater discharges; collection of stormwater samples; preparation of stormwater pollution prevention or similar plans; implementation of best management practices; and maintenance of necessary records. Such written notice shall include applicable deadlines. Operator agrees to undertake, at its expense, unless otherwise agreed to in writing between County and Operator, those stormwater permit requirements for which it is reasonably responsible and for which it has received written notice from County and which are applicable exclusively to

Operator, and Operator agrees that it will hold harmless and indemnify County for any violations or non-compliance by Operator with any such permit requirements for which it has undertaken.

Re: Management and Operation of a Non-Exclusive Rental Car Concession at the Destin-Fort Walton Beach Airport (VPS) ITB AP 29-21

Dear Mr. Hyde,

The undersigned, on behalf of Enterprise Leasing Company – South Central, LLC d/b/a Alamo Rent A Car and National Car Rental (“Bidder”), is pleased to submit for your consideration our proposal for the rental car concession at Destin-Fort Walton Beach Airport.

Enterprise Holdings, Inc., the parent company of Bidder, and its affiliate Enterprise Fleet Management together offer a total transportation solution. With annual revenues of over \$25.9 billion, Enterprise Holdings and its affiliates own 2 million cars and trucks, making Enterprise Holdings the largest car rental service provider in the world measured by revenue and fleet. Enterprise Holdings – through its integrated global network of independent regional subsidiaries and franchises – operates the Alamo Rent A Car and National Car Rental brands.

Enterprise Holdings has been profitable every year since it was founded in 1957, has the lowest debt-to-equity ratio and is the only investment-grade company in the U.S. car rental industry. In total, the annual revenues of Enterprise Holdings and Enterprise Fleet Management rank near the top of the global travel industry, ahead of many airlines and most cruise lines, hotels, tour operators and online travel agencies. These combined revenues make Enterprise Holdings one of the largest private-held companies in the U.S. and, if it were a public company, Enterprise Holdings would rank on Fortune's list of the 500 largest American public companies.

Founded in 1947, National Car Rental is a premium, internationally recognized brand serving the daily rental needs of the frequent airport business traveler throughout North America, Central America, South America, the Caribbean, and Europe, as well as parts of Asia-Pacific and the Middle East. National Car Rental helped pioneer the corporate-account business in the 1970s and then introduced the car rental industry's first comprehensive frequent-renter program, Emerald Club, in 1987. For nearly 35 years, Emerald Club has been expediting the car rental process for time-sensitive corporate travelers with more than 1.4 million active members and has become the standard of excellence in the travel industry for loyalty programs.

Founded in 1974, Alamo Rent A Car is a value-oriented, internationally recognized brand, serving the daily rental needs of airport leisure travelers. Alamo Rent A Car offers low rental rates and a fun, hassle-free customer experience at the most popular travel destinations throughout North America, Central America, South America, the Caribbean, and Europe, as well as parts of Asia-Pacific and the Middle East. Alamo Rent A Car also is the largest car rental provider to international travelers visiting North America.

Bidder considers customer satisfaction a top priority in conducting business. In fact, the Enterprise Holdings family of brands ranked within the top five spots in the J.D. Power and Associates North American Rental Car Satisfaction Study<sup>SM</sup> the last eight years in a row. The study surveys leisure and business travelers who rented vehicles at North American airports.

Bidder wishes to acknowledge its commitment to execute the Rental Car Concession Agreement and Lease, if selected, and further acknowledges receipt of all issued addenda to the Invitation to Bid. Should you need any additional information or clarification of any aspect of this proposal, please do not hesitate to contact the undersigned at 205-823-4599.

We look forward to a successful business relationship and the opportunity to continue our service at the Destin-Fort Walton Beach Airport.

## **Attachment IV.F** **Vehicle Sanitation**

In addition to cleaning every vehicle before it goes out on rent, vehicle interiors must also be sanitized with a disinfectant, cleansed of not only dirt and debris but also germs and contaminants.

Sanitizing occurs after the interior has been vacuumed and prepared for rental. It involves both cleaning and using a disinfectant and can be completed as either a two- step or one-step process, depending on the type of cleaning products you are using. In the two-step process, the vehicle interior is cleaned with a general-purpose cleaner or warm, soapy water and then further sanitized with a disinfectant. In the one-step process, the vehicle interior is cleaned and sanitized using a disinfectant cleaner.

Disinfectant cleaners are designed to both clean and disinfect at the same time. Check the label on the disinfectant to confirm that it is a disinfectant cleaner. When using any disinfectant spray, allow the sprayed surface to dry. To ensure appropriate social distancing, be sure only one employee sanitizes the vehicle interior. Clean and apply disinfectant to the following surfaces from the center of the vehicle out towards the doors.

- Dashboard and vents
- Accessory panel and touchscreen
- Steering column and wheel
- Instrument panel
- Gearshift
- Cup holders
- Center console and compartments
- Visor mirrors and rearview mirror
- Windshield
- Trunk release
- Seats
- The area between the center console and seats
- Seat belts
- The area between doorjamb and seats
- All doors, door pockets, and door handles
- All windows, other high-touch areas, and sunroof, if applicable. Spot-clean glass surfaces to remove any streaks.

When finished, all key areas of the vehicle interior should be sanitized with a disinfectant, in keeping with the [Complete Clean Pledge](#) – see following page.

“Registered in the System for Award Management (SAM) database” means that.

(1) The Offeror has entered all mandatory information, including the unique entity identifier and the EFT indicator, if applicable, the Commercial and Government Entity (CAGE) code, as well as data required by the Federal Funding Accountability and Transparency Act of 2006 (see subpart 4.14) into the SAM database;

The Offeror also shall enter its EFT indicator, if applicable. The unique entity identifier will be used by the Contracting Officer to verify that the Offeror is registered in the SAM database.

(c) If the Offeror does not have a unique entity identifier, it should contact the entity designated at www.sam.gov for establishment of the unique entity identifier directly to obtain one. The Offeror should be prepared to provide the following information:

2. The certification in this clause is a material representation of fact upon which reliance was placed when this transaction was entered into. If it is later determined that the prospective lower tier participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, the department or agency with which this transaction originated may pursue available remedies, including suspension or debarment.
3. The prospective lower tier participant shall provide immediate written notice to the person(s) to which this proposal is submitted if at any time the prospective lower tier participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.
