The Contract Documents set forth the entire agreement between the County and the Contractor. The County and the Contractor agree that no representative or agent of either party has made any representation or promise with respect to the parties' agreement that is not contained in the Contract Documents. The Contract Documents may be referred to below as the "Contract" or the "Agreement".

2. SCOPE OF WORK

The Contractor agrees to perform the services described in the Contract Documents (the "Work"). Nothing in the Contract Documents limits the Contractor's responsibility to manage the details and execution of the Work.

Provide a nationwide network of Board-certified physicians who will review medical records, perform in-person medical evaluations, provide a report of their findings and complete the County's disability form (see Attachments A and B). At a minimum, the network must include psychologists, psychiatrists and physicians and surgeons in the following areas: orthopedics, neurology, ophthalmology, cardiology, oncology, pulmonology, urology and nephrology.

2. Termination for Breach or Default. If the County terminates the Contract for default or breach of any Contract provision or condition, then the termination will be immediate after notice of termination to the Contractor (unless the County provides for an opportunity to cure), and the Contractor will not be permitted to seek termination costs.

Upon any termination pursuant to this section, the Contractor will be liable to the County for costs that the County must expend to complete the Work, including costs resulting from any related delays and from unsatisfactory or non-compliant work performed by the Contractor or its subcontractors. The County will deduct such costs from any amount due to the Contractor; or if the County does not owe the Contractor, the Contractor must promptly pay the costs within 15 days of a demand by the County.
