The Bidder will be contacted prior to the opening of the Bid and a determination will be made as to whether or not it is exempt prior to opening. If a determination is made that it is not exempt from disclosure, the Bidder may in writing request the return of the sealed Bid as provided herein.

IB-16. BIDDER CAPABILITY/REFERENCES. Prior to Contract award, the CITY may require Bidder to show that Bidder has the necessary facilities, equipment, ability, and financial resources to perform the work specified in a satisfactory manner and within the time specified.

In addition, the CITY may require Bidder to demonstrate the Bidder has experience in work of the same or similar nature as the work required herein, and to provide references satisfactory to the CITY.

IB-17. REVIEW; BASIS OF AWARD. Bids will be reviewed in accordance with the procedures set forth in these Instructions to Bidders and the applicable provisions of the CITY Purchasing Code (Chapter 30 of the City Code of Ordinances). Any Contract award pursuant to the Invitation to Bid will be made on the basis of the criteria for award of Bids provided in the Purchasing Code.

IB-18. LOCAL PREFERENCE. The Purchasing Code, Chapter 30, Code of the CITY of Daytona Beach provides for a preference to local Vendors whenever the application of such a preference is reasonable in light of the dollar-value of Proposals received in relation to such expenditures.

As used in City Code, the term, "local Vendor" means a person or business entity which has maintained a permanent place of business with full-time employees within the city limits of the CITY of Daytona Beach for a minimum of six months prior to the date Bids or Proposals were received for the purchase or Contract at issue, which generally provides from such permanent place of business the kinds of goods or Services solicited, and which at the time of the solicitation fully complies with state and local laws, including CITY zoning and licensing ordinances.

Pursuant to City Code, if the lowest responsive Bid is submitted by a non-local Vendor, and a Bid submitted by a local Vendor is within 10% of the lowest Bid, then these two Vendors will each have the opportunity to submit a best and final Bid equal to or lower than the amount of the lowest Bid within five working days after Bid opening. The Bid will be awarded to the Bidder submitting the lowest responsive Bid or final Bid. In case of a tie between a local Vendor and a non-local Vendor, the Bid will be awarded to the local Vendor. If the Bidder intends to qualify as a local Vendor, the Bidder must complete and sign the Local Vendor affidavit and submit it as part of the Bid. A Bidder who fails to properly complete and sign this affidavit or submit it with the Bid, will not be considered a Local Vendor for the purposes of the local preference ordinance.

If the Bidder submits a properly completed Local Vendor affidavit as part of its Bid, the CITY reserves the right to verify that the Bidder meets the definition of Local Vendor, including by requiring the Bidder to supply additional documentation. In all instances, the CITY will be the final arbiter as to whether the Bidder qualifies for local preference.

With certain exceptions, application of local preference is discretionary. For more information on how the Local Preference may apply, see the Purchasing Code.

IB-19. IDENTICAL TIE BIDS. If there are two or more low responsive Bids from responsible Bidders that are identical in price, the tie will be broken in the following in order of preference: a) the Bidder qualifying for local preference under Code 30-86; b) the Bidder in compliance with the drug free workplace certification requirements set forth in Florida Statutes 287.087; or c) the most responsible Bidder as defined under the CITY Code 30-82 (9)(c). Please see the Drug Free Workplace form incorporated into the Bid Documents.

IB-20. RIGHT TO ACCEPT OR REJECT BIDS. The CITY will reject Bids which contain modifications, which are incomplete, unbalanced, conditional, obscure, which contain additions not requested, which contain irregularities of any kind, or which do not comply in every respect with these Instructions to Bidders and the Contract Documents, unless the CITY determines in its sole discretion that the non-compliance is minor.

The CITY does not bind itself to accept the minimum Bid stated herein, but reserves the right to accept any bid, which in the judgment of the CITY will best serve the needs and interests of the CITY.

IB-21. CONTRACT DOCUMENTS. The draft Contract that will be executed by the CITY and the successful Bidder is included in these Bid Documents. The Contract will include, by attachment or by reference, the Bid Documents, the Bid Package submitted by the successful Bidder, the Resolution or Ordinance awarding the Bid, any Purchase Orders requisitioning goods or Services pursuant to the

CONTRACT, and any amendments that may be executed by the successful Bidder after the date of award, if any, and the CITY. No representations, warranties, inducements or oral agreements have been made by either Party except as expressly set forth in this CONTRACT.

IB-22. Purchase Orders. All Purchase Orders issued pursuant to the Contract will be deemed to incorporate all terms and conditions of the Contract regardless of whether the Contract or Contract Documents are expressly referenced therein. In case of conflicts between a Purchase Order and any other provisions of the Contract Documents, the other provisions of the Contract Documents will prevail.

IB-23. PUBLIC ENTITY CRIMES. Any party submitting a Bid in response to this invitation must execute the enclosed Form PUR 7068, "SWORN STATEMENT UNDER SECTION 287.133(A), FLORIDA STATUTES, ON PUBLIC ENTITY CRIMES," and enclose it with the Bid . The form is included on the Bid Proposal pages of the Bid Documents. All blank spaces in the form must be completed.

IB-24. COMPLIANCE WITH LAWS. The Bidder will comply with all applicable federal, state, and local laws, ordinances, rules, regulations, and all orders and decrees of bodies or tribunals having jurisdiction or authority which in any manner affect the work, or which in any way affect the conduct of the work.

The Successful Bidder must always observe and comply with all such laws, ordinances, rules, regulations, orders, and decrees, including the Occupational Safety and Health Administration's (OSHA) Excavation-Safety Standard, 29 C.F.R. § 1926.650 Sub Part P, and Chapter 90-96 Florida Statutes.

IB-25. MAINTENANCE OF LICENSES. The Successful Bidder will protect and indemnify CITY and all its officers, agents, servants, or employees against any claim or liability arising from or based on the violation of any such law, ordinance, rule, regulation, order, or decree caused or committed by the Successful Bidder, its representatives, sub-contractors, sub-consultants, professional associates, agents, servants, or employees.

The Bidder will maintain all required licenses in full force and effect during the Contract term, including any renewal options.

IB-26. BIDDER RESPONSIBILITY FOR PREPARATION COSTS. Neither the CITY nor the CITY's officers or agents will be liable for the costs incurred by the Bidder in reviewing or responding to this solicitation.

GP-6. TERMINATION OF CONTRACT.

A. The CITY may by written notice to Vendor terminate this CONTRACT, in whole or in part, at any time, either for the CITY's convenience or because of the failure of the Vendor to fulfill its contractual obligations.

1. Before terminating for convenience, CITY must provide Vendor at least 30 days advance notice of termination. This Contract will terminate automatically and without need for further notice upon the expiration of the notice period.

2. Except as provided in Section 10(a)(3), before terminating due to Vendor's material breach of its contractual obligations, CITY must provide Vendor prior written notice, specifying the breach and demanding Vendor remedy the breach within 10 days of the notice, or within such longer period as may be reasonably required if the nature of the breach is that it cannot be remedied within 10 days of notice. This Contract will terminate automatically and without need for further notice if Vendor fails to remedy the material breach within the period described in the CITY's notice of breach.

3. The CITY may terminate this Contract upon Vendor's breach without providing Vendor an opportunity to remedy the breach as referenced immediately above, if Vendor or any of Vendor's personnel, in connection with the Services or rights provided herein, commit a criminal act or engage in activity that poses a material risk of injury to persons or damage to property. Such termination will be effective immediately upon providing Vendor written notice.

B. If the termination is for convenience, Vendor will be paid compensation for goods accepted or Services performed to the date of termination. If termination is due to Vendor's material breach, the CITY reserves all rights and remedies it may have under law due to such breach. Among other things, the CITY may take over the work and prosecute the same to completion by other agreements or otherwise; and in such case, the Vendor will be liable to the CITY for all reasonable additional costs occasioned to the CITY thereby.

C. If after notice of termination for the Vendor's failure to fulfill contractual obligations it is judicially determined by a court of law that the Vendor had not so failed, the termination will be conclusively deemed

to have been effected for the CITY's convenience. In such event, adjustment in payment to Vendor will be made as provided in GP-6(b) for a termination for convenience.

D. The rights and remedies of CITY provided for in this Section are in addition and supplemental to any and all other rights and remedies provided by law or under this CONTRACT.

Stat., as may be amended or revised. City may terminate this Contract at the City's option if Vendor is found to have submitted a false certification as provided under subsection (5) of , or been placed on the Scrutinized Companies §287.135, Fla. Stat., as may be amended or revised or been placed on the Scrutinized Companies with Activities in Sudan List or the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List and that it does not have business operations in Cuba or Syria as provided in §287.135, Fla. Stat., as may be amended or revised.

GP-7. SEVERABILITY. If one or more of the provisions contained in this Contract are held to be invalid, illegal or unenforceable for any reason in any respect, such invalidity, illegality or unenforceability will not affect any other provisions of this CONTRACT, and this Contract will then be construed as if such invalid, illegal or unenforceable provision had never been contained herein or therein.

GP-8. LIMITATION ON WAIVERS. Neither the CITY's review, approval, or acceptance of, or payment for, any of the Services provided by Vendor, will be construed to operate as a waiver of the CITY's rights under this CONTRACT. Vendor will be and always remain liable to the CITY in accordance with applicable law for any and all damages to the CITY caused by the Vendor's negligent or wrongful provision of any of the Services furnished under this CONTRACT.

Failure of the CITY to exercise any right or option arising out of a breach of this Contract will not be deemed a waiver of any right or option with respect to any subsequent or different breach, or the continuance of any existing breach. Furthermore, the failure of the CITY at any time to insist upon strict performance of any condition, promise, agreement or understanding set forth herein will not be construed as a waiver or relinquishment of the CITY's right to insist upon strict performance of the same condition, promise, agreement or understanding at a future time.

GP-9. DISPUTE RESOLUTION. If a dispute exists concerning this CONTRACT, the Parties agree to use the following procedure prior to pursuing any judicial remedies.

A. Negotiations. A Party will request in writing that a meeting be held between representatives of each Party within 14 calendar days of the request or such later date that the Parties may agree to. Each Party will attend and will include, at a minimum, a senior level decision maker (an owner, officer, or employee of each organization) empowered to negotiate on behalf of their organization. The purpose of this meeting is to negotiate in the matters constituting the dispute in good faith. The Parties may mutually agree in writing to waive this step and proceed directly to mediation as described below.

B. Non-Binding Mediation. Mediation is a forum in which an impartial person, the mediator, facilitates communication between parties to promote reconciliation, settlement, or understanding among them. Within 30 days after the procedure described in Subsection (a) proves unsuccessful or the Parties mutually waive the subsection (a) procedure, the Parties will submit to a non-binding mediation. The mediation, at a minimum, will provide for (i) conducting an on-site investigation, if appropriate, by the mediator for fact gathering purposes, (ii) a meeting of all Parties for the exchange of points of view and (iii) separate meetings between the mediator and each Party to the dispute for the formulation of resolution alternatives. The Parties will select a mediator trained in mediation skills and certified to mediate by the Florida Bar, to assist with resolution of the dispute. The Parties will act in good faith in the selection of the mediator and give consideration to qualified individuals nominated to act as mediator. Nothing in this Contract prevents the

Parties from relying on the skills of a person who also is trained in the subject matter of the dispute or a Contract interpretation expert. Each Party will attend and will include, at a minimum, a senior level decision maker (an owner, officer, or employee of each organization) empowered to negotiate on behalf of their organization.

If the Parties fail to reach a resolution of the dispute through mediation, then the Parties are released to pursue any judicial remedies available to them.

B. Assignments and Subcontracting. No assignment or subcontracting will be permitted without the CITY's written approval.

C. Compliance with Laws and Regulations. In providing all Services pursuant to this CONTRACT, Vendor will abide by all statutes, ordinances, rules, and regulations pertaining to or regulating the provisions of such Services, including those now in effect and hereafter adopted. Any violation of said statutes, ordinances, rules, or regulations will constitute a material breach of this Contract and will entitle the CITY to terminate this Contract immediately upon delivery of written notice of termination to the Vendor.

D. Truth in Negotiations Certificate. Vendor hereby certifies that the wages and other factual unit costs supporting the compensation herein are accurate, complete, and current at the time of this CONTRACT.

E. No Third Party Beneficiaries. There are no third party beneficiaries of Vendor's Services under this CONTRACT.

F. Contingency Fee. Vendor warrants that it has not employed or retained any company or person, other than a bona fide employee working solely for Vendor, to solicit or secure this Contract and that it has not paid or agreed to pay any person, company, corporation, individual or firm, other than a bona fide employee working solely for Vendor, any fee, commission, percentage, gift, or any other consideration, contingent upon or resulting from the award or making of this CONTRACT.

G. Nondiscrimination. Vendor will not discriminate against any employee or applicant for employment because of race, color, sex, or national origin. Vendor will take affirmative action to ensure that applicants are employed and the employees are treated during employment without regard to their sex, race, creed, color, or national origin. Further, Vendor agrees to comply with all local, state, and federal laws and ordinances regarding discrimination in employment against any individual on the basis of race, color, religion, sex, national origin, physical or mental impairment, or age. GP-27. GOVERNMENTAL RESTRICTIONS. In the event any governmental restrictions are imposed which would necessitate alteration of the material, quality, workmanship or performance of the items awarded to the Vendor prior to delivery, it will be the responsibility of the Vendor to notify the CITY in writing

at once, indicating the specific regulation which required an alteration. The CITY reserves the right to accept any such alteration, including any price adjustments occasioned thereby, or to cancel the Contract at no expense to the CITY.

The CITY expressly reserves the right to replace the canceled policy at Vendor's expense if Vendor fails to do so.

Similarly, Vendor's liabilities under this Contract will not be limited to the extent of the existence of any exclusions or limitations in insurance coverages, or by Vendor's failure to obtain insurance coverage.
