Subject: Task Order #1 to Agreement C20-2975-PW for Eglin West Area Development Plan between BCC and HDR Engineering, Inc.

At the November 3, 2020 BCC meeting Task Order #1 to the subject agreement was presented to the Board for consideration. Page 2 of the scope of the task order and the agenda item stated the lump sum fee for the services was \$445,220 however the cover sheet of the task order that was signed indicated the fee was \$455,220. Upon review of the original back-up documentation supporting the fee it was found that \$455,220 was correct. The purpose of this amendment is to acknowledge the discrepancy in the dollar amount and to correctly state the total lump sum fee for services described in Task Order #1 is \$455,220.
