Re: Renewal of Electrical Maintenance Services – ITB 0118-3380

Dear Mr. Wiggins:

Economy Electric is currently providing Electrical Maintenance Services to the City of Daytona Beach under an agreement entered into by the two parties by the above referenced bid. Section 9 of the contract allows the City the option to renew for up to 2 additional one-year terms by providing the Contractor written notice at least 60 days before the end of the current term.

The City of Daytona Beach desires to exercise the first of two renewal options to have this service continued by Economy Electric for the period effective 2/7/2021 through 2/6/2022 under the same terms and conditions. Resolution 18-44 gives the City Manager Authorization to exercise renewal options.
