MV TRANSPORTATION, INC.
PUBLIC TRANSPORTATION SERVICES
EXPIRES: 12/31/2023 W/2 1 YR RENEWALS

FIRST AMENDMENT TO THE AGREEMENT BETWEEN OKALOOSA COUNTY AND MV TRANSPORTATION, INC. FOR PUBLIC TRANSPORTATION SERVICES CONTRACT NO. C19-2761-TS

This First Amendment to the Agreement between Okaloosa County, a political subdivision of the State of Florida ("County"), and MV Transportation, Inc. ("Contractor"), executed this 29 day of September, 2020, is made a part of the original Agreement dated December 18, 2018, Contract No. C19-2761-TS (the "original Agreement"), incorporated herein by reference. The County and Contractor hereby agree as follows:

1. **APPLICABLILTY.** This shall be a temporary amendment for the period from March 1, 2020 to February 28, 2021, unless otherwise mutually agreed upon to be extended by the parties.

2. **PURPOSE.** The purpose of this Amendment is to provide for supplemental payments to the Contractor to reimburse them for such necessary expenses incurred due to the COVID-19 public health emergency, subject to the terms and conditions set forth herein. The County finds that these are necessary expenditures under the CARES Act.

3. **SECTION 5 OF THE ORIGINAL AGREEMENT SHALL BE TEMPORARILY AMENDED AS FOLLOWS:**

   a. **PARATRANSIT SERVICE.** The County shall pay Contractor supplemental payments for the unanticipated reductions in revenue hours for paratransit service and operation for monthly operational revenue hours resulting from the COVID pandemic as they are compared to either the maximum monthly revenue hours or the most current, corresponding pre-COVID month revenue hours. This shall begin in March 2020 for a period of 12 months (unless otherwise extended by the parties), as follows:
      i. March, April, May, June, September, November and December 2020 – Supplemental payments will be based on actual hours performed or the respective months in 2019, whichever is greater, up to the monthly maximum of 4,166.67 hours.
      ii. July, August and October 2020 – Supplemental payments will be based on 50% of the difference in hours between the actual hours performed and the monthly maximum of 4,166.67 hours.
      iii. January and February 2021 – Supplemental payments will be based on actual hours performed or the respective months in 2020, whichever is greater, up to the monthly maximum of 4,166.67 hours.

   b. **FIXED ROUTE SERVICE.** The County and the Contractor worked jointly to reduce fixed route service to prevent the spread of the virus at the height of the COVID-19 pandemic by minimizing large gatherings of individuals in a closed environment. Vehicles impacted by the reduced routes were added to other fixed routes to allow recommended CDC social distancing to occur on transit vehicles. However, even though most transit vehicles were assigned to other fixed routes, vehicles that were not reassigned resulted in

overall reduction in operational hours through no fault of the Contractor. This occurred from April 13 to May 15, 2020, with normal service resuming on May 18, 2020.

The County shall pay the Contractor a lump sum payment for reduced fixed route operating hours, if any, for the months of April and May, 2020. Any reimbursable reduction in hours shall be determined by calculating the total monthly hours actually worked taken from the sum of the seasonal projected daily hours by the applicable transit working days for the month within each season. The difference in hours, times the hourly rate, will be the eligible lump sum payment amount.

c. **COVID-19 RELATED PERSONNEL COSTS.** The County shall reimburse Contractor for personnel costs incurred as a result of COVID-19 (i.e., paid leave) from March 1, 2020 through August 31, 2020. Contractor shall submit supporting documentation to substantiate such personnel costs.

d. **OTHER COVID-19 EXPENSES.** The County shall reimburse Contractor for any COVID-19 expenses associated with the acquisition of Personal Protective Equipment (PPE) for employees, staff, and customers, cleaning/sanitation supplies, physical space modifications, remote work costs such as computers/software and testing expenses the Contractor may have paid for that is not otherwise reimbursed/covered by their insurance providers.

4. **SECTION 40 OF THE ORIGINAL AGREEMENT SHALL BE TEMPORARILY AMENDED AS FOLLOWS:**

a. The County agrees to waive all assessed liquidated damages for the period beginning March 1, 2020 through February 28, 2021. Any liquidated damages paid during this period shall be reimbursed to Contractor. This includes paratransit and fixed route operations.

5. **CONDITIONS OF REIMBURSEMENT FOR ITEMS 3C AND 3D above:**

a. Must satisfactorily demonstrate a loss through documentation that it is a valid COVID-19 expense and was specifically purchased to provide services under the original Agreement.
b. Must disclose any other local, state and/or federal assistance received.
c. Attestation that losses were not otherwise reimbursed through insurance, and or a city, county, state or federal program such as PPP, state/federal unemployment, etc.
d. Reimbursements are capped at a maximum of $20,000.00 for the term of this amendment.
e. Any expenses claimed shall be submitted no later than 30 days following the end date of this amendment.
f. Approval of these expenses shall be subject to the sole judgment and discretion of the County.

6. **OTHER CITY/COUNTY GRANT PROGRAMS** – The Contractor shall not be eligible to apply for or receive any other County COVID-19 related grants during the term of this amendment.

7. **OTHER PROVISIONS REMAIN IN EFFECT.** Except as specifically modified herein, all terms and conditions of the original Agreement between the parties shall remain in full force and effect.

8. **CONFLICTING PROVISIONS.** The terms, statements, requirements, or provisions contained in this Amendment shall prevail and be given superior effect and priority over any conflicting or inconsistent terms, statements, requirements or provisions contained in any other document or attachment.

(Remainder of Page Intentionally Left Blank)

IN WITNESS WHEREOF, the parties hereto have executed this Amendment on the day and year first written above.

Re: MV Transportation's Letter Dated December 11, 2018
Okaloosa County Transit Services

Dear Mr. Griffith:

The County is in receipt of your letter dated December 11, 2018 concerning several issues impacting the delivery of transit services by MV Transportation ("MV") to Okaloosa County. Two issues shall be addressed in this letter, while the other matters raised in your letter were included as provisions to the Contract being entered into by MV Transportation and Okaloosa County.

The first issue raised by MV in your letter was concern regarding the Medicaid Brokered Contracts that MV will be providing services under. As to the Logisticare and SecureCare Medicaid Broker Contracts, Okaloosa County is committed to working with MV to attempt to negotiate changes to these contracts to enhance the on-time performance of the County's transit system. As you know any changes to these contracts will require the cooperation of Logisticare and SecureCare but you have the County's commitment to use our best efforts to accomplish these modifications. Once MV begins its contracted services for the County, County representatives would like to arrange a time in January to sit down and begin addressing these issues.

The second issue to be addressed in this letter is rate increases. The Okaloosa County Board of County Commissioners recognizes that the fares for the County's fixed and paratransit services will require review and most likely adjustments. We have requested the County's Transit Department to start this review and the necessary regulatory requirements to accomplish this in the foreseeable future.

The County looks forward to working with MV Transportation on all of these matters.

Sincerely,

Commissioner Graham W. Fountain

The Performance Bond is to ensure the faithful performance of all the requirements of the Contract, and to save, defend, indemnify, and hold harmless the COUNTY from any and all damages, costs, fees, and expenses either directly or indirectly arising out of any failure to perform the Contract, whether in whole or in part. The Bond shall be issued by a company authorized to do business in the State of Florida and having a currently valid certificate of authority and bonding capacity, as issued by the United States Department of Treasury under 31.U.S.C., sections 9304 through 9308. The CONTRACTOR shall verify with the COUNTY, prior to execution of the Contract, the acceptability of the surety provided thereunder.

7. DURATION OF AGREEMENT AND TERMINATION

The Agreement will begin once all parties have signed the contract and run for a period of five (5) years from the date of commencement. The contract may be renewed for two (2) additional one (1) year periods with mutual consent by both parties and subject to all other terms and conditions.

A. Termination for Convenience of the COUNTY:

1. The COUNTY may terminate this contract, in whole or in part, at any time by providing forty-five (45) days written notice to the CONTRACTOR when it is in the COUNTY's best interest. The COUNTY shall terminate by delivering to the CONTRACTOR a Notice of Termination specifying the extent of termination and the effective date. The CONTRACTOR shall be paid its costs, including contract close-out costs, and profit on work performed up to the time of termination. The CONTRACTOR shall promptly, but no later than one (1) year from the date of termination, submit its termination claim to the COUNTY. If the CONTRACTOR has any property in its possession belonging to the COUNTY, the CONTRACTOR will account for the same, return to COUNTY or dispose of it in the manner the COUNTY directs. The County further reserves the right to unilaterally cancel this Agreement for refusal of the Contractor to permit public access to all documents, papers, letters or other material subject to the provisions of Chapter 119, Florida Statutes, and made or received in conjunction with this Agreement unless the records are exempt by law.

2. After receipt of a Notice of Termination, and except as directed by the COUNTY, the CONTRACTOR shall immediately proceed with the following obligations, regardless of any delay in determining or adjusting any amounts due under this clause:

(a) Stop work date as specified in the notice.

(b) Place no further subcontracts or orders (referred to as subcontracts in this clause) for materials, services, or facilities, except as necessary to complete the continued portion of the contract.

(c) With approval or ratification to the extent required by the COUNTY, settle all outstanding liabilities and termination settlement proposals arising from the termination of subcontracts. The COUNTY's approval or ratification will be final for purposes of this clause.

(d) Complete performance of the work not terminated.

(e) Take any action that may be necessary, or that the COUNTY may direct, for the protection and preservation of the property related to this Contract that is in the possession of the CONTRACTOR and in which the COUNTY has or may acquire an interest.

(f) After termination, the CONTRACTOR shall submit a final termination settlement proposal to the COUNTY in the form and with the certification prescribed by the COUNTY. The CONTRACTOR shall submit the proposal promptly, but no later than one (1) year from the effective date of termination, unless extended in writing by the COUNTY upon written request of the CONTRACTOR within this one (1) year period. However, if the COUNTY determines that the facts justify it, a termination settlement proposal may be received and acted on after one (1) year or any extension. If the CONTRACTOR fails to submit the proposal within the time allowed, the COUNTY may determine, on the basis of information available, the amount, if any, due the CONTRACTOR because of the termination and shall pay the amount determined.

(g) If the CONTRACTOR and the COUNTY fail to agree on the whole amount to be paid because of the termination of work, the COUNTY shall pay the CONTRACTOR the amounts determined by the COUNTY as follows:

(1) The contract price for completed supplies or services accepted by the COUNTY not previously paid for, adjusted for any saving of freight and other charges.

(2) The total of:

(i) The costs incurred in the performance of the work terminated, including initial costs and preparatory expense allocable thereto, but excluding any costs attributable to supplies or services paid or to be paid under this clause;

(ii) The cost of settling and paying termination settlement proposals under terminated subcontracts that are properly chargeable to the terminated portion of the contract; and

(iii) A sum, as profit on subdivision (h)(2)(i) of this clause solely for work performed, determined by the COUNTY under 49.202 of the Federal Acquisition Regulation, in effect on the date of this contract, to be fair and reasonable; however, if it appears that the CONTRACTOR would have sustained a loss on the entire contract had it been completed, the COUNTY shall allow no profit under this subdivision (g)(2)(iii) and shall reduce the settlement to reflect the indicated rate of loss.

(3) The reasonable costs of settlement of the work terminated, including:

(i) Accounting, clerical, and other direct expenses (excluding legal expenses) reasonably necessary for the preparation of termination settlement proposals and supporting data;

(ii) The termination and settlement of subcontracts (excluding the amounts of such settlements).

(h) In arriving at the amount due the CONTRACTOR under this clause, there shall be deducted:

(1) All unliquidated advance or other payments to the CONTRACTOR under the terminated portion of this contract; and

(2) The agreed price for, or the proceeds of sale of, materials, supplies, or other things acquired by the CONTRACTOR or sold under the provisions of this clause and not recovered by or credited to the COUNTY.

(j) If the termination is partial, the CONTRACTOR may file a proposal with the COUNTY for an equitable adjustment of the price(s) of the continued portion of the contract. The COUNTY may make any equitable adjustment agreed upon. Any proposal by the CONTRACTOR for an equitable adjustment under this clause shall be requested within ninety (90) days from the effective date of termination unless extended in writing by the COUNTY.

(k) (1) The COUNTY may, under the terms and conditions it prescribes, make partial payments and payments against costs incurred by the CONTRACTOR for the terminated portion of the contract including but not limited payments to the CONTRACTOR's subcontractors, if the COUNTY believes the total of these payments will not exceed the amount to which the CONTRACTOR will be entitled. This Contract is not intended to create any third party beneficiaries and confers no rights on anyone other than the CONTRACTOR and the COUNTY.

(2) If the total payments exceed the amount finally determined to be due, the CONTRACTOR shall repay the excess to the COUNTY upon demand, together with interest computed at the rate established for the payment of judgment liens in the Fifteenth Judicial Circuit of the State of Florida. Interest shall be computed for the period from the date the excess payment is received by the CONTRACTOR to the date the excess is repaid. Interest shall not be charged on any excess payment due to a reduction in the CONTRACTOR's termination settlement proposal because of retention or other disposition of termination inventory until ten (10) days after the date of the retention or disposition, or a later date determined by the COUNTY because of the circumstances.

(l) Unless otherwise provided in this Contract or by statute, the CONTRACTOR shall maintain all records and documents relating to the terminated portion of this Contract for five (5) years after final settlement. This includes all books and other evidence bearing on the CONTRACTOR's costs and expenses under this contract. The CONTRACTOR shall maintain these records in Okaloosa County Florida and make these records and documents available to the COUNTY, its authorized agents, servants or employees, at the CONTRACTOR's office, at all reasonable times, without any direct charge. If approved by the COUNTY, photographs, microphotographs, or other authentic

reproductions may be maintained instead of original records and documents.

B. Termination for Default

1. (a) The COUNTY may, by written notice of default to the CONTRACTOR, terminate this contract, in whole or in part:

(1) If the CONTRACTOR fails to perform the services as required or within the time specified in this contract or any extension;

(2) If the CONTRACTOR fails to make progress, so as to endanger performance of this contract; or

(3) If the CONTRACTOR fails to perform any provision of this contract or has made an inaccurate or false representation or submitted a false or inaccurate certification.

(b) The COUNTY's right to terminate this Contract may be exercised if the CONTRACTOR does not cure such failure within ten (10) days (or more if authorized in writing by the COUNTY) after receipt of the notice from the COUNTY specifying the failure.

2. If the COUNTY terminates this contract in whole or in part, it may acquire, under the terms and in the manner the COUNTY considers appropriate, supplies or services similar to those terminated, and the CONTRACTOR will be liable to the COUNTY for any excess costs for those services. However, the CONTRACTOR shall continue the work not terminated.

3. Except for defaults of subcontractors at any tier, the CONTRACTOR shall not be liable for any excess costs if the failure to perform the contract arises from causes beyond the control and without the fault or negligence of the CONTRACTOR. The parties agree that only the following shall be deemed causes beyond the CONTRACTOR's control:

(a) acts of God or of the public enemy,

(b) fires,

(c) floods,

(d) epidemics,

(e) quarantine restrictions, and/or

(f) inclement weather[1], and/or

(g) strikes, labor unrest or civil disturbance.

In each instance the failure to perform must be beyond the control and without the fault or negligence of the CONTRACTOR and the CONTRACTOR shall make good faith efforts to mitigate the effects of all such causes.

4. If the failure to perform is caused by the default of a subcontractor at any tier, and if the cause of the default is beyond the control of both the CONTRACTOR and subcontractor, and without the fault or negligence of either, the CONTRACTOR shall not be liable for any excess costs for failure to perform, unless the subcontracted supplies or services were obtainable from other sources in sufficient time for the CONTRACTOR to meet the required delivery schedule. Upon direction of the COUNTY, the CONTRACTOR shall also protect and preserve property in its possession in which the Government has an interest.

5. The COUNTY shall pay contract price for completed services delivered and accepted.

6. If, after termination, it is determined that the CONTRACTOR was not in default, or that the default was excusable, the rights and obligations of the parties shall be the same as if the termination had been issued for the convenience of the COUNTY.

7. The rights and remedies of the COUNTY in this clause are in addition to any other rights and remedies provided by law, equity or under this Contract.

8. Notwithstanding anything contained in this Contract, the parties agree that the occurrence of any of the following shall be deemed a material event of default:

(a) The filing of any judgment lien against the assets of the CONTRACTOR related to the performance of this Contract which is not discharged, satisfied or contested in a court of law within thirty (30) days of notice to the CONTRACTOR;

(b) The making by the CONTRACTOR of any general assignment or general arrangement for the benefit of creditors;

[1] "Inclement weather" throughout this contract is defined as the existence of abnormal climatic conditions (including but not limited to floods, hurricanes, tornado, hail, ice, high wind, extreme temperatures, or the like or any combination thereof) by virtue of which it is either not reasonable or not safe for Contractor or its employees exposed thereto to continue working while the condition prevails.

The CONTRACTOR shall exercise control over the means and manner in which it and its employees perform the work, and in all respects the CONTRACTOR's relationship, and the relationship of its employees, to the COUNTY shall be that of an Independent Contractor and not as employees or agents of the COUNTY.

2. The CONTRACTOR does not have the power or authority to bind the COUNTY in any promise, agreement, or representation other than specifically provided for in this Contract.

3. CONTRACTOR acknowledges and affirmatively represents, warrants and asserts that it is familiar with the terms and conditions of this Contract and its duties and obligations hereunder, and that in the performance of this Contract and/or in any other act, relationship or role that it has or may have with the COUNTY, related to or arising out of this Contract, that it is and shall at all times be an independent contractor and not an agent or servant of the COUNTY. CONTRACTOR acknowledges that it has no authority, either express or implied, to hold itself out as a servant or agent or to represent that it is an agent or servant of the COUNTY. CONTRACTOR agrees that it shall not convey or suggest, in any manner whatsoever, to any person or entity (i.e., third party), that it has any authority, either real or apparent, to act for or on behalf of or as an agent of the COUNTY. Accordingly, CONTRACTOR shall at no time claim, assert, infer, or suggest, in any way whatsoever, in any public or private statement whether made in any public meeting, deposition, interrogatory, hearing, trial or appeal, that it is an agent or servant of the COUNTY, that the COUNTY has control over CONTRACTOR's operations, its employees or subcontractor's employees, the conduct of its business, employees, officers, servants or agents, that the COUNTY is an employer or joint employer of any employee of CONTRACTOR or any subcontractor, or that COUNTY is responsible for any fine, assessment, penalty, charge, fee or determination of a court of law or an administrative agency arising out of or related, in any manner, to CONTRACTOR's compliance with or failure to comply with any requirement of this Contract, any state, federal or local law, rule, regulation or executive order or any determination of a court of law or administrative agency.

4. CONTRACTOR affirmatively acknowledges and represents that it, in the performance of this Contract and consistent with its terms and conditions will select, hire, train, place, supervise, discipline, terminate, compensate and reward its employees; that it has determined the manner and materials by which it will perform the work, including the site from which the work will be performed; and that the facility and materials that it will utilize to perform the work will be owned, leased and controlled by it and under its care and control.

5. CONTRACTOR further agrees to protect, save, defend, reimburse, indemnify and hold harmless the COUNTY and their respective officers, elected officials, servants, agents and employees from and against any and all claims, liability, expense, loss, costs, fines,

damages, attorney fees (including all appellate cost and expenses, including attorney fees) against COUNTY, that are related to or result from, in whole or in part, any claim, assertion, inference, suggestion, or the like by CONTRACTOR or any employee or subcontractor of CONTRACTOR, that it, in the performance of this Contract or otherwise, is a servant or agent of COUNTY. CONTRACTOR's duties and obligations under this article shall encompass acts of its subcontractors and independent contractors which are inconsistent with or conflict with CONTRACTOR's obligations hereunder.

35. CONTINGENT FEE

The CONTRACTOR warrants that it has not employed or retained any company or person, other than a bona fide employee working solely for the CONTRACTOR, to solicit or secure this Contract and that it has not paid or agreed to pay any person, company, corporation, individual, or firm, other than a bona fide employee working solely for the CONTRACTOR, any fee, commission, percentage, gift, or any other consideration contingent upon or resulting from the award or making of this Contract.

36. INDEMNIFICATION

CONTRACTOR agrees to protect, save, defend, reimburse, indemnify and hold harmless the COUNTY and their respective officers, elected officials, servants, agents and employees from and against any and all claims, suits, liability, expenses, losses, costs, fines, damages, attorney fees, (including the costs of all appeals), costs and expenses, and causes of action of every kind and character against COUNTY, or their respective officers, elected officials, servants, agents and employees by reason of any cost, loss, harm, damage to person(s), including bodily injury and death, and property, incurred or sustained by any person whomsoever or any governmental entity, including the COUNTY, which arise out of, are incidental to or relate, in any manner, to the CONTRACTOR's performance of this Contract, its acts or omissions, its negligent performance, or its failure to perform any term or condition of this Contract. CONTRACTOR's obligations hereunder shall encompass all negligent, intentional and wrongful acts of its employees, officers, servants, agents and subcontractors, and shall include, but are not limited to, all injuries or damages suffered by any person or entity, including the COUNTY, as a result of any negligent, intentional, deliberate or malicious act or omission of the CONTRACTOR or its employees, servants, agents and subcontractors.

CONTRACTOR agrees that the foregoing provision includes within its scope any and all harm, cost, loss or damage of any kind or nature, fees, costs, expenses, attorney fees, including those incurred during any type of federal or state administrative or legal proceeding or inquiry, appellate costs, and COUNTY employee costs that arise out of or are related, in any manner whatsoever, to CONTRACTOR's obligation to comply with the applicable transit employee protective requirements of the Contract (also referred to or known as "13(c), employee transit protective arrangements or Section 5333(b) obligations") and all other state, federal and local laws, rules and regulations.

Notwithstanding the foregoing, CONTRACTOR shall not be responsible to COUNTY for damages which arise solely out of or are solely attributable to the negligent acts or omissions, or

intentional or wrongful acts of the COUNTY or their respective officers, elected officials, servants, agents and employees.

37. AVAILABILITY OF FUNDS

The COUNTY's performance and obligation to pay under this Contract is contingent upon COUNTY's receipt of funds, as a grantee or funding recipient of FDOT, FTA, or other state or federal agency, which funds are to be used for the purposes of this Contract and an annual appropriation for the purposes of this Contract by the Board of County Commissioners, as it may determine appropriate in its sole discretion. CONTRACTOR shall not perform or fail to perform any act which would contribute to or cause the COUNTY to be in violation of the terms or conditions of any grant or funding agreement or to lose, return or forfeit any funds or grant.

38. TRUTH-IN-NEGOTIATION CERTIFICATE

Signature of this Contract by the CONTRACTOR shall also constitute the execution of a truth-in-negotiation certificate certifying that the wage rates, over-head charges, and other costs used to determine the compensation provided for in this Contract are accurate, complete, and current as of the date of the Contract.

The said rates and costs shall be adjusted to exclude any significant sums should the COUNTY determine that the rates and costs were increased due to inaccurate, incomplete, or noncurrent wage rates or due to inaccurate representation(s) of fees paid to outside contractors.

39. BUSINESS ASSOCIATE AGREEMENT

To the extent applicable, CONTRACTOR, including its agents, servants, subcontractors and employees shall appropriately safeguard protected health information ("PHI") that may be created, received, maintained, or transmitted on behalf of the COUNTY, in compliance with the applicable provisions of Public Law 104-191 of August 21, 1996, known as the Health Insurance Portability and Accountability Act of 1996, Subtitle F – Administrative Simplification, Sections 261, *et seq.*, as amended and any related regulations ("HIPAA"), and with Public Law 111-5 of February 17, 2009, known as the American Recovery and Reinvestment Act of 2009, Title XII, Subtitle D – Privacy, Sections 13400, *et seq.*, the Health Information Technology and Clinical Health Act, as amended and any related regulations (the "HITECH Act"), to the extent the acts and implementing regulations are applicable to the services provided by CONTRACTOR. Notwithstanding that HIPAA and its implementing may not prevent the disclosure of PHI, or other health or personal information acquired by CONTRACTOR in its performance of this Contract, CONTRACTOR shall not volunteer or disclose health or personal information to third parties, unless such disclosure is required by Florida's Public Records or other law applicable to the records created, possessed or maintained by CONTRACTOR.

40. LIQUIDATED DAMAGES

Failure to perform in accordance with federal and state regulations, as well as non-compliance with the terms of brokered transportation contracts, may cause harm to the County in ways including but not limited to the inability to utilize grant funds to pay for service, loss of ability to

participate in grant programs, customer dissatisfaction and declining ridership, and loss of program income through brokered transportation contracts. Because in many, if not most, cases it may be difficult or impossible to determine an exact amount of damage, and in order to help expedite resolution of liquidated damages claims, the contract resulting from this ITN will include the liquidated damages identified, below, which by submitting a response to this ITN a Respondent agrees are reasonable and acceptable in lieu of exact calculations. The County will not begin assessing liquidated damages until 120 calendar days (grace period) following the effective date of the contract (Wednesday, May 1, 2019). At the conclusion of the grace period, the County shall have the right to assess these damages following a notice period of 30 days during which the Contractor and County shall work together to resolve performance issues and avoid imposition of any liquidated damages if it is agreed that a failure to perform was not the fault of the Contractor.
Liquidated damages will be applied as follows:

- Failing to meet the on-time performance standards provided in the TDSP for paratransit service as measured on a monthly basis will result in the County withholding from the next regular payment $1000 for the subject month the on-time standard is not met.

- Failing to meet the on-time performance standard for fixed route service as provided in the Title VI plan as measured on a monthly basis will result in the County withholding from the next regular payment $1000 for the subject month that the on-time standard is not met.

- Failure to operate a fixed route will result in the County withholding from the next regular payment $100 for each run not performed during its allotted time.

- Failure to make pullout for fixed route within a 5 minute window will result in the County withholding from the next regular payment $100 for each bus not meeting this criteria. From goal to 100% should be considered system error margin and Contractor should not receive penalties for those events. If Contractor does not meet the on-time performance goal, then penalties will be assessed for anything above the 15% error margin.

- Assigning trips to drivers lacking the requisite certifications to perform said trips will result in the County withholding $100 for each trip transported by an insufficiently credentialed driver.

- Failure to submit reports (training, accident/incident, denials, capacity, etc.) invoices, performance to budget analysis, budget or other required documents by the required deadline will result in the County withholding from the next regular payment $50 per day for each day per document the required document is late.

- Failure to deliver vehicles to maintenance supervisor within the PM hour or mileage standard will result in the County withholding from the next regular payment $50 per full day the vehicle service is overdue.

- Failure to submit a County and FDOT accepted Drug & Alcohol MIS Report prior to the annual suspense date will result in the County withholding from the next regular payment $50 per full day the report is not accepted by the County. A monthly report must be submitted to the County.

- Failing to pick up a paratransit customer within the allotted window of time (30 minutes before or 15 minutes after the scheduled time) will result in the County withholding from the next regular payment $25 for each trip. From goal to 100% should be considered system error margin and Contractor should not receive penalties for those events. If Contractor does not meet the on-time performance goal, then penalties will be assessed for anything above the 10% error margin.

- Failure to provide service within the allotted time window resulting in the client cancelling a trip shall be considered a missed trip, not a no-show or cancellation, and shall result in $50 being withheld from the next regular payment for each missed trip

- Failure to respond to a complaint within the next business day shall result in $50 being withheld from the next regular payment for each complaint for which a response was not timely filed.

- Failing to maintain an average of 1.7 riders per revenue hour for paratransit service, including brokered service trips (e.g., LogistiCare, Secure Transportation, etc.) when measured on a monthly basis shall result in a review of the subject month's daily ridership and will result in the County withholding from the next regular payment $1000 for each month that ridership is less than 1.7 riders per revenue hour. Funds shall not be withheld for days on which ridership fell below 1.7 riders per revenue hour if it can be clearly demonstrated that the low ridership was not the fault of the Contractor for reasons such as, for example, verified cancellations and no-shows (supported by telephone records or other documentation acceptable to the County), inclement weather conditions, or other circumstances beyond the Contractor's control.

41. PERFORMANCE INCENTIVE'S

To provide an incentive to efficiently schedule trips, the Contractor may receive an incentive payment as follows:

i. $1,000 for each month that the paratransit service ridership meets or exceeds 2.0 riders per revenue hour provided that, a review by the County indicates that all rides were scheduled appropriately; and

ii. For each month that paratransit (aka dial-a-ride or demand response) ridership exceeds 2.0 riders per revenue hour in accordance with (i) above, and on-time performance meets or exceeds 95%, Contractor will receive an additional $1,000.

iii. Bonus payments shall be made during the next regular payment following the month in which the incentive performance goals were met following review and verification by the County which shall occur in no more than 30 days. The County will be under no obligation to make such payment within or at the conclusion of the 30 days if, during the verification review, issues are identified and brought to the Contractor's attention but are not resolved to the County's satisfaction. In such cases, the payment, if warranted, will be provided as part of the next regular payment following resolution.

1.6 LIQUIDATED DAMAGES

Failure to perform in accordance with federal and state regulations, as well as non-compliance with the terms of brokered transportation contracts, may cause harm to the County in ways including but not limited to the inability to utilize grant funds to pay for service, loss of ability to participate in grant programs, customer dissatisfaction and declining ridership, and loss of program income through brokered transportation contracts. Because in many, if not most, cases it may be difficult or impossible to determine an exact amount of damage, and in order to help expedite resolution of liquidated damages claims, the contract resulting from this ITN will include the liquidated damages identified, below, which by submitting a response to this ITN a Respondent agrees are reasonable and acceptable in lieu of exact calculations. The County will not begin assessing liquidated damages until 90 (grace period) following the effective date of the contract. At the conclusion of the grace period, the County shall have the right to assess these damages following a notice period of 30 days during which the Contractor and County shall work together to resolve performance issues and avoid imposition of any liquidated damages if it is agreed that a failure to perform was not the fault of the Contractor.
Liquidated damages will be applied as follows:

- Failing to meet the on-time performance standards provided in the TDSP for paratransit service as measured on a monthly basis will result in the County withholding from the next regular payment $400 for each day of the subject month the on-time standard is not met.

- Failing to meet the on-time performance standard for fixed route service as provided in the Title VI plan as measured on a monthly basis will result in the County withholding from the next regular payment $400 for each day of the subject month that the on-time standard is not met.

- Failure to operate a fixed route will result in the County withholding from the next regular payment $150 for each run not performed during its allotted time.

- Failure to make pullout for fixed route within a 5 minute window will result in the County withholding from the next regular payment $150 for each bus not meeting this criteria.

- Assigning trips to drivers lacking the requisite certifications to perform said trips will result in the County withholding $150 for each trip transported by an insufficiently credentialed driver.

- Failure to submit reports (training, accident/incident, denials, capacity, etc.) invoices, performance to budget analysis, budget or other required documents by the required deadline will result in the County withholding from the next regular payment $150 per day for each day per document the required document is late.

- Failure to deliver vehicles to maintenance supervisor within the PM hour or mileage standard will result in the County withholding from the next regular payment $150 per full day the vehicle service is overdue.

- Failure to submit a County and FDOT accepted Drug & Alcohol MIS Report prior to the annual suspense date will result in the County withholding from the next regular payment $150 per full day the report is not accepted by the County. A monthly report must be submitted to the County.

- Assigning a driver to a vehicle with expired County, State, Federal or Transportation Coordinator documentation will result in the County withholding $150 for each trip made in a vehicle with expired documentation.

- Failing to enter manifest data within three (3) working days following the date the trip was performed will result in the County withholding from the next regular payment $150 per full working day for each day each report or other deliverable is late or unacceptable. This provision will not apply if the cause of the delay is beyond the control of the Contractor.

- Failing to pick up a paratransit customer within the allotted window of time (30 minutes before or 15 minutes after the scheduled time) will result in the County withholding from the next regular payment $25 for each 15 minute interval or fraction thereof past the allotted time (for example, picking up a customer a 16 minutes after the allotted time will result in a $25 deduction of pay; picking up a customer 31 minutes after the allotted time will result in a $50 withholding from the next regular payment, etc.).

- Failure to provide service within the allotted time window resulting in the client cancelling a trip shall be considered a missed trip, not a no-show or cancellation, and shall result in $150 dollars being withheld from the next regular payment for each missed trip

- Failure to respond to a complaint in a timely manner shall result in $150 being withheld from the next regular payment for each complaint for which a response was not timely filed.

- Failing to maintain an average of 1.7 riders per revenue hour for paratransit service, including brokered service trips (e.g., Logistic are, Secure Transportation, etc.) when measured on a monthly basis shall result in a review of the subject month's daily ridership and will result in the County withholding from the next regular payment $150 for each day the ridership is less than 1.7 riders per revenue hour. Funds shall not be withheld for days on which ridership fell below 1.7 riders per revenue hour if it can be clearly demonstrated that the low ridership was not the fault of the Contractor for reasons such as, for example, verified cancellations and no-shows (supported by telephone records or other documentation acceptable to the County), inclement weather conditions, or other circumstances beyond the Contractor's control.

1.6. a PERFORMANCE INCENTIVE to provide an incentive to efficiently schedule trips, the Contractor may receive an incentive payment as follows:

- Bonus payments shall be made during the next regular payment following the month in which the incentive performance goals were met following review and verification by the County which shall occur in no more than 30 days. The County will be under no obligation to make such payment within or at the conclusion of the 30 days if, during the verification review, issues are identified and brought to the Contractor's attention but are not resolved to the County's satisfaction. 2. **Transportation Disadvantaged (TD) Service**: This service is provided using funding made available to the County by the Florida Commission for the Transportation

Disadvantaged (CTD) under Chapter 427, Florida Statutes. Certain seniors, persons with disabilities, low-income individuals, and others who meet the definition of "transportation disadvantaged" under Chapter 427, Florida Statutes, are eligible to use this service.

The Contractor makes determinations of TD eligibility and maintains this eligibility information as part of a master customer file. TD customer eligibility information is therefore easily accessed as part of the automated reservations and scheduling process.

Service policies, including trip purposes, days and hours of service, service area, fares, and other policies are established through the Transportation Disadvantaged Local Coordinating Board (TDLCB) and detailed in contracts that the County has with the Florida CTD.

3. **Brokered Non-Emergency Medical Transportation**: The County also serves as the provider of brokered non-emergency medical transportation under contracts with brokers of Medicaid transportation (currently LogistiCare and Secure Transportation).

   Under this program, transportation is provided to eligible Medicaid beneficiaries traveling to Medicaid approved programs and services. Transportation is provided throughout the county as well as to certain specialized medical and other Medicaid approved destinations outside of Okaloosa County.

   Information about Medicaid beneficiaries is maintained by the State Agency for Health Care Administration (AHCA).

   As part of the management and provision of services under this ITN, the Contractor will be required to check Medicaid beneficiary eligibility for requested transportation services as part of the trip reservations and scheduling process. Contractor will update the Medicaid eligibility records no less than monthly.

   The Contractor must call a toll-free number or access an internet based application to check the most recent eligibility status if a trip request is received and the customer is not listed as eligible in the latest County database. Eligible customers under this program may be ambulatory, may use wheelchairs and require accessible vehicles, or may require transportation via a stretcher.

4. **Non-Emergency Stretcher Transportation**: Proposals submitted pursuant to the ITN to which this scope of work is attached must address how contractor submitting the proposal will provide this service.

   Stretcher transportation is to be provided throughout the county area as well as to specialized medical destinations outside the county. Stretcher transportation is door-through-door. Information about Medicaid beneficiaries who are to be transported by stretcher is to be maintained by the Contractor.

   As part of the management and provision of services under this ITN, the Contractor will be required to check Medicaid beneficiary eligibility for requested transportation services as part of the trip reservations and scheduling process.

The Okaloosa County contract with the Florida Commission for the Transportation Disadvantaged to provide Medicaid Non-Emergency Transportation includes the requirement to provide bariatric stretcher services when necessary. The Contractor may directly provide these bariatric services or contract with a provider who specializes in providing bariatric stretcher services.

5. **Local Human Service Agency Transportation**: The Contractor also coordinates the provision of transportation with local human service agencies. These agencies have contracts with the County for the provision of specified customer transportation. Typically, the transportation purchased through the County involves ongoing group subscription transportation of customers to and from program sites. The local agencies identify the eligible customers, the desired arrival and pick-up times, and the program sites to be served. The contractor will be required to work with the local agencies involved in this type of service to arrange and provide the desired transportation.

6. **Emergency Transportation Services.** The Contractor also provides emergency transportation services to the COUNTY as follows:

    a. Provide personnel support, if available, needed to facilitate coordination and execution of emergency transport covered herein.
    b. If support personnel are not provided, surplus transit buses will be fueled by CONTRACTOR and ready for use by COUNTY.
    c. Maintain liaison with the COUNTY Emergency Management Office.
    d. Provide a representative to the COUNTY Emergency Operations Center (EOC) upon, and for the duration of, EOC activation. The CONTRACTOR representative will be located at 600 Transit Way and will be in contact with the EOC by radio and cell phone.

7. **Fuel, Computer Hardware, Telephone, Cable, Utilities, and Internet Services**

    The County shall provide the fuel, utility, telephone, cable, and internet services, as well as the computer hardware that the Contractor will use for providing service pursuant to this ITN. Any computer hardware other than that needed to provide service will be provided at the Contractor's expense with prior approval from the County. Procurement of any hardware or software shall be in compliance with federal, state, and local regulations as applicable. Such hardware shall have the technical ratings and capabilities to fully utilize all of the functions of the scheduling, routing, and other software used by the County for the full term of the Contract. The County currently uses transit programs by Trapeze Software ULC. The Contractor shall be responsible for the proper care and handling of all the County provided computer equipment.

Contractor shall be paid its costs, including contract close-out costs, and profit on work performed up to the time of termination. Contractor shall promptly submit its termination claim to the recipient. If contractor is in possession of any of the recipient's property, contractor shall account for same, and dispose of it as the recipient directs.
b. Termination for Default [Breach or Cause] (General Provision) If contractor does not deliver items in accordance with the contract delivery schedule, or, if the contract is for services, and contractor fails to perform in the manner called for in the contract, or if contractor fails to comply with any other provisions of the contract, the recipient may terminate this contract for default. Termination shall be effected by serving a notice of termination to contractor setting forth the manner in which contractor is in default. Contractor shall only be paid the contract price for supplies delivered and accepted, or for services performed in accordance with the manner of performance set forth in the contract.
If it is later determined by the recipient that contractor had an excusable reason for not performing, such as a strike, fire, or flood, events which are not the fault of or are beyond the control of contractor, the recipient, after setting up a new delivery or performance schedule, may allow contractor to continue work, or treat the termination as a termination for convenience.
c. Opportunity to Cure (General Provision) the recipient in its sole discretion may, in the case of a termination for breach or default, allow contractor an appropriately short period of time in which to cure the defect. In such case, the notice of termination shall state the time period in which cure is permitted and other appropriate conditions
If contractor fails to remedy to the recipient's satisfaction the breach or default or any of the terms, covenants, or conditions of this Contract within ten (10) days after receipt by contractor or written notice from the recipient setting forth the nature of said breach or default, the recipient shall have the right to terminate the Contract without any further obligation to contractor. Any such termination for default shall not in any way operate to preclude the recipient from also pursuing all available remedies against contractor and its sureties for said breach or default.
d. Waiver of Remedies for any Breach In the event that the recipient elects to waive its remedies for any breach by contractor of any covenant, term or condition of this Contract, such waiver by the recipient shall not limit its remedies for any succeeding breach of that or of any other term, covenant, or condition of this Contract.
e. Termination for Convenience (Professional or Transit Service Contracts) the recipient, by written notice, may terminate this contract, in whole or in part, when it is in the recipient's interest. If the contract is terminated, the recipient shall be liable only for payment under the payment provisions of this contract for services rendered before the effective date of termination.
f. Termination for Default (Supplies and Service) If contractor fails to deliver supplies or to perform the services within the time specified in this contract or any extension or if the contractor fails to comply with any other provisions of this contract, the recipient may terminate this contract for default. The recipient shall terminate by delivering to contractor a notice of termination specifying the nature of default. Contractor shall only be paid the contract price for supplies delivered and accepted, or services performed in accordance with the manner or performance set forth in this contract.
If, after termination for failure to fulfill contract obligations, it is determined that contractor was not in default, the rights and obligations of the parties shall be the same as if termination had been issued for the recipient's convenience.
g. Termination for Default (Transportation Services) If contractor fails to pick up the commodities or to perform the

services, including delivery services, within the time specified in this contract or any extension or if contractor fails to comply with any other provisions of this contract, the recipient may terminate this contract for default. The recipient shall terminate by delivering to contractor a notice of termination specifying the nature of default. Contractor shall only be paid the contract price for services performed in accordance with the manner of performance set forth in this contract.

If this contract is terminated while contractor has possession of the recipient goods, contractor shall, as directed by the recipient, protect and preserve the goods until surrendered to the recipient or its agent. Contractor and the recipient shall agree on payment for the preservation and protection of goods. Failure to agree on an amount shall be resolved under the Dispute clause. If, after termination for failure to fulfill contract obligations, it is determined that contractor was not in default, the rights and obligations of the parties shall be the same as if termination had been issued for the recipient's convenience.

h. Termination for Default (Construction) If contractor refuses or fails to prosecute the work or any separable part, with the diligence that will insure its completion within the time specified, or any extension, or fails to complete the work within this time, or if contractor fails to comply with any other provisions of this contract, the recipient may terminate this contract for default. the recipient shall terminate by delivering to contractor a notice of termination specifying the nature of default. In this event, the recipient may take over the work and compete it by contract or otherwise, and may take possession of and use any materials, appliances, and plant on the work site necessary for completing the work. Contractor and its sureties shall be liable for any damage to the recipient resulting from contractor's refusal or failure to complete the work within specified time, whether or not contractor's right to proceed with the work is terminated. This liability includes any increased costs incurred by the recipient in completing the work.

Contractor's right to proceed shall not be terminated nor shall contractor be charged with damages under this clause if:

1. Delay in completing the work arises from unforeseeable causes beyond the control and without the fault or negligence of contractor. Examples of such causes include: acts of God, acts of the recipient, acts of another contractor in the performance of a contract with the recipient, epidemics, quarantine restrictions, strikes, freight embargoes; and

2. Contractor, within 10 days from the beginning of any delay, notifies the recipient in writing of the causes of delay. If in the recipient's judgment, delay is excusable, the time for completing the work shall be extended. The recipient's judgment shall be final and conclusive on the parties, but subject to appeal under the Disputes clauses.

If, after termination of contractor's right to proceed, it is determined that contractor was not in default, or that the delay was excusable, the rights and obligations of the parties will be the same as if termination had been issued for the recipient's convenience.

i. Termination for Convenience or Default (Architect & Engineering) the recipient may terminate this contract in whole or in part, for the recipient's convenience or because of contractor's failure to fulfill contract obligations. The recipient shall terminate by delivering to contractor a notice of termination specifying the nature, extent, and effective date of termination. Upon receipt of the notice, contractor shall (1) immediately discontinue all services affected (unless the notice directs otherwise), and (2) deliver to the recipient all data, drawings, specifications, reports, estimates, summaries, and other information and materials accumulated in performing this contract, whether completed or in process. If termination is for the recipient's convenience, it shall make an equitable adjustment in the contract price but shall allow no anticipated profit on unperformed services. If termination is for contractor's failure to fulfill contract obligations, the recipient may complete the work by contact or otherwise and contractor shall be liable for any additional cost incurred by the recipient.

If, after termination for failure to fulfill contract obligations, it is determined that contractor was not in default, the rights and obligations of the parties shall be the same as if termination had been issued for the recipient's convenience.

j. Termination for Convenience or Default (Cost-Type Contracts) the recipient may terminate this contract, or any portion of it, by serving a notice or termination on contractor. The notice shall state whether termination is for

convenience of the recipient or for default of contractor. If termination is for default, the notice shall state the manner in which contractor has failed to perform the requirements of the contract. Contractor shall account for any property in its possession paid for from funds received from the recipient, or property supplied to contractor by the recipient. If termination is for default, the recipient may fix the fee, if the contract provides for a fee, to be paid to contractor in proportion to the value, if any, of work performed up to the time of termination. Contractor shall promptly submit its termination claim to the recipient and the parties shall negotiate the termination settlement to be paid to contractor. If termination is for the recipient's convenience, contractor shall be paid its contract close- out costs, and a fee, if the contract provided for payment of a fee, in proportion to the work performed up to the time of termination.
If, after serving a notice of termination for default, the recipient determines that contractor has an excusable reason for not performing, such as strike, fire, flood, events which are not the fault of and are beyond the control of contractor, the recipient, after setting up a new work schedule, may allow contractor to continue work, or treat the termination as a termination for convenience.

Yes, please change the number to 701748. I printed the grant sheet prematurely and forgot to replace it. The finished worksheet is attached. I will arrange for it to be picked up probably before lunch.

Thanks,

Janet,

On the contract pay request, would you like for me to change dept 701648 to 701748?

On the Grants worksheet, could you please complete the sections for Wave and Corridor and forward to me so that I may replace in the invoice package. The amounts being allocated for each grant department were not filled in.

Once I receive the revised grants worksheet, the invoice will be ready for further processing. The invoice will need the County Administrator's signature. Will someone be coming to pick this up and walk through for County Administrator signature and return to Finance for further processing?

Thank you,
Ashley

Janet,

I have finished my review of the Maruti Invoice 17-10. Please confirm that 701648 should read 701748 on the contract pay request. If the TD invoice is correct as is, everything else looks good.

The deadline to get pay requests to Accounts Payable in order for them to get processed tomorrow is no later than noon today. This pay request is over the $25,000 threshold, so it will need to be signed by the County Administrator first. Will you be sending someone to walk it through so that it will get paid this week, or would you like for me to continue processing as normal?

Thank you,
Ashley

Ashley,
Attached are the correct invoices that Maruti has now signed and a revised copy of the grant worksheet. Are you able to use the signed Contract Approval Form that you already have and revise the grant allocations as on the attached form?

Ashley,
Attached are the correct invoices that Maruti has now signed and a revised copy of the grant worksheet. Are you able to use the signed Contract Approval Form that you already have and revise the grant allocations as on the attached form?

This is the invoice that Maruti should have pulled and signed or at least it's the one that I used because it says "Final Revised" but they have 4 different versions in the invoice folder. I will straighten this out on Monday.

Good afternoon,

In reviewing the Maruti Invoice #17-10, I noticed some mistakes that need correcting. Please see attached marked up pages with my questions/comments. I have also attached an email previously sent concerning the amounts on the TD invoice, which affects the amounts allocated to the different grants on this invoice.

Please revise as needed and resubmit the revisions to me, or I can send the invoice back to your attention for revision and resubmission, please let me know.

Thank you,
Ashley

Ashley,

Joann nor Bob was there the other day to print the correct invoice and give it to Parth and it looks like Maruti pulled the wrong invoice and signed it. I've requested several times that they only have one file in the invoice location. I'll get back with you. I think Parth is already gone for the day anyway.
