If the Bidder receives an award as a result of its Bid submission, failure to have made such investigations and examinations will in no way relieve the Bidder from its obligation to comply in every detail with all provisions and requirements of the Bid Documents, nor will a plea of ignorance of such conditions and requirements be accepted as a basis for any claim whatsoever by the Bidder for additional compensation.

If the Bidder is in doubt as to the meaning of any of the Bid Documents or any other Contract Documents included in this solicitation, the Bidder may submit a written request to the City for an interpretation, in care of the Purchasing Agent at the address set forth in the Invitation for delivery of the Bid. Any Contract award pursuant to the Invitation to Bid will be made on the basis of the criteria for award of bids provided in the Purchasing Code.

19. LOCAL PREFERENCE. The Purchasing Code provides for a preference to local vendors whenever the application of such a preference is reasonable in light of the dollar-value of proposals received in relation to such expenditures.

As used in City Code, the term, "local vendor" means a person or business entity which has maintained a permanent place of business with full-time employees within the city limits of the City of Daytona Beach for a minimum of six months prior to the date bids or proposals were received for the purchase or Contract at issue, which generally provides from such permanent place of business the kinds of goods or services solicited, and which at the time of the solicitation fully complies with state and local laws, including City zoning and licensing ordinances.

Pursuant to City Code, if the lowest responsive bid is submitted by a non-local vendor, and a bid submitted by a local vendor is within 10% of the lowest bid, then these two vendors will each have the opportunity to submit a best and final bid equal to or lower than the amount of the lowest bid within five working days after bid opening. The bid will be awarded to the bidder submitting the lowest responsive bid or final bid. In case of a tie between a local vendor and a non-local vendor, the bid will be awarded to the local vendor.

If the Bidder intends to qualify as a local vendor, the Bidder must complete and sign the Local Vendor affidavit and submit it as part of the Bid. A Bidder who fails to properly complete and sign this affidavit or submit it with the Bid, will not be considered for local preference.

If the Bidder submits a properly completed Local Vendor affidavit as part of its Bid, the City reserves the right to verify that the Bidder meets the definition of Local Vendor, including by requiring the Bidder to supply additional documentation. In all instances, the City will be the final arbiter as to whether the Bidder qualifies for local preference.

With certain exceptions, application of local preference is discretionary. For more information on how the Local Preference may apply, see the Purchasing Code.

20. MINORITY & WOMEN OWNED BUSINESS ENTERPRISES. The Vendor must comply with those provisions of the Purchasing Code, relating to Minority and Women- Owned Businesses.

A list of Minority Business Enterprise Vendors is available on-line at <http://purchasing.codb.us>.

21. IDENTICAL TIE BIDS. If there are two or more low responsive bids from responsible Bidders that are identical in price the tie will be awarded to the following in order of preference: a) the bidder qualifying for local preference under Code 30-86; b) the bidder in compliance with the drug free workplace certification requirements set forth in Florida Statutes 287.087; or c) the most responsible bidder as defined under the City Code 30-82 (9)(c).

22. RIGHT TO ACCEPT OR REJECT BIDS. The City will reject Bids which contain modifications, or which are incomplete, unbalanced, conditional, obscure, or which contain additions not requested, or irregularities of any kind, or which do not comply in every respect with these Instructions to Bidders and the Contract Documents, unless the City in its sole discretion determines that the non-compliance is minor.

The City does not bind itself to accept the minimum Bid stated herein, but reserves the right to accept any Bid, which in the judgment of the City will best serve the needs and interests of the City.

The City reserves the right to accept or reject any or all Bids in whole or in part, and to award by items, parts of items, or by any aggregate group of items specified. In such event, adjustment in payment to Vendor will be made as provided in Subsection (b) of this Section.

(f) The rights and remedies of City provided for in this Section are in addition and supplemental to any and all other rights and remedies provided by law or under this Contract.

25. Purchase Orders. All purchase orders issued pursuant to the Contract will be deemed to incorporate all terms and conditions of the Contract regardless of whether the Contract or Contract Documents are expressly referenced therein. SUPPLEMENTAL TERMS AND CONDITIONS

In case of conflicts between these Supplemental Terms and Conditions and the Standard Terms and Conditions, these Supplemental Terms and Conditions will govern.

STC 1 AUTHORITY TO PIGGYBACK. Submission of any Bid in response to this solicitation constitutes an offer made under the same terms and conditions and for the same price, to any other governmental entity.

STC 2 ELIGIBLE USERS. All departments of the City are eligible to use this term Contract. Such purchases will be exempt from competitive Bid requirements otherwise applying to their purchases.

STC 3 NON-EXCLUSIVE CONTRACT. Award of this Contract will impose no obligation on the part of the City to use the Vendor or this Contract for the purchase of the commodities included in the Bid Schedule during the Contract period. This is not an exclusive Contract. The City specifically reserves the right to concurrently Contract with other companies for purchase of these or similar commodities if the City deems such action to be in the City's best interests. In the case of multiple term Contracts, this provision will apply separately to each item.

STC 4 WORK AUTHORIZATIONS. This Contract, in and of itself, does not require the Vendor to provide any commodities or perform any services, or require the City to pay for such commodities or services. No commodities will be deemed ordered, and no obligation will arise to pay for such commodities, except when specifically authorized by a written Work Authorization issued in accordance with the City's procurement policies. The Work Authorization will generally consist of the Vendor's written, date quotation, listing the commodities offered, including quantities, with reference to the units and prices set forth in the Bid Schedule, consistent with the provisions of this Contract; and the City's purchase order accepting such offer. No Work Authorization may alter the terms and conditions of this Contract; and any provision of a Work Authorization. In case of a conflict with a Work Authorization, this Contract will govern.

STC 5 NON-APPROPRIATIONS CLAUSE. In the event sufficient funds are not budgeted for a new fiscal period, the City will notify the Vendor of such occurrence, and this Contract will terminate on the last day of the current fiscal year without penalty or expense to the City.

Any associated or subsidiary

company involved in the service must be named in the Workers' Compensation coverage.

If insurance is provided with a general aggregate, then the aggregate will be in an amount of no less than \$2,000,000. The Risk Manager for the City may authorize lower liability limits for the automobile policy only, at the Risk Manager's sole discretion.

Unless specifically waived hereafter in writing by the Risk Manager, Vendor agrees that the insurer will waive its rights of subrogation, if any, against the City on each of the foregoing types of required insurance coverage.

The City will be exempt from, and in no way liable for, any sums of money that may represent a deductible in any insurance policy. The payment of such deductible will be the sole responsibility of Vendor.

(b) Proof of Insurance. Vendor will furnish proof of insurance acceptable to the City prior to or at the time of execution of this Contract. Vendor will not commence work until all proof of such insurance has been filed with and approved by the City. Vendor will furnish evidence of all required insurance in the form of certificates of insurance which will clearly outline all hazards covered as itemized above, the amounts of insurance applicable to each hazard, and the expiration dates.

The Vendor must notify the City of cancellation as soon as the Vendor is knowledgeable of cancellation of any of the required coverages by the insurer, the Vendor, or any other named insured.

If requested by the City, the Vendor will furnish copies of the insurance Contracts to support the certificates of insurance and the copies of said insurance must be acceptable to the City.

Anything to the contrary notwithstanding, the liabilities of the Vendor under this Contract will survive and not be terminated, reduced or otherwise limited by any expiration or termination of insurance coverage.
