WHEREAS, the CITY intends to proceed with its Solid Waste Collection, Recycling, and Disposal Program, the purpose of which is to establish a comprehensive approach to provide for logical, economic improvements to the proposed and existing public works solid waste infrastructures and solid waste services, and

WHEREAS, the CITY desires the services of a qualified professional engineering consultant for design, specification, permitting and related services; and

WHEREAS, the CITY has duly advertised for proposals from professional consultants desiring to provide such services; and

WHEREAS, the CITY's Selection Committee recommends that the CITY enter into negotiations with CONSULTANT for purposes of securing a contract for said Professional Engineering services; and

WHEREAS, negotiations ensued between the CITY and the CONSULTANT, and an agreement was reached for a Contract for Professional Services subject to approval by the City Commission.

WITNESSETH, that in consideration of the mutual covenants herein contained, the parties hereto agree as follows:

**ARTICLE I – Definition of Understanding:** This Contract and Agreement defines all items of responsibility and is the only understanding between the parties. No oral understanding exists for performing the scope of work as set forth herein.

**ARTICLE II – Overall Scope of Services:** The Overall Scope of Services to be provided by the CONSULTANT shall include, but not be limited to: C & D Landfill Closure and Related Solid Waste design and permitting of systems necessary for complete function of various landfill facilities and infrastructure and systems under control by the City. Related coordination of certain additional services dependent on specific project needs to include architecture, landscape architecture and engineering (various areas of practice) and environmental services determined by The CITY to be provided by the CONSULTANT to the CITY and defined in the "INVITATION TO SUBMIT PROPOSALS" and the "REQUEST FOR STATEMENTS OF QUALIFICATIONS NUMBER: 2006-14B, PROFESSIONAL CONSULTING SERVICES – C & D LANDFILL CLOSURE AND RELATED SOLID WASTE SERVICES", attached hereto as Exhibit "A". The specific services to be provided under a particular work element of this Contract, however, may vary from the services defined in the "REQUEST FOR STATEMENTS OF QUALIFICATIONS".

**ARTICLE III – Work Authorization Agreements:** The Scope of Service for Work may be modified from time to time to provide for additional services, deletions of service, or redefinitions of services, for specific work assignments, as deemed necessary by the CITY. All such modifications as to services, schedules, and fees for Work Authorizations, shall be subject to negotiation between the CITY and CONSULTANT and approval by the City Commission, the City Manager, or his designee, as described in Article II of this Contract.

Future Scope of Services to be provided by the CONSULTANT under Work Authorizations of this Contract shall be clearly described and attached as Exhibit "B", Work Authorization Agreements.

**ARTICLE IV – CITY's Responsibilities:** The CITY agrees to make available for review and use by the CONSULTANT, reports, studies, and data relating to each project.

**ARTICLE V – Compensation:** Compensation for the specific task assignments are identified and defined in each Work Authorization Agreement, and represent the total compensation for all services, equipment and work products to be provided by the CONSULTANT under the Work Elements authorized by this Contract.

Fees for work authorized will be either Lump Sum fees.

**Lump Sum:**

The Lump Sum fee constitutes a total cost for the services in individual scopes of work negotiated prior to the start of CONSULTANT's services, generally with an allowance for reimbursable expenses associated with the work. Lump Sum fees shall be based upon an identifiable scope of work. Prior to finalizing the negotiation of a Lump Sum fee, CONSULTANT shall provide the CITY with a detailed breakdown of man-hours by task and discipline, used in preparing the proposed Lump Sum. CONSULTANT agrees the hourly rates needed to develop the lump sum shall not exceed the maximum hourly rates as shown in the attached schedule attached hereto as Exhibit "C".

**Sub-consultants:**

The cost of services and reimbursable expenses for sub-consultants required for a project and employed by CONSULTANT shall be negotiated as an element of the Lump Sum fee for the project. CONSULTANT shall name all sub-consultants proposed for use at the time the Lump Sum fee is negotiated. No other special sub-consultants shall be used on a project unless and until approved by the City Commission of the CITY. Nothing contained herein shall be deemed to preclude the CITY from contracting for the services of special sub-consultants directly with the provider of such services.

**Modifications to Append Work Authorization Agreements:**

In the event that the CITY requests a modification to Work Element Scope of Service, or any subsequently executed Work Authorization Agreements, the fees for such modification shall be negotiated based upon the specific services requested and at a level of compensation acceptable to both parties. The final authorization shall be subject to CITY approval as described in Article II of this Contract.

**ARTICLE VI – Method of Payment:** For Work Elements, the CONSULTANT shall invoice the CITY no greater than once monthly and such invoices shall contain a Progress Certification Statement. The statement shall state that the Work Element is completed to at least the percentage shown on the invoice and further supported by adequate documentation to justify the percentage completed, to the satisfaction of the City Engineer. The CITY shall only be required to pay monthly progress invoices up to 90 percent of the Lump Sum fee for Work Element services. The remainder of the Lump Sum fee for Work Element services shall be paid upon the CITY's review and approval of the Work Element.

All monthly invoices submitted by the CONSULTANT and approved by the CITY shall be due and payable within 30 calendar days after such approval. The CITY agrees not to unreasonably withhold its approval of invoices submitted in compliance with the terms of this Contract.

The method of payment for services provided as part of future Work Elements of this Contract shall be negotiated to the satisfaction of both parties, with final authorization being subject to CITY approval as described in Article II of this Contract.

**ARTICLE VII – Termination:** It is agreed by and between each of the parties hereto, respectively, that each of the parties shall have, and there is hereby reserved to such parties and each of them, the right to cancel and annul this Contract upon thirty (30) days written notice to the other party.

Further, it is covenanted and agreed by and between the parties hereto, and each of them, respectively, that upon the expiration of such (30) day period from the notice of cancellation by either party, as herein provided, this Contract shall cease, and thereafter each of the parties shall be released from further liability under the terms hereof.

It is further covenanted and agreed by and between the parties hereto, that in case or in the event this Contract shall be canceled as herein provided, the CITY will pay unto the CONSULTANT all amounts due under the terms hereof that can be justified to the CITY as of date of cancellation. The CONSULTANT agrees that upon receipt of justified portion of fee, all documents will immediately be transmitted to the CITY for the CITY's use in accordance with their terms of this Contract.

**ARTICLE VIII – Ownership of Documents:** All reports, estimates, logs, original drawings, and other materials furnished, prepared or executed during the term of and in accordance with the provisions of this Contract shall be the property of the CITY and delivered to the CITY upon demand, provided the payment of fees has been received by CONSULTANT in accordance with the terms of this Contract.

**ARTICLE IX – Reuse of Documents:** CITY agrees to hold harmless and indemnify the CONSULTANT from and against any claims, demands, actions or causes of actions as a result of the CITY's reuse of documents and drawings or other work products.

**ARTICLE X – Nondiscrimination:** CONSULTANT will not discriminate against any employee or applicant for employment because of race, color, sex, or national origin. CONSULTANT will take affirmative action to ensure that applicants are employed and the employees are treated during employment without regard to their sex, race, creed, color, or national origin.

CONSULTANT agrees to comply with all local, state and federal laws and ordinances regarding discrimination in employment against any individual on the basis of race, color, religion, sex, national origin, physical or mental impairment, or age. In particular, CONSULTANT agrees to comply with the provisions of Title 7 of the Civil Rights Act of 1964, as amended, and applicable executive orders including, but not limited to, Executive Order No. 11246.

**ARTICLE XI – Contingency Fee:** CONSULTANT warrants that it has not employed or retained any company or person, other than a bona fide employee working solely for CONSULTANT, to solicit or secure this Agreement and that it has not paid or agreed to pay any person, company, corporation, individual or firm, other than a bona fide employee working solely for CONSULTANT, any fee, commission, percentage, gift, or any other consideration, contingent upon or resulting from the award or making of this Agreement.

**ARTICLE XII – Indemnification:** The Consultant shall indemnify and hold harmless the City of Daytona Beach, and its officers and employees, from liabilities, damages, losses, and costs, including, but not limited to, reasonable attorney's fees, to the extent caused by the negligence, recklessness, or intentionally wrongful conduct of the design professional and other persons employed or utilized by the design professional in the performance of the contract.

The limit of liability shall be a combined single limit for bodily injury and property damage of no less than \$1,000,000. If insurance is provided with a general aggregate, then the aggregate shall be in an amount of no less than \$1,000,000.

3. **Professional Liability Insurance:** Professional Liability Insurance insuring the CONSULTANT and other interest, including, but not limited to, any associated or sub-sidiary companies involved in the work, for errors or omissions in the performance of professional services to be rendered pursuant to this Agreement. The limit of liability of Professional Liability Insurance shall be no less than \$1,000,000.

Any insurance policy required by Article XIII, Section 3, hereof may contain a reasonable deductible provision provided advance notice of said deductible provision is given by the CONSULTANT to the CITY and approval from the CITY is given, which approval shall not be unreasonably withheld or delayed.

The CONSULTANT shall furnish proof of insurance acceptable to the City prior to or at the time of execution of the agreement and the Consultant shall not commence work under this agreement until he has obtained all the insurance required under this agreement and such

The CONSULTANT shall furnish evidence of all required insurance in the form of certificates of insurance which shall clearly outline all hazards covered as itemized above, the amounts of insurance applicable to each hazard, the expiration dates, and shall contain the following language as to cancellation: "In the event of cancellation of this policy by the insurer or any insured, the company shall give not less than thirty (30) days advance written notice to: "City Clerk, The City of Daytona Beach, P. If requested by the CITY, the CONSULTANT will furnish copies of the insurance contracts to support the certificates of insurance and the copies of said insurance must be acceptable to the CITY.

The Consultant shall file replacement certificates 30 days prior to expiration of termination of the required insurance occurring prior to the acceptance of the work by the City. In the event such insurance shall lapse, the City expressly reserves the right to renew the insurance at the Consultant's expense.

The Consultant may not cancel the insurance required by this agreement until the work is completed, accepted by the City and the Consultant has received written notification from the Risk Management Division of the City that the Consultant may cancel the insurance required by this agreement and the date upon which the insurance may be canceled. The Risk Management Division of the City will provide such written notification at the request of the Consultant if the request is made no earlier than two weeks before the work is to be completed.

**ARTICLE XIV - Truth in Negotiations Certificate:** The CONSULTANT hereby certifies that the wages and other factual unit costs supporting the compensation herein are accurate, complete, and current at the time of this Contract.

**ARTICLE XV – Opinions of Cost:** Opinions or probable construction costs, financial evaluations, feasibility studies, economic analyses of alternate solutions and utilitarian considerations of operations and maintenance costs prepared by CONSULTANT hereunder will be made on the basis of CONSULTANT's experience and qualifications and represent CONSULTANT's best judgement as an experienced and qualified civil engineering professional. It is recognized, however, that CONSULTANT does not have control over the cost of labor, material, equipment or services furnished by others or over market conditions or contractor's methods of determining their prices, and that any utilitarian evaluation of any facility to be constructed or work to be performed on the basis of the report, must of necessity be speculative until completion of its detailed design.

Accordingly, CONSULTANT does not guarantee that proposals, bids, or actual costs will not vary from opinions, evaluations or studies submitted by CONSULTANT to CITY hereunder.

**ARTICLE XVI – Third Parties:** Nothing contained in this agreement shall create a contractual relationship with or a cause of action in favor of a third party against either the CITY or the CONSULTANT. The CONSULTANT'S services under this agreement are being performed solely for the CITY's benefit, and no other entity shall have any claim against the CONSULTANT because of this agreement or the performance or nonperformance of services hereunder.
