Chris/Mike,

Please consider this Okaloosa County's Notice to Proceed (NTP) for the replacement of the #1 re-air blower. Replacement is due to existing #1 blower being not feasible to repair as stated in the attached report and quote. This particular blower is for the Arbennie Pritchett WRF. Per your attached quote and the further quote details attached, the total price for replacement will be \$7736.32, which includes appropriate % markup.

When work is completed, to ensure that the County makes payment as quickly as possible, please send invoices w/ backup (i.e. documentation on the catalog price or what you paid for the material/equipment) to wsinvoice@myokaloosa.com

Thank you,

Darren Alford
